 - a. Mrs. Phelps introduced herself
 - i. Weston Elementary has an open house tonight
2. LCAP
 - a. LCAP Summary-  LCAP goals and actions 22.23.pdf
 - i. Goal 1:
 1. Social Studies hope to adopt at the end of the school year
 2. Next will be math adoption
 - ii. Goal 2:
 1. MTSS support is reported here
 - iii. Goal 3:
 1. Support of our English Language Learners
 - b. Full LCAP document- Review
 - i. <https://content.myconnectsuite.com/api/documents/f6afc74e71b3403c985819e1a5409a46.pdf>
 - c. Local Control and Accountability Plan Annual Update 2023-24
 - i. We started this in 2020 so we need to update the data for all 3 years- this year concludes our current 3 year plan
 - ii. Goal Analysis- Reviewed how our goals were carried out in the past year
 1. We will be offering summer school STEAM enrichment classes this year.
 - a. We are almost full
 2. PD days continue and expand to our classified staff this year
 3. New Apprenticeships this year
 - a. California State's first Tech Apprentice graduated through the Ripon Unified School District's ARCH program this year
 - b. Added an Ag apprenticeship this year for current high school students
 4. Enrollment for the Dual Immersion Program continues to grow, so we are always looking for BCLAD teachers
 5. This year our ELA took a little bit of a dip, but our Math scores have made growth. We have been actively working on extra professional development in the math department.

6. Student Study teams were held in order to help target students who may be struggling and how to best support them.
 7. Ripon Unified School district has added supplemental materials to help with early phonemic awareness to help support our early readers.
 8. We are excited to bring back Early Literacy nights for families next year
 9. 3rd grade will be bringing back cursive this upcoming year
 10. Next year we will be having many newer 6th, 7th, and 8th grade teachers so we will be providing quite a bit of math professional development again this year to help support those teachers.
 11. English Learner scores show that we are still needing to support them more intensely and how we plan on that moving forward
 - a. We have increased our number of reclassifications again this year
 12. This year the highschool fell into ATSI due to their English Learner scores so we are reworking on how to best support those learners
- d. LCAP first draft due to county 4/10/24
 - e. Board public hearing 6/24/24
 - f. Approval meeting 6/28/24
3. Dashboard
 - a. This data is used to help us write our LCAP
 4. Additional LCAP Input
 - a. WE- 8th grade seems to be lacking in study skills (how to study) Is there a way to start this earlier so that they learn how to study before they are too late?
 - i. Everything in provided in powerpoint so information is getting lost
 - ii. PV- a note-taking class would be helpful, there was a study that was recently published to show that people who physically write their notes learn 6x better than those who type.
 - iii. 4th/5th grade would be best for our students
 5. Programs and Other Topics
 - a. Transitional Kindergarten/Kindergarten (Sept. 2 - June 2 birthdays)
 - i. We will be for sure having 4 TK classes, but we are still trying to figure out if we will need a 5th

- ii. We do have a 5th ready if need be
- b. Ripona Language Academy (Kindergarten - 4th grade)
- c. General Music (TK-1st and 2-4th) Gen Ed recitals begin April 12 @ RA
- d. Art position (Elementary art teacher)
 - i. Our 3rd grade Art teacher will be moved exclusively to the highschool so we have hired an elementary teacher to teach to a few different grade levels
- e. Missoula Children's Theater (Hercules, Pinocchio, and Sleeping Beauty)
- f. Summer School update
 - i. We have a little over 170 students signed up for summer school
 - 1. General summer school was invitation only, based on Benchmark scores
 - ii. School of Rock has about 25 students
 - iii. STEAM have almost 75 students enrolled
 - 1. 3 Weston teachers will be teaming up with the county to teach STEAM lessons

6. Round Table

- a. CO- How much longer will we have Wonders?
 - i. Mrs. Phelps- thought for at least 4 more years, until our next adoption. I do know Heggerty is working on having a full reading program in time for the next adoption.
 - ii. Is Heggerty year by year?
 - iii. Mrs. Phelps- yes, we bought the full kits so that we can just refill consumables each year
 - iv. Are there any supplemental things that we can do for the kids who missed out on cursive?
 - v. Mrs. Ott- there are resources online but nothing district sponsored
- b. PV- It would be great to offer STEAM camps for lower grades, I know a lot of students would be excited about that.
- c. WE- daughter is going into highschool and wants to take French, but we have to take it through Connections Academy, but are they changing?
 - i. Mrs. Phelps- it is the same exact thing but just a different name
 - ii. Mrs. Diederich- many students are able to take it online and we have a certain number of seats available to our students.
