READING AND MATH: This week we learned about the letter **Qq** and the new words **do, good** and **are**. Next week we will be learning the sounds for **long vowels** and our new words are **they** and **any**. In Math we will be exploring part-part-whole relationships for numbers up to ten. Please continue to help your child practice any sounds, words or numbers that they have trouble with as well as writing their first and last names correctly and complete sentences. Our sentence writing is getting better!
