

PPS Parents:

This is Holly McNider from Prattville Primary School. I would like to share a few reminders:

- Students and staff will begin focusing on Habit #4, think win-win. This habit helps us find solutions when working with others.
- Speaking of win-win, has your child logged their minutes for our online read-a-thon? We are in our final two days of this fundraiser that helps our school and gets your child to reading. Our students have logged over 11,000 minutes and raised almost \$8,000. Make sure we all do our part and help us reach the \$10,000 goal with 15,000 minutes of reading. Together we can do this!
- Report card distribution has been rescheduled to October 22 for all Autauga County students.
- Our students have been working hard each day during GOAL time. This is a designated time each day when students work on their personal goals. This is also an important intervention period for many students. This happens daily in all classrooms from 8:10-8:40. Help your child be on time daily for this and all important instructional times.
- Friday of this week we are challenging all homerooms with 100% attendance. We will reward all classrooms who achieve this goal with popsicles! Help us help your child see how important it is to be at school all day, every day.
- Also on Friday, special snack will be Pixy Sticks for \$1.
- Attention all 1st-grade parents! Mark your calendars for Monday, Oct. 18. We will have a parent workshop on this day. There will be 3 sessions you can choose from to better fit your schedule. We will have two 1st grade teachers available at 8:30, 12:00, or 5:30 on this day to show you some exciting ways to support reading and math skills at home with your child. More information coming home in your Tuesday folders this week.
- Due to limited product availability, you may see our lunch menu at times change. This may include a substitute for a different brand of the food product. Thank you for understanding.
- If your child is participating in our after-school tutoring program, we have changed our pick location to the bus loop. You will enter the bus loop on Wetumpka Street. Please also display the PPS car pool sign when picking your child up.
- As always, if you have COVID 19 questions, please contact our school nurse. Also, if your child has to be absent remember to always send in an excuse to avoid truancy issues. Without an excuse, absences are coded unexcused.
- Thank you for your support.
