

## Student Handbooks

I am aware of the contents of the Student Handbook for the school that my child attends that includes the Parent's Right to Know, Student Code of Conduct, Bus Conduct, and Attendance and Promotion/Retention Policies. I have reviewed the contents with my child. If I have further questions or concerns, I will make an appointment for a parent conference and/or call the school for more information.

## Internet and Computer Agreement

Each student is assigned a Chromebook to be used for instructional purposes. The use of the system's computers and network is a privilege that requires each student to act responsibly. The student shall be accountable for any violations of [Cook County Schools' Acceptable Use Policy](#), as they would be for any other classroom disciplinary incident. A student and his/her parents shall be responsible for damages resulting from a violation of this policy and shall be liable for costs incurred for service or repair.

I understand my child will use the Cook County School System's network in all of the following ways: internet services, student e-mail, Google Apps for Education and additional Educational applications as deemed appropriate to enhance instruction and student learning.
