

Reminder!

- *Friday, May 23rd: No school
- *Mon. May 26th: No School - Memorial Day

SBAC State Testing for 3rd-6th Grade

We're almost at the finish line! A big thank you to all the parents and guardians for ensuring your students arrive at school on time and are well rested each day. Your support is making a difference—our 3rd through 6th graders have been doing a great job with their testing!

End Of Year Field Trip- Wednesday, June 4th

Get ready for an unforgettable adventure! All Evaline students will be heading out on our End-of-the-Year Field Trip to OMSI (Oregon Museum of Science and Industry) on Wednesday, June 4th.

Departure Time: The bus leaves promptly at 8:45 AM, so please have your child at school on time—we don't want anyone to miss out!

Dress for Fun: Comfy tennis shoes are a must! We'll be on the move exploring all that OMSI has to offer.

Snacks & Lunch: A morning snack will be provided by our awesome Booster Club. The school will provide a sack lunch unless your child prefers to bring one from home. Please make sure it's in a disposable bag to decrease the chance of a lost lunch box.

Late Return: As in years past before COVID, when we went on more distant field trips with longer drive times, we will not be back to school by 3:00 pm. The bus will leave OMSI at approx. 3 p.m. with an **ETA back to Evaline between 4:45-5:00 p.m.** Mrs. Bradshaw will be in the office until the bus returns and will update you via email if there are changes.

Please pick up your student at the school if you are able. Ms. Carla will have had a very long day. Thank you!

Parents and Guardians Welcome: Parents and guardians are invited to join us on the trip! However, please note that you'll need to **provide your own transportation** and **cover your own admission cost**. Your student can be signed out to ride home with you. Please let the office know if you'll be joining us! We'd love to have you be part of the fun!

✨ **It's going to be a full day of discovery, learning, and fun—please make note of the later pick-up time and thank you for helping us make this day a success!**

Important Dates!!

May

- Fri. 23rd: No School
- Mon. 26th: No School - Memorial Day
- Thurs. 29th: Growth and Development Education for 5th and 6th grade

June

- Wed. 4th: End of Year Field Trip to OMSI
- Fri. 6th: Donuts with Dad (8:15-8:45)
- Fri. 6th: Music Recital (9:00 am)
- Fri. 6th: End of Year Lion Paw Awards (10:00 am)
- Fri. 6th: Student Showcase (11:00 am - Noon)
- Fri. 6th: 11:30 Dismissal
- Mon. 9th: Leap 5 Lunch & 6 Fun Afternoon at School
- Mon. 9th: Winlock Fire Engine coming to shower the kids with some water fun, 2:20pm
- Tues. 10th: Leap 10 Reward Field Trip
- Wed. 11th: All School Park Field Trip Day (Shafer Park Centralia)
- Thurs. 12th: 11:30 Dismissal

- Sun. 15th: Father's Day
- Tues. 17th: School Board Meeting - 6:30 pm

Friday, June 6th

Join Us for a Morning of Celebration!

Mark your calendars for Friday, June 6th, starting at 9:00 AM — it's going to be a morning full of fun and excitement as we wrap up the school year!

- 🍩 Donuts with Dad (8:15–8:45 am)
- 🎵 Music Recital (9:00-9:45 am)
- 🏆 End-of-Year Awards Assembly (10:00-11:00 am)
- 🌟 Student Showcase (11:00 - Noon)
- 🕒 Early Dismissal at 11:30 AM

We warmly invite all families to come and celebrate our students' hard work and accomplishments.

We hope to see you there!

6th Grade Parents/Guardians

Time to Plan for Next School Year!

Please begin the enrollment process for your student's 7th-grade year at the middle school of your choice for the 2025–2026 school year. Early enrollment helps request and transfer academic records on time, ensuring a smooth transition. If your student will be attending Napavine next year, enrollment must be completed online through their school website. We are sending home enrollment instructions and a 2025–2026 Napavine calendar with your 6th grade student today. Thank you for supporting your student's educational journey!

Evaline Weekly News

5-22-2025

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

TK and Kindergarten

Mrs. Tinnin

Kindergarteners continue learning the silent tricky e that makes the other vowel say its name, like in the words make and cute. Kindergarteners are also working on answering questions in a story with a complete sentence. TK is learning about Farm habitats. They are learning the sound pictures for the letters Q and W.

Kindergarten is done with the math curriculum for the year. We are reviewing adding, subtracting, measuring, and teen numbers. TK is solving simple story problems with numbers up to 8.

We are also working on the end-of-the-year testing this week and next week.

Our caterpillars have grown to double their size. Kindergarteners are keeping track of the change and growth in their butterfly journals.

First and Second Grade Explorers

Mrs. Mittge

Students have been busy showing off their great growth this week as we work through district math testing. Next week we will focus on ELA! They are such a sweet, earnest, hard-working bunch.

We have been spending our afternoons studying the physics of sound, working on Father's Day projects, and engaging with math and ELA by playing math/ela games.

Please continue to read aloud every night and check Boomerang Folders. PLEASE CHECK YOUR CARS AND HOMES FOR BOOKS AND MATERIALS THAT HAVE AN EVALINE SCHOOL OR MITTGE LABEL. It would be great to have our full library back.

If your child hasn't already started a writing journal, I encourage him/her to do so. Writing journals are great ways to practice handwriting, stretch creativity, and experiment with story components.

Thank you for all that you do and for all of your support! Enjoy the long weekend.

Third and Fourth Grade Classroom

Mrs. Mars

The majority of students have finished their SBAC testing and have started work on their end of year district testing. I am very proud to have seen so many kids trying their best to show what they had learned.

In the afternoons we have been working on our invisible forces unit in science. On Monday students investigated the patterns of motion exhibited by a trapeze by building a model trapeze. They made observations and took measurements of the motion of that model and used that data to predict the motion of a real trapeze.

Students have also been hard at work on their book reports that will be at our Student Showcase taking place on June 6th.

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week students have been spending the morning working through the SBAC in ELA. They are all doing a great job and I am very proud at how many I see doing their best and using strategies they learned in class.

Students have diligently been working on their projects for the student showcase. We have chosen their hero's journey project to show you. Come on down on June 6th and take a tour through their imaginations!

6th Grade parents!

It's hard to believe but we are almost to graduation! There will be information coming soon about different things related to graduation. Please keep a lookout for that information in coming weeks and don't forget- **Graduation is June 12 at 6:30pm!**
