October 2nd-5th, 2023

## From the Principal

Hello Everyone,

We are excited to see all of our Aggie Achievers tomorrow on 10/2/23! We are ready for another exciting week of instruction!

We will begin Fall Break on Friday, October 6th. During this time, we hope that your child is able to spend some time with you! You would be surprised at how many times I hear kids say that they want to spend time with their mom, dad, grandma, grandpa, aunt, uncle, etc. They want your attention - even at the middle and high school level - though most won't come out and tell you that. I hope that this Fall Break will allow some time for you to spend with them and just relax. Talk about what is going on in their life, successes they have felt, struggles that they have had, etc.

The Homecoming Dance was a success! The Gill Family deserves a BIG THANK YOU for allowing us to use their facility, decorating for the event, cooking for the event, and ensuring that the kids had a great time. As I watched the kids dance and interact, my heart was full. I enjoyed seeing them smile and be silly. At SGSC, we truly do have THE BEST achievers in the state of Georgia!

We are having so many Achievers that are being checked out early throughout the week - especially on Fridays. Please remember - EARLY CHECKOUTS ARE DISCOURAGED AFTER 2:30 PM. Early checkouts after 2:30 PM are discouraged due to ongoing instructional practices that include remedial and acceleration opportunities for Achievers. In addition, students are also transitioning to various areas to prepare for dismissal. Please remember that unexcused 5 unexcused tardies and early checkouts will be counted as an absence as well. Although early checkouts are discouraged, we do realize that extenuating circumstances such as doctor's appointments and family emergencies will occur. We will make every effort to accommodate, but **please do not come to check your child out to simply avoid waiting in the car rider line.**

If you need a change in transportation, you must provide this IN WRITING. This can be through a note sent to school with your child or you can email [transportation@sowegastemcharter.org](mailto:transportation@sowegastemcharter.org) to

request the change. These requests should be in place no later than 1:30 pm on the day of the request.

Cell phones are not allowed to be used at school. They must remain in your child's backpack or bag. Please see information below. On the buses, your child may use his/her cell phone if they follow these rules: No pictures or videos should be made on the bus, no pictures or videos should be uploaded to social media on the bus, no loud noises from phones - must have ear buds or headphones. IF our Achievers can follow those rules, cell phones will be permitted on the bus. IF our Achievers cannot follow those rules, we will not allow cell phones on the bus. So, please encourage your child to follow the bus rules regarding cell phone usage. Thank you!

Attendance - We are beginning our new attendance policy this year. The basics from this policy are as follows:

- 5 unexcused absences - you will receive a letter and attend a conference about attendance
- 7 unexcused absences - you will receive a letter with a reminder that your child can only miss 3 more days before he/she may be withdrawn from the school
- 10 unexcused absences - your child may be withdrawn from Southwest Georgia STEM Charter School

Reminders:

- If your child is absent, he/she will have 3 days to bring in their excuse after returning to school
- You may write up to 3 parent notes during the school year
- Your child will have 3 days to make up any missing assignments while he/she was absent from school

**RECOGNIZE YOUR CHILD'S TEACHER(S):** If you or your child would like to SHOUT OUT any staff member, please feel free by using the link: <https://forms.gle/ygfhcKDLA2Mm8Gtw5>. It is important that we recognize those staff members that are such an important part of your child's life - it makes them feel special as well!

Parents - I want you all to know that we value your ideas and thoughts at SGSC. If you, at any time, feel that you could provide information or ideas about ways to improve SGSC, please click here - <https://forms.gle/JiFECdiizhq7YSdj9> - and share. We may not be able to do everything that is recommended, but know that we will be open and listen. Thanks!

Below, I have included an image of our adopted Vision and Mission Statements for SGSC. We are so excited to be able to work with you all to accomplish both the vision and mission for our school!

As always, if you have any questions or concerns, please feel free to send me an email at [galmon@sowegastemcharter.org](mailto:galmon@sowegastemcharter.org).

Sincerely,  
Ginger Almon

## AGGIES CELL PHONE POLICY

**FROM BELL TO BELL - THERE IS NO CELL**

Students are not permitted to use cellular phones during school hours.

Cell phones should be turned off upon school arrival and students should store cell phones in their locker or bookbag upon arriving to homeroom. Cell phones may not be kept in clothing pockets.

- Phones must be turned off at all times while in the school building. If a phone rings during class, the teacher will revoke the Cell Phone Use Policy. "Forgetting" to turn off the phone is not an excuse.
- Use of a cell phone during a test will be considered cheating and appropriate disciplinary action will be taken.
- Students are prohibited from using a cell phone to take photographs or record video at any time on school property. This includes taking photographs or video recordings in restrooms, locker room areas, etc.
- If a student violates the Cell Phone Use Policy, the teacher or school staff member shall confiscate the cell phone and take it to the office.

First offense - the phone is taken away until the end of the day and kept in the front office.

Second offense - the phone must be picked up by a parent or guardian.

Third offense - either the student is assigned to ISS for two days of the phone is taken away for ten school days to be kept at the school (parent's choice).

Additional offenses - all result in the student not being allowed to have a cell phone on school property. Furthermore, students who do not adhere to these guidelines will be subject to other disciplinary actions.

- A student is required to hand over the cell phone and all its individual parts, including but not limited to the battery and memory cards, to a teacher or school staff member when requested. Failure to do so will result in ISS or OSS.
- The student assumes all risks in bringing such cell phones and other electronic devices onto school property or to school related functions.

# High School Information

One of our goals this year at SGSC is to help achievers raise their Lexile scores. Lexiles are the measurement of a student's reading level. The higher their Lexile level, the more likely they are to understand the material on class assignments, quizzes and tests. A child who reads on their grade's Lexile level is also more likely to have higher grades in all subject areas, since reading is part of every subject a student faces.

One way we are supporting students in raising their Lexile levels is to encourage them to read and take Accelerated Reader (A.R.) tests. Achievers in grades K - 5 have specific word count goals for each 9 weeks. Students in grades 6-12 have specific points they are encouraged to earn each 9 weeks. Please see the A.R. goals below and ask your child how many words/points they currently have.

We would love parents to support our effort in raising Aggie Lexile levels. Here are some ways you can help!

1. Ask your child what book they are currently reading.
2. Listen to your child discuss what their favorite part of the book is.
3. Remind your child to take an A.R. test once they finish a book.
4. Provide time at home for your child to read, this could be in the car, before bedtime, or reading to a pet.
5. Celebrate your child's successes. Let your child tell you how many words/points they have earned this week and praise them for doing so well!
