FINANCIAL ASSISTANCE

Our commitment to educational equity is a fundamental component of the Fuqua School philosophy and a core belief of Mr. J.B. Fuqua when he founded the school. To help us objectively assess what a family can contribute to educational expenses, Fuqua uses FACTS as a trusted third-party resource.

A FACTS processing fee is required with submission of application.

Notification of financial assistance awards are released after the application is verified through FACTS. Decisions about admission and financial assistance are two processes that are distinctly separate.

Financial assistance is granted on a first come, first serve basis and funding for this program is limited. **Families who wish to pursue financial assistance should apply by March 1.**

MULTI-CHILD DISCOUNT

Fuqua School offers a multi-child discount for families with three or more children enrolled. A 15% discount will be applied to tuition beginning with the third child and each subsequent child.

Fuqua School admits students of any race, sex, ethnicity, religion, culture, nationality, family structure, sexual orientation, gender identity and socioeconomic background, to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.
