Come experience Prom at NCECBVI on Thursday, April 11, 2024!

Prom is designed for high school and transition students (9th grade through age 21) who are blind or visually impaired through the state of Nebraska or are in life skills programs in the ESU 4 area. Our "Lights, Camera, Action" Prom will be a fun & elegant way to socialize & dance the night way!

Participants should plan to arrive at NCECBVI on April 11 between 3:00-5:00pm. Students will have the opportunity to get their hair and makeup done by volunteers. *Please be sure to bring your own hair and make-up supplies!* Karaoke will also be available during this time.

Dinner will be served at 5:00pm with party bus rides available between 5:30pm-7:30pm. The dance will take place between 6:00pm-9:00pm. Crowning of the prom king and queen will take place at 8:00pm.

We will again be asking students for song requests prior to prom. There will be a variety of songs programmed in advance so students can spend their time dancing, socializing, and enjoying the prom experience. The registration form allows the students to request one song in advance. (We cannot promise that all song requests will be played due to time and appropriateness of the song request.)

If you have any questions, please contact me.
