

Eighth Grade September Newsletter

Bini'anit'aatsoh

September is the month:

- ❖ September is known as the ripening of the late crops. The crops are in their final stages of growth. Navajos are continually picking ripened corn, squash, melon, chili pepper, and other crops. The fruit trees are also bearing their fruits.
- ❖ Students return back to school.
- ❖ During this time, different traditional food are being prepared- kneelown bread, blue corn bread, or steam corn.

Red Rock Day School

OBJECTIVES:

Reading:

Genre Read different genres every week.

Mathematics:

Transformation

Understand/solve problems with reflections, rotations, and translations.

Language:

Punctuations Review and learn ways to use different forms of punctuations.

Message:

We would like to encourage your child's continued time, set aside, for completing weekly assignments. Reminder, important to please text or call-in for daily attendance for students. There will be "Webex Meeting" Thank you for all your child's effort to attend school via distant learning on daily basis. There is a Webex Class Meet (class meeting code/password) given on a calendar. Appreciate your cooperation. Take care and be safe.

Events:

- ❖ September 06 - Labor Day (Holiday)

Information:

- ❖ Attendance Daily (Text or Call-in)
- ❖ Webex Class Meet
- ❖ Complete all lessons on time
- ❖ Read through Student Learning Packet

Note: Please call or Text any questions, concerns, or assistances.
