Sumter County

SCHOOL-BASED
HEALTH CENTER

A DOCTOR'S OFFICE IN YOUR CHILD'S SCHOOL

—

CARING FOR BOTH STUDENTS & FACULTY

—

NOW OPEN!

Albany Area Primary Health Care (AAPHC) is proud to care for our youngest community members in Sumter County!

AAPHC provides School-Based Health Centers, which are just like small doctor's offices within your child's school - to provide health care for the students, faculty and staff of our area schools.

The on-site School-Based Health Center allows our highly-skilled, highly trained providers to assist and care for students who may fall ill, need assistance with chronic illness or more.

Studies show that when a student feels healthy then they do well in school. And, our providers are committed to ensuring students feel their very best!
