

the West Carroll 3-2-1 Update

Thanksgiving is a time for gratitude and reflection, and I'm incredibly thankful for the West Carroll staff and community. Here are this month's highlights:

3-Exciting Highlights & Developments

- 1.Strategic Plan in Action:** Our five-year strategic plan is not just a document; it's a roadmap guiding us toward excellence in literacy, numeracy, and career readiness through high-quality instructional materials, Northwest Core coach collaboration, and targeted professional development.
- 2.Investing in Our Future:** We're making strategic investments to enhance our learning environments by investing in new HVAC systems, classroom furniture and Chromebooks. We're creating more comfortable, technology-rich learning spaces that support student engagement and success.
- 3.Community Event Success:** The annual Boo Bash was a resounding success! West Carroll staff and community members served over 1,500 students and their families. This event promoted literacy with over 250 books distributed to students of all ages by Fraser Book Bus. Another community event focused on literacy is the WCES "Night at the Pumpkin Patch" Literacy Night on November 21st.

2-Inspiring Quotes

"Over 60 percent of our junior class has met the state ASVAB benchmark... which deems them ready to graduate in the state of Tennessee. This accomplishment highlights the effectiveness of our academic preparation and support programs. It is a fantastic distinction for our students and our school." - **WCHS Principal, Dr. Adam Douglas**

"West Carroll Primary is focused on student attendance. We are having a competition among our homerooms. The first homeroom to fill up their chart for having no absences will celebrate with an ice cream party." - **WCPS Principal, Jackie Wester**

1-Community Challenge

Using the following letters, solve the wheel of fortune Puzzle (hint..think school)

Email your responses to me, preston.caldwell@wcssd.org, or share online using #WCChallenge.

As we celebrate this season of gratitude and giving, let us continue to work collaboratively to ensure every child in the West Carroll Special School District has the opportunity to succeed. Together, we are building a brighter future for our students, fostering an environment where they can thrive academically and personally. Our next board meeting will be held at WCHS on December 5th. Hope to see you there.

To another great month of learning and growth at West Carroll,

Preston Caldwell
