

The Robert Lee High School Student Council would like to thank all those who helped make Homecoming 2021 a big success. Firstly, we would like to thank our Robert Lee Volunteer Fire Department for leading the parade and for monitoring the Lighting of the Letters. Secondly, we would also like to thank Ivey Motors for allowing us to use their new trucks for the Homecoming Court every year and for everything they do to help our student body. Last but not least, we'd like to thank the Coke County Sheriff Department for conducting traffic during the parade and judging the parade floats. We'd also like to recognize the homecoming court which includes Mia Galvan, Dylan Thomas, Aubrey Nichols, Patrick Barrera, Paige Immel, Ryan Mendoza, Mckenzee Puentez, Gavin Freeman, Myrka Sosa, and Preston Warren. Mr. and Ms. RLHS this year was Michael Munoz and Braylee Hood along with this year's Homecoming King and Queen, Ivan Escamilla and Brisely Ureno. Furthermore, we would like to recognize the winners of the float contest this year. In fourth place was the Juniors, in third was the 3rd grade, in second was the Robert Lee Care Center, and first place was the 1st grade. We congratulate all of the winners and other floats for participating in this competition. Finally, we'd again like to thank everyone who helped make Homecoming this year a big success and appreciate everyone's continual support.

Gavin Freeman,
Student Council President
