Superintendent Report

Hysham Public Schools would like to welcome all of our new and returning students and staff for another exciting school year. We are happy to report that we are fully staffed with 100% of our teaching staff being fully certified. Our enrollment after day 1 is 77 (K-12). When we include our Early K, we are at 86.

We would like to welcome our new staff members to Hysham Schools. They are as follows: Ms. Emily Bavaro – Ag-Ed grades 7-12, Mrs. Lauryn Dannon – Special Education K-12, Ms. Olive Vetch – Head Cook, and Mrs. Jessie Walter – Mathematics 7-12. Mrs. Brooke Mitchell, who is currently a paraeducator, will be student teaching in our elementary starting in September.

It's awesome to see everyone back to school. Thank you for your support of Hysham Public Schools.

We're proud to serve the community of Hysham and Treasure County.

A couple of other needs as we proceed with this year and for future years are as follows. We need to recruit officials for our Custer-Hysham sports coop. The majority of the state has an extreme shortage of MOA officials for school sports. We have needs this year, and the future does not look promising. If you're interested, please call the school and we can get you pointed in the right direction. I really don't think "a call your own penalties/fouls" will work in most cases. We can't play the games without the

refs. Secondly, we are looking for bus drivers for both routes and activities. If you can help in any of these areas, that would be very much appreciated. Superintendent Willie Thibault

School in session

With Appreciation!

Thank you, Piper Robison, for providing all the espresso roast for our paper-annual fundraiser during StreetFest. She brought our club enough grounds to keep us brewing for quite a long while, and we appreciate it!

We still have some Pirate Brew mugs available if you are interested!

Notes

Yearbooks are on sale for \$35.00. Contact Ms. Skillen or stop at the office to purchase a copy. We will begin making the rounds with ad sales soon.

Please get **athletic fees** turned in. Practices have begun, and we have Rebel games coming up soon!

Free and reduced forms: Please fill out the forms even if you don't think your family will qualify. If you DO qualify, your child will receive meals at a reduced cost or for free. Additionally, submission of these forms can support the district in other ways such as Title I (reading and math support) and rural school funding/grants. Each application matters for support and opportunities for our district!

We welcome your submissions to *The Informant!* Please get them to a staff member or Ms. Skillen.

Shakespeare News

The TreasureBelles and Presbyterian Women recently donated to our fall and spring sessions with Shakespeare in the Schools. Their contributions are so appreciated! We are two thirds of the way to getting to the performance funded, and we are so grateful for our community that is helping to make this happen!

Latte Thursday!

Students and staff, please place your orders and pay by Wednesday afternoon. We are open from 7:30-8:05 for pickup. We will continue to offer both hot and iced lattes for now. We also have chai tea! If you would like to purchase a coffee card, we can hook you up and keep track of your punches.

REBEL ATHLETICS

High school practices began August 11, and we are already to game week! The Rebels have a home game this Thursday night in Hysham as JV and varsity volleyball take on Roy-Winifred. Football kicks off at home in Hysham on Saturday as the varsity team takes on Centerville at noon (please note, this is a change in schedule) while the Rebel volleyball team travels to the west to the Broadview-Lavina Tip-Off Tournament.

We always need volunteers to help us staff our home events. If you are interested in line judging, running chains, or helping out in a capacity in Hysham, please let AD Kerry Roberts know.
