Completion of the industrial arts building and adding the ninth grade made possible the creation of Industrial Arts programs. Judy Bradley (General Shop), Dennis Doty (Drafting), and James Bryan (Power Mechanics) were added to the faculty. Agriculture moved into new facilities and built

a greenhouse. Gilroy Brubaker was added to accommodate the large enrollment.

The Art department attempted to promote an appreciation of art through student production of objects. B. J. Sauls was the new faculty addition.

# ROTC Sparks Enthusiasm

Primary efforts of the ROTC staff are to mold students into responsible citizens and to ignite a spark of patriotism for their nation. The course also prepares students for a military career. Subjects related to the military, offered through this department includes Land Navigation and Rifle Marksmanship.

PVTC educates students who wish to begin working directly after graduation. Learning is not confined to the four walls of the classroom, but learning takes place also in the working world. Skills in plumbing, carpentry, and electronics are acquired.

As the class of Nineteen Hundred and Seventy-Seven, we were the first class to go through all three years in the new high school. We entered the halls as excited sophomores filled with pride and determination. With the help of the Seniors of 1975, we received honorable mention for a float carrying the theme of "Tame the Tigers."

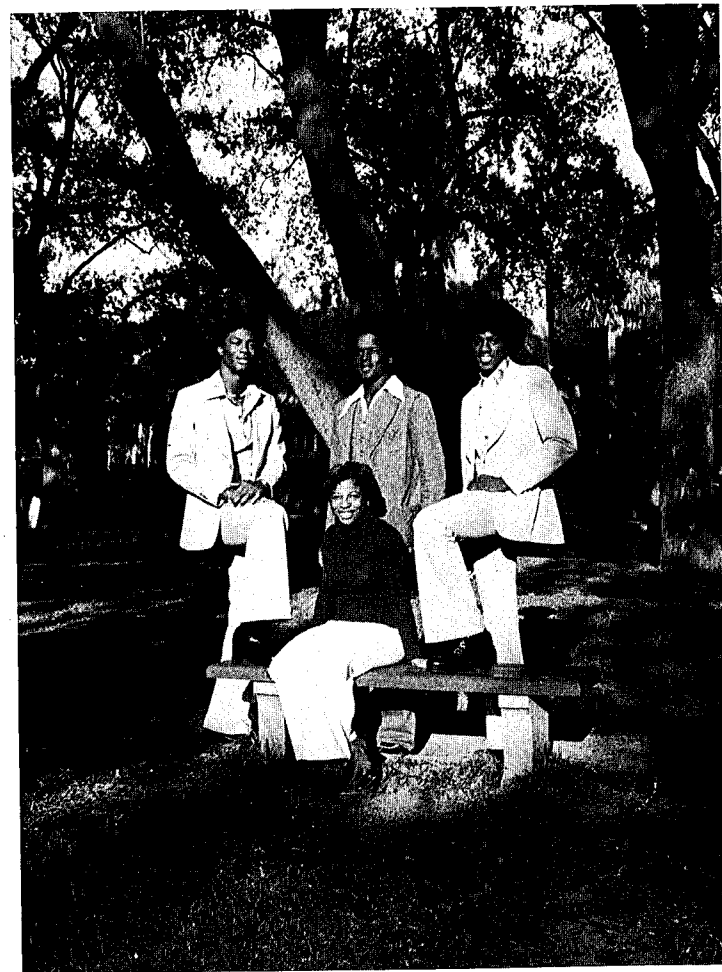

As juniors we began the year with a successful candy sale. Striving hard we built the second place float with the theme "Pickle the Pirates." Then came the traditional magazine sale in which we surpassed our goal of \$8600, giving the Seniors a memorable prom with a Hawaiian theme at the Sheraton Twin Towers in Orlando.

Then SENIORITY came . . .

Even though we received third place for our float with the theme "Barbecue Bartow," we kept our heads high with pride. The juniors gave us a fantastic prom! Dana Young and Mark Thomas were crowned as Queen and King.

As graduation tension mounted, each thrilled when that moment came; tears flowed and smiles spread over faces. That final moment of being a proud member of the Class of '77" brought emotions to the surface. A shake of one hand, a diploma in the other was a Senior's way of saying good-bye to 12 years of hard work. We realized how close we were to being on our own, facing the problems of "real life."

We're on our way!

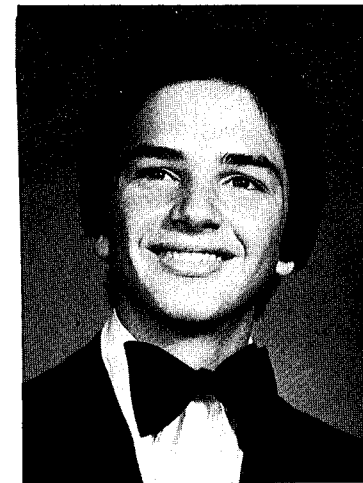

SENIOR CLASS OFFICERS: Gary Vause, Pres.; Greg Thomas, Treas.; Connell Johnson, V. Pres.; Freida Andrews, Sec.

MISS SENIOR, MR. SENIOR: Cathy Scruggs and Tim Pierson.

## Junior Energy Produces Super Stupendous Year

Enthusiasm was the key to the Junior class' success. With Homecoming, the Junior class beat down tradition and competition to win first place for their float entry in the parade. Junior representatives for homecoming were Lisa Torbert and Mike Morrow. During the magazine sale with sponsor Miss Rotsell, the class of '78 broke all past records, selling \$10,400 in magazines, newspapers and albums. Dedicated hours of work by class officers, sponsors (Mrs. Saul and Mr. Doane), and some juniors created a great prom in the Exhib-

ition Hall of the Sheraton Twin Towers Hotel of Orlando. To carry out the theme "Pieces of April," a park was created in the great hall complete with a giant real tree, fountain, picnic tables, wishing well, swings, see-saws, and girls in old-fashioned outfits from Cypress Gardens. Party favors were silver goblets stating the theme. Under the leadership of the outstanding officers and sponsors, the class accomplished all the goals they had set for themselves.

## Sophomores Win Spirit Chain Contest

Winning the spirit chain contest at homecoming was a high point for sophomores. Chains were a fund raising project as each link represented a dime contributed by the sophomores for spirit. Victory was sweet again when sophomores won second place in the float competition. A chief problem for the class was raising funds for expenses. A car wash, bake sale, and paying dues saw some members working hard or digging deep to fill the treasury.

## Freshmen Christened Baby Highlanders

FRESHMAN CLASS OFFICERS: (v. pres.) Chris Burch, (treas.) Karla Colson, (pres.) Jackie Robinson, (sec.) Tracy Fink.

Beginning the school year as the first ninth grade class in the new high school, the class of 1980 elected leaders who served as officers. They also elected Martha Borders as their Freshmen Representative for Homecoming Activities. Instead of a float in the Homecoming parade, the freshmen decorated a convertible M.G., piling it high with members of their class.

Assigned their own section in the gym, the Freshmen cheered the school on at pep rallies. The activity center walls displayed their creative spirit posters, also.

To end the year the club with sponsors, Mrs. Edith Peterson and Mr. Don Pratt, went on a tour led by Mrs. Helen Morrison down Tiger Creek.

# JROTC Inspection 'Well Done'

The highlight of the year was the program's annual inspection where the head of the judging team commented that the ceremony was "well done." Becoming a better citizen and a well-rounded individual are the basic purposes of the JROTC program. The Rifle, Drill and Color Guard teams were the major activities of the club. Participating in each home football game, the Color Guard served the school. Meanwhile, the Rifle and Drill teams competed in county and state-wide competition while also holding exhibitions for civic groups. The club performed for Memorial and Veteran's Day services. Marching in the Homecoming parade was another function of the club.

Highlighting the year was DECA's outstanding work on the homecoming float for which they captured a first place. Money collected from two donut sales and a candy sale supported the club. They attended several conventions and conferences including an Officers Training Conference in Orlando. Regular activities included a monthly breakfast meeting at which guest speakers told of

available jobs in the community. Employment was the major area which concerned the club, and at the end of the year, an Employer-Employee Banquet was held. A canned food and toy drive also proved successful when the club helped the needy at Christmas. A field trip to Disney World rewarded the club's year of work.

## Paint-In Wins!

Venturing to the Winter Haven Mall several times in October, CBE participated in a car paint-in. Members painted and decorated a Gremlin for which they received a second place ribbon and a cash award. A state leadership convention was held at the Sheraton Twin Towers in which members elected state officers. Money received from ushering at the Passion Play, two doughnut sales, a candy sale, and the paint-in, provided funds for the club's activities including a trip to see Holiday on Ice. The purpose of the club was to prepare the girls for work in business operations.

# D.C.T. = Action

Action is exactly the word for DCT. During football season, the members sold annual spirit ribbons. DCT also hosted several breakfasts, and Parents-Employers Banquet night. As a school

wide activity DCT sponsored the basketball, volleyball, and chess tournaments. In efforts to raise the club's treasury members participated in canned food drives, donut and candy sales. Field day was truly a success for DCT. Member James Hampton captured first in the bicycle race and Cathy Bondurant captured first place in the tricycle race for DCT for the third straight year.

Although going down to defeat in the Tug-of-War Contest, Serviteens tugged toward a successful year. Interclub activities were supported by the Serviteens as they held a Canned Food Drive and initiated a Spirit Contest in which the other three service clubs were invited to participate. "Hang Bartow" was the theme of the club's Homecoming float for which they captured a second place. The "Swat the Hornets" skit aroused spirit throughout

the student body during one of the first pep rallies. Members served their school and community when they held rummage sales benefiting St. Jude's Research Hospital and Operation Bookstrap. Working at Passion Play was the club's prime money-making endeavour. After all the hard work, the Interact members joined the Serviteens on a trip to River Country. A party honoring the senior members capped the year.

attending area art shows. Beacon members enlivened their surroundings wherever they went - caroling in resthomes, or even an area car wash. Jack Hamrick was chosen as 1976-1977 Peerless Penguin.

Selling Beat Tags, Halloween insurance, and working at V.F.W. Bingo were some of the club's endeavours for raising money. Key Club was very

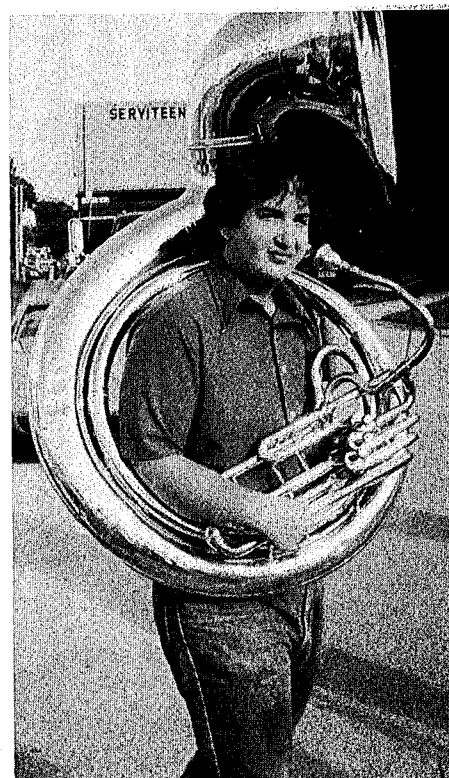

instrumental in sponsoring a Cut-a-thon (lawn and hedge trimming) for Cerebral Palsy. In the spring, members demonstrated their driving abilities as they parked cars for the Ben Hill Griffin Golf Tournament. A leadership banquet for new officers and for parent appreciation was held at the end of the year at the Episcopal Church Hall.

## King and Queen Crowned at Prom

The innovative juniors added a new interest in the prom by having the chaperones choose a King and Queen. To be eligible the candidates had to be seniors attending prom together. The chaperones chose Mark Thomas and Dana Young as King and Queen of prom.

For the theme "Pieces of April," flower carts, picnic baskets and an oak tree gave the juniors, seniors and their dates a feeling of the out doors. The prom began with the president of the junior class, Anthony Polston, welcoming guests. Gifts to Mr. Doane and Mrs. Sauls showed the appreciation of the junior class for their hours of hard work. After the excellent band was introduced as the "6," the theme song "Pieces of April" was played. Each guest received a beautiful silver goblet as a favor.

Refreshments included party sandwiches, dips, nuts and punch. Flash bulbs popped as many tried to capture on film the memory of a memorable evening. The prom of 1977 was a success.

# Prom Theme: Pieces of April

April gave us Springtime,  
And the promise of a flower.  
And the feeling  
That we both shared,  
And the love  
That we called ours.

We knew no time for sadness,  
That's a road  
We each had crossed.  
We would live in our time  
And even when it rained

We would laugh it off.  
I've got pieces of April,  
I keep them in a memory bouquet  
I've got pieces of April,  
But it's morning in May.

## Seniors Climb Steps Picnic, Play Games

During senior week, the class of '77 followed the traditions of past seniors. Two groups visited the Bach Singing Tower, a place of great beauty. This was an unusual visit because seniors were led to the top of the tower. The view from the top is inspiring. Lakes and groves stretch out to the horizon. The carillon bells are one of the wonders of the world. At a picnic in Crystal Park, seniors played games. Winners received trophies on Awards Day.

### The State Of Mind

If you think you are beaten, you are;  
 If you think you dare not, you don't,  
 If you like to win, but think that you can't  
 It's almost a "cinch" that you won't.  
 If you think that you'll lose, you've lost;  
 For out in the world you'll find  
 Success begins with a fellow's will..  
 It's all in the state of mind.  
 For many a race is lost  
 Ere even a step is run;  
 And many a coward fails  
 Ere even his work's begun.

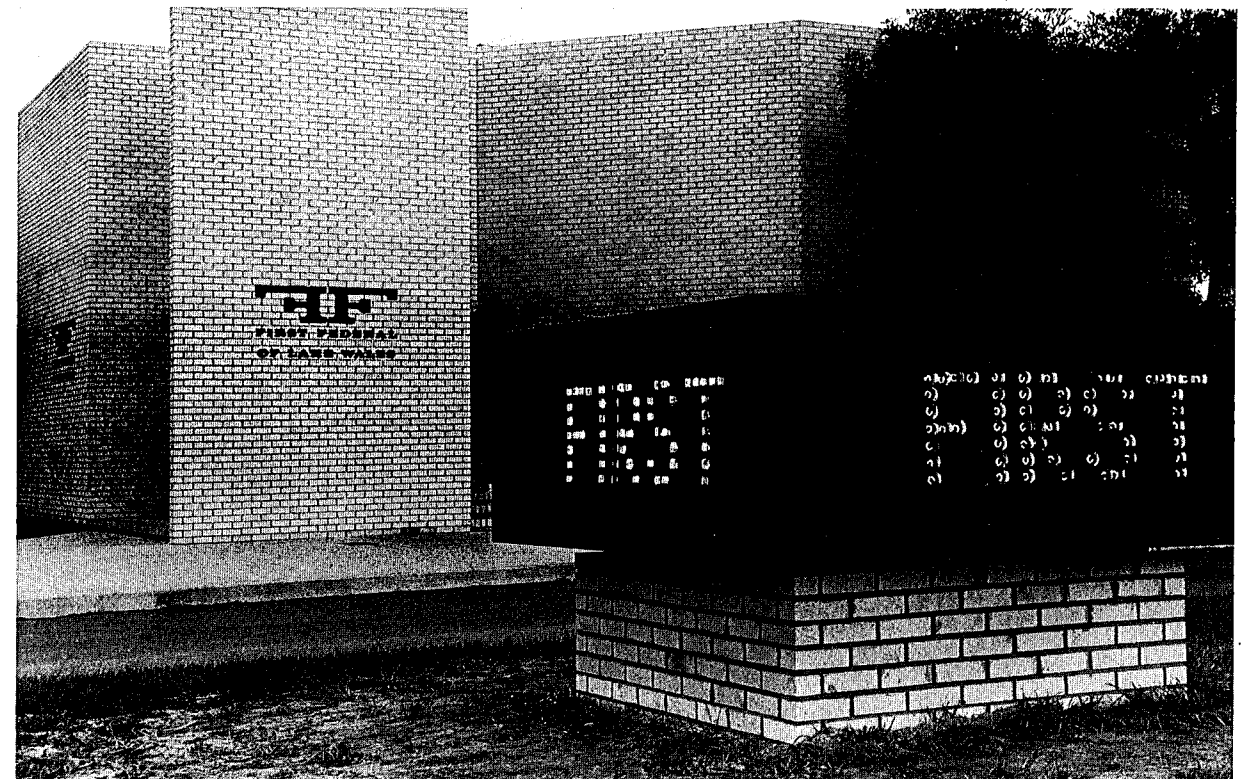

Think big, and your deeds will grow;  
 Think small, and you'll fall behind;  
 Think that you can and you will...  
 It's all in the state of mind.  
 If you think you're outclassed, you are;  
 You've got to be sure of yourself before  
 You can ever win a prize.  
 Life's battles don't always go  
 To the stronger or faster man,  
 But soon or late the man who wins  
 Is the fellow who thinks he can..Anonymous.

# Crown Jewel

With dedication, cooperation, and tremendous efforts, the 1976-77 Crown Jewel Staff put together this book to capture the memorable events of the fantastic year of 1976-77. As an introduction to the yearbook, the staff produced a skit for your entertainment, and then we held a contest between the classes to see what class would buy the most books. The class of '77 was the winner. We used as our motto for the year "A yearbook saves your life." We hope that in some small way we have been able to fulfill this motto.
