VANDALISM

Faculty, staff, students, and members of the police department are urged by the Board of Trustees to cooperate in reporting any incidents of vandalism to property belonging to the North Country Charter Academy and the name(s) of the person or persons believed to be responsible. Each employee of the school shall report to the Principal every incident of vandalism know to him or her, and, if known, the names of those responsible.

The Principal is authorized to sign a criminal complaint and to file a formal request to the court for restitution for property damaged as part of any criminal action brought by the police.
