Mrs. Chandler | Week 11 October 15-19

What We Are Learning

Reading: I can identify the author's point of view and the text details that support it. I can explain how one's own point of view is the same as or different from the author's. I can understand different things that people do to protect sea animals.

Math: I can decompose large rectangles into smaller rectangles then add two smaller areas together to find total area. I can relate distributive property as a strategy to find the total area of a large rectangle by adding two products. I can fluently multiply/divide within 100 (focus on 0-7,10).

Language: I can identify and use concrete and abstract nouns in a sentence.

Writing: I can research and write an information piece.

Homework

Homework sent home Monday 10/13.

Please study multiplication facts (7s) and spelling words nightly!!

Student Birthdays

10/2- Deon
