

Southern Local Virtual Tutoring/Homework Help Sessions

Virtual Tutoring/Homework Help is available beginning the week of November 29 through December 22. New dates and times will be posted following Christmas Break. Please join the session that best fits your needs. If you have any issues joining, please email the teacher facilitating your session. To access Google Meet, a student would log in to their Google account, go to the waffle shape in the top right and select Google Meet, then select join and they would enter the code for the session they want to join.
