

Westhills Elementary School Continuous Improvement Plan for Fiscal Year 2022

Westhills Elementary School

Vision

Our school's vision is to see each student excel academically and become a productive citizen.

Mission

Shape responsible, self-motivated life learners making wise choices and honing skills & character for fecund residency.

Beliefs

The education of a child is the responsibility of the student, family, school and community.
High expectations and challenging objectives produce responsible, self-motivated students that become successful, self-directed learners.
A structured and safe environment helps to promote self-discipline.

High quality instruction

Objectives

- To increase student academic growth in all content areas

Critical Initiatives

- Provide more opportunities for students to learn utilizing phonics/phonemic awareness, scaffolding/differentiation models, and whole/small group instruction.
- Use of formative assessments to check for understanding during each lesson and make adjustments to instruction
- Use of EL Support Strategies/Cooperative learning in the general education classroom
- Teachers are provided common planning time to build lessons and develop teaching materials so that students can learn

Professional Development

Objectives

- Prepare & adequately equip faculty and staff with necessary skills and strategies

Critical Initiatives

- Provide professional development to allow teachers to implement personalized student learning through district and state initiatives.

Parent Engagement

Objectives

- Promote student growth and parental engagement within the educational process

Critical Initiatives

- Parent communication through school activities, websites, newsletters, syllabus, electronic communication
- Parental engagement through annual district meetings, monthly school wide meetings and school level activities
- School-Parent Compact which provides shared responsibilities between the parent, the school and the student
