Dear Families of Kings Chapel Cougars:

The 2025-2026 school year is here! On behalf of the Kings Chapel Elementary staff, I would like to welcome everyone to a school year filled with exciting learning experiences and fun events that are sure to make this year special. We are committed to providing the best possible learning environment for our students and will do our best to make our Kings Chapel community proud of our school. We are excited to welcome many new families to our school and cannot wait to meet all our new Cougars!

At Kings Chapel, we value communication with all our families. We strive to provide information in a variety of ways including weekly Monday night phone calls from me, a monthly school newsletter, and Wednesday folders. You can also keep up with important school news through Facebook, Instagram, our school website, and the new Houston County School District Mobile App.

Many opportunities for families to get involved will be offered throughout the school year. School Council meeting dates will be posted on our website, and our PTO is always looking for volunteers. Events such as holiday lunches, Green and Gold Honor Roll ceremonies, Holiday Extravaganza, Academic Open House, and Field Day are all opportunities for families to join us at school.

This year, our slogan is "It is a great day to be a Kings Chapel Cougar!" and reflects our pride in our school. We will continue our emphasis on literacy and reading at Kings Chapel as it is foundational to all learning. As always, you can help by reading to your child at home, talking with them about the books that they read at school, and encouraging your child to achieve their reading goals. It is going to be a great year! Thank you for your support of Kings Chapel!

Sincerely,

Shelley Shillcutt

Principal
