Updated-High frequency word list

Events

March 20th: Silverwood Reading Logs Due!

March 25th-26th: Parent Teacher Conferences

March 27th: In-Service; No School

March 30th-April 3rd: Spring Break

Our Learning

Reading Skills Block: We will be working on a segmenting words and isolating the beginning, middle, and final sounds with a reminder of our digraphs. We will learn 3 new high frequency words this week which will be 'of' 'have' and 'from'.

Reading Module Block: We are going to become tree experts. Groups of students will research a different type of tree. They will work together to research and write an informative piece on their tree and create a collage of their tree.

Math: We are going to keep looking at subtraction this week.

Science: We will continue our new unit becoming engineers as we learn about force. We will use this research to create a classroom pinball machine.

Teacher's Note

Book Orders Due TODAY by the end of the day! 3/17/2025

PLEASE remember if you're turning in a Silverwood Reading Log it **MUST** have a **parent signature on every page** or it will not be valid for a free ticket!
