--------------------	---

Job Description: To educate students on various aspects of health science, including healthcare careers and basic clinical skills. This role involves hands-on content, delivering engaging instruction, and preparing students for careers in the healthcare industry.

Responsibilities

- Report for duty at least fifteen minutes before the opening of school and remain at least ten minutes after the close of school
- Meets and instructs assigned classes in the locations and at the times designated.
- Establish and maintain appropriate discipline in the classroom and assist staff in establishment and maintenance of discipline in the school environment.
- Implement safety procedures for any laboratory or hands-on activities.
- Plans a program of study that, as much as possible, meets the individual needs, interests, and abilities of the students.
- Provide hands-on training in first aid, CPR, patient care techniques, and medical assisting.
- Prepare students for healthcare certifications (e.g., Patient Care Technician (PCT), CPR/AED Certification).
- Develop partnerships with hospitals, clinics, and healthcare facilities for internships and job placements.
- Utilize simulated labs, technology-based learning, and real-world scenarios to enhance student experience.
- Ensure compliance with state education and healthcare training standards.
- Creates a classroom environment that is conducive to learning and appropriate to the maturity and interests of the students.
- Prepares for classes assigned, and shows written evidence of preparation upon request of immediate superior.
- Assess student progress through tests, assignments, and hands-on demonstrations.
- Incorporates real-world applications and problem-solving skills into the curriculum.
- Maintains a professional relationship with students, treating them as persons worthy of respect and dignity.

- Assess the accomplishments of students on a regular basis and provide progress reports as required.
- Reports possible learning disabilities of students on a regular basis, seeking the assistance of district specialists when required.
- Encourages students to set and maintain standards of classroom behavior.
- Establishes objectives and plans learning experiences aligned with the state course of study.
- Implements activities using a variety of techniques that utilize instructional time to meet objectives.
- Be familiar with and adhere to school system rules, administrative procedures, local Board policy, and State and Federal rules and regulations as it relates to the teaching position.
- Maintains accurate, complete, and correct records as required by law, district policy, and administrative regulation.
- Assists the administration in implementing all policies and rules governing student life and conduct, and, for the classroom, develops reasonable rules of classroom behavior and procedure, and maintains order in the classroom in a fair and just manner.
- Makes provision for being available to students and parents for education-related purposes outside the instructional day when required or requested to do so under reasonable terms.
- All teachers participate in extracurricular activities as mutually agreed upon by faculty and administration.
- Engages in professional growth and development activities.
- Be regular and punctual in attendance.
- Maintains confidentiality of any school system related information.
- Maintains proper and professional relationships with other employees.
- Performs duties in a manner that promotes good public relations.
- Perform other related duties during school necessary to the safe and effective operation of the school when requested by the principal.
- Uses correct grammar in written and oral communications.

Working Environment

The usual and customary methods of performing the job's functions require the following physical demands: some lifting, carrying, pushing, and/or pulling; some climbing and balancing; frequent stooping, kneeling, crouching, and/or crawling; and significant fine finger dexterity. Possess physical and emotional ability to lift up to 50 pounds, to move about, and climb ladders as required to perform tasks associated with job requirements. This job is performed in a generally clean and healthy environment.
