

Dismissal Reminders

Thank you for your patience and understanding during our dismissal!
We have a much larger group of car riders this year. With your help, we can make dismissal smoother and quicker. Please remember the following:

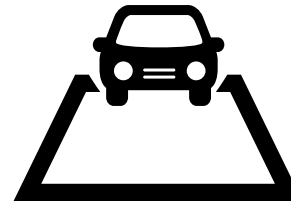

Pull all the way forward in two lines. Students are taught to go up the sidewalk to meet you.

Do **NOT** pass a bus.

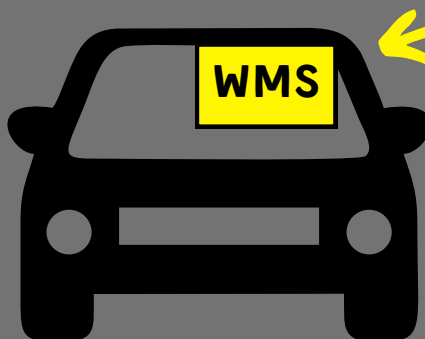

Let us know if you need multiple placards.

If your student does not come out, let a teacher know and pull into a parking spot at the end of the line.

For student safety, you **MUST** have a yellow placard in the car rider line. Starting Monday, you will be sent to the office to pick up students if you do not have the placard.

For efficiency, place placards on visors with a rubber band. We cannot see placards placed in the dash.
