

# Resiliency Story Times

Beginning in December, Dr. Tedder will be having story times with elementary students at the LCPS elementary school's libraries.

These story times will teach our young students about resiliency factors such as:

- Using your imagination
- Building Self-Confidence
- Problem-Solving
- Developing Grit
- Establishing Positive Connections

December 2024's Story

This is my favorite picture book of all time!

It tells the story of Wesley and how through his imagination and some special seeds, he is able to create his own magical world in his backyard.

In the story, Wesley overcomes bullies, creates amazing inventions, and make friends...even if he is a little different than most kids.
