

SC Principal's Weekly Update 2-6-23

Steven Campbell • 16 minutes ago • Monday, Feb 6 at 3:43 PM • Santa Maria High School

Good afternoon parents and students, as you can see below, there is a lot going on at SMHS right now. At this time of year our counselors are busy registering students for next year's classes and assisting seniors with completing financial aid applications (FAFSA). Winter sports are finishing up their successful seasons while spring sports have started practices in preparation of their upcoming season. We are very excited to announce that this coming weekend we will be resuming our traditional Sadie Hawkins Dance after a four-year lapse. And, though hard to believe, our seniors have begun making plans for their graduation ceremony. The spring semester always goes by quickly as there are so many events and activities. It is important to enjoy the many offerings that high school life has to offer, but nothing is more important than keeping up with your studies. Manage your time wisely students, work hard and play hard is the key to getting everything you can out of the SMHS experience. Have a great week!

Sincerely,

(Steve Campbell, Principal SMHS)

From Curriculum and Instruction: (Asst. Principal, Ms. Pallan)

Last Thursday the counselors welcomed the class of 2027 and their parents during an informational meeting. The meeting offered during two different times slots and in two facilities of our campus were filled to capacity. It was exciting to see the energy and enthusiasm showed by these students. The parents are committed to building strong partnerships with the school and we are excited to welcome them into our Saints Family.

From the Office of the Dean: (Jules Manfreda)

- Random tardy sweeps will continue the week of 2/6/23. Please remind your students to be on time for class.
- For the safety of our students, the Santa Maria Park Rangers will be present Monday through Friday after school at Buena Vista Park. We appreciate the support of the SM Rangers Office in helping to keep our students safe.
- We are in the process of making sure that every student on campus has a valid school ID. Students are required to present their IDs when arriving on campus. Every student will receive their first ID for free. Students that lose their ID or do not present their ID after having received one will be charged \$3 for a replacement.
- Student tutoring is available Monday – Thursday both in the mornings and the afternoons. Currently there is no afternoon math tutoring. We are looking for Math tutors to help with the afternoon Math session. I will update the schedule as soon as I find a replacement. Remember **tutor.com** is available to our students 24/7 and can be accessed from their CANVAS page.
