SCHOOL COUNCIL POLICY

District: Christian County

School: Hopkinsville Middle School

Council Policy Type	Policy Number
<u> </u> By-Laws (Council operational policies)	
<u> X </u> Function (School Operational Policies)	

<p><u>Policy Topic Description</u></p> <p>Technology Utilization, Implementation, and Program Appraisal Policy</p> <p>KRS 160.345(2)(i)10</p> <p><u>Policy Statement</u></p> <p>This policy is intended to act as a guide to assess, plan, and make decisions regarding utilization, implementation, and program appraisal of in Hopkinsville Middle School.</p>

One of the standing committees (Leadership or Curriculum) will complete a needs assessment, every other year on the usage, implementation, and future needs of students with regards to technology at Hopkinsville Middle School. That committee will report to the council yearly.

The committee shall:

- Assess the needs of instructional and administrative technology.
- Review the state and district plan for educational technology.
- Review and identify available resources in order to purchase new technology.
- Review and or revise the current technology plan.
- Monitor implementation of the plan.
- Align curriculum programs with state standards in technology.

Progress Monitoring:

- The committee will meet twice yearly and report to council on findings.

POLICY EVALUATION

We will evaluate the effectiveness of this policy through yearly state assessment results with the entire faculty with update reports to the council.
