3rd Grade Virtual Snow Day Learning Menu

Dear Parents/Guardians,

Due to a school closing for weather or other unexpected circumstances, we will have a virtual learning day. I will be available for questions or comments. You can contact me through school email or by leaving a message on my school phone.

On the reverse side of this letter you will find the 3rd grade learning menu. Your child is required to complete and turn in **one** activity under each column (Reading, Math, Spelling, Science/Social, Music, PE, Art). They can choose the free space only once. They will have 5 activities to complete. Once they have completed an activity please initial (parent or caretaker) in the corresponding box. Please keep this letter and learning menu in your child's binder.

Have your child return the assignments to school within 3 school days. Not all assignments (IXL, readtheory, etc.) will have an assignment to return.

Please contact me if you have any questions throughout the day. Thank you for your assistance at home with these assignments.

Thank you,
