District/LEA Comments

Please be advised that District are required to completed the Supplemental Instruction section regardless of having Title funded staff or not. Us completing that section does not indicated that we have staff funded in those areas. In our case, we are using Title dollars to support those areas of instruction. Again, this section is required, and the plan cannot be saved without completing this section, and IS NOT an indication that we have staff funded in those areas.

DESE Comments

3/9/26 - WB - The comprehensive needs assessment and schoolwide program plan should show all title-funded staff in each building, regardless if they utilize supplemental instruction or not. Any FTEs on the Title I.A Budget Grid & Supporting Data Page must be assigned to at least one building which are indicated by the School-Level (Building-Level) plans. This is also tied to the LEA's Title I.A LEA Plan, which had previously listed multiple areas of supplemental instruction for the district.
