## Highlights from Letters to Power 88

- This year instead of a gift, my brother asked me to donate to Power 88 in

Mobile. His entire family listens to it and gets great joy out of it. I am proud of my brother and am glad to give as he requested.

- Thank you for shining the light of God! You are my family's daily reminder that God shelters us, loves us, knows every trial we face – and carries us through when we feel we can't go on. Thank you for being there for us. - Foley, AL
- This station really lifts me up every day! Each time I get in the car, I just am pumped up even more about the Lord and his love for me! Thanks guys!  
Meredith - Mobile AL

# *Power 88 weeknights 7-12PM*

Some families have already seen their first day of school, while others don't return until after Labor Day. No matter when the first day of class is, it can come with the stress and anxiety of the unknown. Change of teachers, separation from friends and the unknown of what will come. Sissy Goff is a child counsellor with a book called "Raising Worry-Free Girls." Sissy has some tools to help you walk through this time, and it starts with having a good game plan.

We're walking out life by your side, holding the hand of the One who is the giver of life! Join us weeknights for encouraging stories and insights on how to navigate the day-to-day! All of this and phone calls from our kingdom family from around the country.

That's what do at **"Keep the Faith with Penny!"**
