OLD BUSINESS

A. Capital Projects

Capital Projects – Dr. Griffith stated we currently have several projects that we are working on. We have the AG buildings at Marion County High School and Whitwell High School, and also the greenhouse at South Pittsburg High School. We do have two reroofs that are out for bid which include South Pittsburg Elementary School and Marion County High School. He added we also have the theater project at Whitwell High School that we are working on. Dr. Griffith stated there are some warranty items we are finishing up on at Jasper Middle School.

Dr. Griffith gave a brief follow up in regards to the flood zones for Jasper Middle School and Jasper Elementary School that was mentioned at the last board meeting. He stated there is a portion of the property that is considered to be wetlands at Jasper Middle School. The building itself is not located in the flood zone. We are currently in the process of working with the building inspector and rebutting the issue in regards of having to

purchase flood insurance. Attorney Raines stated all of our school buildings have been built above the 100-year flood elevation. He added FEMA is reissuing maps, but they have not been released yet. Attorney Raines stated he has been given the preliminary report from the Town of Jasper, and none of the Jasper schools will be affected by it. Mrs. Blansett asked if we have flood insurance for any of our schools. Dr. Griffith concurred. Mrs. Blansett asked if the flood insurance covered the damage after the last flooding at South Pittsburg Elementary School. Dr. Griffith stated some of the damages were covered, but not all of them.

Chairman Phillips stated he had been given a map from Mayor Turner in regards to the location of the flood zone areas surrounding the Jasper Elementary School and Jasper Middle School. He stated the maps show we did not build our schools in the flood zoned areas, they were built above them. Dr. Griffith agreed and stated we also have annual inspections every year from TDEC in regards to the wetlands.

Mr. Philips introduced Mr. Jagger Gilliam, a member of the Student School Board Advisory Committee. He added the Board was looking forward to some opinions from the committee. Dr. Griffith stated we did reach out to the other two members and there was a conflict in their schedules. He added hopefully they will be able to make it for the December meeting.

Chairman Phillips stated the next scheduled board meeting is Monday, December 8, 2025 at 5:00 p.m. All agreed.

With no further business before the Board, Mr. Phillips asked if there was a Motion to Adjourn. Motion by Mr. Billingsley, seconded by Mrs. Blansett, unanimous.

RE: LEA Compliance Approval

Please approve the attached 2025 LEA Compliance Report. Marion County is in compliance with all federal and state education laws and SBE rules.

TN Department of Education

2025 Local Education Agency Compliance Report

Local education agencies (LEAs) are required to comply with all federal and state education laws and State Board of Education (SBE) rules. This annual compliance report is one mechanism the department uses to ensure education laws and rules are faithfully executed. The commissioner of education is charged with taking corrective action when an LEA is noncompliant with those laws and rules or is not following a department-approved compliance plan.

Each LEA must submit this report and, if applicable, the corresponding corrective action plan, to the department by **November 28, 2025**. During completion, an LEA should carefully check the status of its compliance with all federal and state education laws and SBE rules. The department monitors and verifies LEA compliance via multiple data sources (e.g., Education Information System, internal program managers) and will consider those sources in making a final determination of an LEA's compliance. Please be advised annual compliance report data may inform an LEA's approval classification.

- [x] I certify that the LEA is in compliance with all federal and state education laws and SBE rules.
- [ ] I certify that, with the exception of areas indicated in the **attached corrective action plan**, the LEA is in compliance with all federal and state education laws and SBE rules.
