Student Successes:

DPS:

Alliance for a Healthier Generation has named DPS one of America's Healthiest Schools in the categories of Supporting Health Services and Enriching Health Education for 2026.

DMS:

August 28, 2026

6th Grade

6B's Trojan of the Week is someone who has already made a great impression on us. They have jumped right in, made connections, and shown us what it means to be a Trojan. This student is respectful, helpful, hardworking, and always brings a positive attitude to school. They are the kind of person who is willing to lend a hand, works hard even when things are challenging, and treats the people around them with kindness and respect. Their happy personality and willingness to be a part of our school community have made them a joy to have in the classroom. They have also gotten involved outside of the classroom as a member of our

6th grade football team. We love seeing students represent our school both in the classroom and out, and this Trojan is already doing just that! It has been wonderful watching this student settle into our school and show, in such a short amount of time, what a great Trojan looks like. We are so glad they are part of our 6B family, and we can't wait to see all of the wonderful things they will accomplish. 6B is proud to recognize Gabe Garrigus as our Trojan of the Week.

7th Grade

The beginning of the school year is always full of excitement: learning new names and faces, finding a groove, and getting back in the swing of things after 2 months of summer. While a new year brings lots of changes, one thing remains the same in 7B and that's our motto that "B means Best." And our first Trojan of the Week has shown just that. Loranzo "LJ" Johnson has come in ready to work, not just on the football field or basketball court, track, and Beta Club, but also in the day-to-day moments and habits that have started his year out with success. LJ is always prepared for class, works hard, is a quiet leader in our team, and is a friend to all. We cannot wait to see how he continues to work hard toward his goals this year in 7B. Congrats, LJ! We are so proud of you!

8th Grade

Our Trojan of the Week for August 28, is a hard worker and kind to his teammates on the football field and in the classroom. He exemplifies leadership in and out of the classroom as a student who advocates for himself and others showing his interest in classroom discussions and classroom work. This student is ready and willing to participate in every class no matter what the topic or subject is. He is encouraging of his classmates and peers and we are so very proud to have him in 8C. We are proud to call Walker Keiser our Trojan of the Week.
