

2026-2027
Course Catalog
& Student Handbook

MESSAGE FROM THE DIRECTOR

On behalf of Superintendent Thomas Register and the members of the Washington County School Board thank you for your interest in the Florida Panhandle Technical College (FPTC).

We offer a wide variety of programs intended to meet the goals of individuals preparing for various careers. Providing outstanding training for our students has been a focus for over 50 years. The mission of FPTC is to provide students with instruction in academic and technical training at competency levels, or above those required for employment and advancement in existing or potential occupational fields.

Please review our Course Catalog and Student Handbook and if you need additional information, please feel free to contact Student Affairs at (850) 638-1180, ext. 6317.

This institution has provided life-changing experiences for many individuals in our area for many years and we plan to continue this tradition for years to come.

If I can be of assistance, please call or stop by the office. Thanks again for considering enrolling at Florida Panhandle Technical College

Sincerely,

Thomas Lee, Director

Florida Panhandle TECHNICAL COLLEGE

Any concerns or issues that you may have at Florida Panhandle Technical College should be addressed to:

Assistant Director
Belinda R. Collins, B.S. M. Ed.

Superintendent Washington County Schools
Thomas Register

MISSION STATEMENT

The mission of the Florida Panhandle Technical College is to provide students with instruction in academic and technical training at or above competency levels required for employment and advancement in existing or potential occupational fields.

GOVERNANCE AND ACCREDITATION

Florida Panhandle Technical College is governed by five (5) elected officials who constitute the Washington County School Board. The elected district superintendent is the chief administrative officer of all schools in the district. The Technical College's director has the primary responsibility for the operation of the school.

Florida Panhandle Technical College, as an integral part of the Washington County Public School System, is subject to certification standards for its faculty that are equivalent to those required in other public supported schools. Instructors are experienced in their respective fields and maintain high standards of instruction.

The College's faculty members are certified by the Florida Department of Education and/or the Washington County School Board on the basis of their technical qualification, actual work experience in the occupation they teach, and professional training as teachers. Thus, they must have technical competence as well as professional teacher training.

The Technical College is served by a general advisory committee whose function is to advise and make recommendations to the director concerning the curriculum, equipment, operation, and goals of the Technical College. Committee members are selected for their interest, experience, and other qualities which enable them to make worthwhile contributions to the community. In addition, each program is served by a craft advisory committee which is composed of men and women who are employed in the field or trade represented by the program. These people are of invaluable service in evaluating programs, keeping instructors abreast of current industrial needs and technological needs as they pertain to job skills and job placement.

The Florida Panhandle Technical College is a public institution of the Washington County School Board, certified by the Florida State Department of Education and accredited by the Commission of the Council on Occupational Education.

GENERAL INFORMATION

HISTORY

Florida Panhandle Technical College (FPTC) was established in 1967 as Washington-Holmes Area Vocational Technical Center, to meet the vocational education needs of Washington, Holmes, and surrounding counties. Today, as vocational education has evolved into career and technical training, we celebrate a re-branding into a technical college providing workforce training to support the Florida Panhandle.

CAMPUS AND FACILITIES

Main Campus
757 Hoyt Street
Chipley, FL 32428

Extension Campus
Interior Décor Fabrication
680 2nd Street
Chipley, FL 32428

Extension Campus
Commercial Vehicle Driving
661 Rustin Drive
Chipley, FL 32428

Instructional Service Center, Wausau
Public Safety Firing Range
2238 Mud Hill Rd
Chipley, FL 32428

LOCATIONS

The main campus of Florida Panhandle Technical College is located on the west side of the city limits of Chipley, Florida. It is accessible from U.S. Highway 90, State Highway 77 and Interstate-10. The campus consists of 26 acres and 116,16 square feet of buildings.

The Interior Décor Fabrication class is approximately one mile north of the main campus, in the historical CHS Building.

The Commercial Vehicle Driving Training Program is located one mile north of the main campus at 661 Rustin Drive, Chipley, Florida, and consists of two (2) classrooms, offices and chain linked maintenance area.

The Public Safety Firing Range is located approximately eleven (11) miles South at 2238 Mud Hill Road in Wausau, Florida. All instructional programs have spacious classrooms, laboratories and well-equipped shops to provide safe and orderly instruction.

SERVICES/POLICIES

STUDENT SERVICES

Student Services is available to provide resources to students. The staff is available for counseling to assist students to obtain a realistic understanding of their strengths and weaknesses, provide complimentary program choices, as well as assist students understand how to obtain federal, state, and local financial assistance.

TESTING CENTER/PEARSON VUE TESTING CENTER

The Pearson Vue testing center has been established and is maintained to fulfill various assessment and enrollment needs of students. The Test of Adult Basic Education (TABE) and CASAS are offered as general academic achievement test administered to determine a student's educational grade level.

Additionally, the General Educational Development (GED) test is administered in the Pearson Vue Testing Center. Tests are scheduled through the testing provider or Student Services.

ADMISSIONS

ADMISSION POLICY

Individuals 16 years of age and older may apply for admissions at Florida Panhandle Technical College (FPTC).

The Florida Panhandle Technical College is committed to a policy of nondiscrimination in employment and education opportunity. No person shall be discriminated against or harassed in any educational program, services or activities, or employment conditions or practices on the basis of race, color, national origin, religion, sex, age, disability, marital status or sexual orientation.

FPTC assesses all students will be tested, unless exempt, to determine their ability to participate and benefit through placement testing and counseling. Based on assessments, services or referrals are provided to help prepare students for successful participation in adult education for those with limited English proficiency, or vocational training.

Applicants may be denied admission if their enrollment is perceived as a safety concern relating to the welfare of staff and/or students at Florida Panhandle Technical College. (F.S. 1001.42(8) (a), 1001.42(19) (a), 1001.43(1), 1006.07).

Applicants who have been expelled from any school program, have withdrawn or been withdrawn from a district or school program to avoid disciplinary action will be considered for enrollment at FPTC at a minimum of one (1) year after the withdrawal date. (F.S. 1001.43(1) (e))

Admission applications or residency statements submitted by or on behalf of the student that contain false, fraudulent or incomplete information may result in denial of admission or dismissal from the technical college.

All initial applications accepted are on a probationary status. Applicants who are denied admission may appeal to the Director of the Technical College, Washington County Superintendent, and Washington County School Board. Student grievance procedures and forms are available in the Student Handbook section of this document.

ADMISSION PROCEDURE

- Obtain Application packet
- Complete on-line application
- Test for Basic Skills (unless exempt)
- Make Payment or verify payment methods

Application packets are available from Student Services during office hours. Applications and Florida Residency Forms are accepted when application is complete (partial packets will not be accepted). Applicants holding a standard high school diploma must pay for their non-refundable processing, parking, or other applicable application/registration fees. FPTC does not accept checks for such payments. *Other documents may be required in addition to these set forth below.
Admission Policies of FPTC, persuant to Rule 6A-10.0245, F.A.C., please be aware of the following admission requirements fo Post-Secondary, Career Certification, Technology Diplomas, Apprenticeship Programs (if offered), Dual Enrollment, and some AAS or AS degree programs:

A Student must be:
- Lawfully present United States citizen;
- Satisfy programmatic admission requirements;
- Reasonable accommodations for religion;
- Reasonable accommodation for disabilities; and
- Non-discriminatory against race, color, national origin, sex, disability, religion or marital status

REQUIRED DOCUMENTS*:
- Application-Complete
- College and Career Readiness Scores (PERT, ACT, SAT, or TABE) or Exemption (FL Standard Diploma after 2007)

• FL Residency Form with 2 proofs of documentation
• Probationary Contract
• High School or Equivalent Transcript
• Transcripts from all postsecondary institutions
• If applicable Photo ID •
• Method of Payment
• Complete Testing Requirements within first 6 weeks of enrollment**

ENTRANCE EXAM

Applicants must take an entrance exam (i.e.: TABE, CASAS, PERT, etc.) unless exempt with other scores or degrees. The exam is administered on campus, at 8:00 am, on scheduled dates. Applicants must preregister with Student services for the exam. **Some teachers will review scores before program acceptance. FPTC requires that applicants take an entrance exam or show documentation of exemptions or scores demonstrating math, language, and reading to meet the required levels for their chosen program, to enter the program. Those with basic skills below state requirements must enroll in a remediation program until academic levels are met.

DETERMINE FINANCIAL AID STAFF IF APPLICABLE:

While completing registration requirements, applicants may need to meet with Financial Aid staff. FPTC requests all students complete a FAFSA to ensure that any financial opportunities are explored.

COMPLETE REGISTRATION PROCESS

All admission requirements must be met, and all outstanding fees must be paid to complete registration. Applicants will pay tuition and appropriate fees at the Business Office. Enrollment for credit will not occur until all admission and fee obligations are met. NO ENROLLMENT WILL BE PROCESSED WITHOUT PAYMENT DETERMINATION.

BASIC SKILLS AT EXIT

Section 1004.91, Florida Statute (F.S.) and State Board of Education Rule 6A-10.040 mandate that students who enroll in a program of 450 hours or more "*may not receive a career and technical certificate of completion without first demonstrating the basic skills required in the state curriculum frameworks for the career education program.*" FPTC provides opportunities on campus for students to demonstrate basic skill requirement through the Test of Adult Basic Education (TABE) and the Postsecondary Education Readiness Test (PERT). In some cases, other tests may be available. The Florida Department of education has placed basic skill levels on all programs in the curriculum frameworks. The minimum ACT, SAT, or PERT scores are set forth in Florida Rules 6A-10.040 and 6A-10.0315. All placement scores are valid for a period of up to two (2) years. No student is exempt from this rule because of language deficiencies; however, alternative options may be applied.

EXEMPTION FROM BASIC SKILLS

Basic Skill Exemptions may be found in section 1004.91, F.S., which refers to s. 1008.30, F.S. and the accompanying Rule 6A- 10.0315, F.A.C., wherein exemptions are listed. This may be found at FLDOE's webpage: https://www.fldoe.org/core/fileparse.php/5652/urlt/2022-23-basicskills-with-License-exempt.xlsx.

*IF LISTED ON H.S. TRANSCRIPT, LESS THAN 2 YEARS TAKEN / **IF LESS THAN 2 YEARS SINCE PASSING

The student presents a transcript indicating an award of a college degree at the associate of applied science level or higher. The student entered 9th grade in a Florida public school in the 2003-2004 school year, or thereafter, and earned a Florida standard High School Diploma. A student who demonstrates readiness by achieving or exceeding the ACT, SAT, or PERT test scores and enrolling within two (2) years after achieving such scores. The student who is serving as an active-duty member of any branch of the United States Armed Services. The student passes a state or national industry certification or licensure examination aligned to the career education program in which the student is enrolled, listed on the FLDOE basic skills exemption list.

See the Table on below for Placement Tests and Scores

*IF LISTED ON H.S. TRANSCRIPT, LESS THAN 2 YEARS TAKEN
**IF LESS THAN 2 YEARS SINCE PASSING

Or skills may be met by other alternate scores as listed in 6A-10.0315 Demonstration of Readiness for College-Level Communication and Computation.

The purpose of assessment is to determine whether or not the student has the basic skills necessary to be successful in the chosen career program. If, following admission to the program, a student is unable to demonstrate the basic skills exit requirements, remediation may be provided. Basic skills should be met before completion. However, after program completion, or remediation, the student may post-test by an allowable method.

A student only needs to meet the basic skills requirements for exit from the final OCP. If, after remediation, the student's basic skills score still does not meet program exit requirements, the student may: Remediate further and / or pass the appropriate exam. Appropriate and recognized state, national or industry licensure exam/certification listed on the FLDOE Basic Skills Exemption List, found at http://www.fldoe.org/contact-us/search.stml?q=basic+skills.

PLACEMENT TESTS AND SCORES

TEST NAME	READING	WRITING/ LANGUAGE	MATH
(PERT) Florida Postsecondary Education Readiness Test**	106	103	114
(ACT) American College Testing Program**	19	17	19
(SAT) The College Board**	490	490	480
MATH ONLY ALTERNATE* End of Course Assessment			
PSAT/NMSQT (PSAT 10)*	24	25	24
PRE-ACT*	22	18	22
GED**	145 (COMBINED)		145
"Algebra I*	4		
Geometry*"	4		

RETEST WAIT TIMES	
PERT	Retest wait time: minimum 30 days
TABE	Retest wait time (no instruction): minimum 6 months, same level & form. 90 days, alternate form.
CASAS	No less than 40, but preferably after 70-100 hours of instruction.
TEAS	No Wait Time: Max Three (3) per Year
TABE	Retest wait time (with instruction): 30-80 hours of instruction, depending on level and form.
CASAS/ TABE POST TEST	Alternate form, must be completed within seven (7) days of last enrollment date.

A student enrolled who does not meet the basic skills requirements, will be recorded as "incomplete" until the technical college receives documentation of passing scores. At that time, FPTC will report the student as a completer from their program. If the student does not meet the basic skills requirements, is not exempt, or does not pass an identified licensure exam/certification, the student will not be reported as a program completer from the final OCP and cannot earn a Career Certificate of Completion. FPTC CTE students not yet meeting BSE will be synchronously co-enrolled in remediation course(s) for the lacking Reading, Math, or Writing skill(s).

PROGRAM SELECTION

The Student Services staff will assist students in selecting the most appropriate career choice. Upon the selection of a program, students may be asked to interview with the instructor for approval, or complete specific program requirements for enrollment before enrolling in the program, providing seats are available.

ENROLLMENT

Enrollment dates are set throughout the year. Some programs must limit enrollment to the beginning of their course/program due to the unique requirements of their courses. Student Services will provide additional in formation concerning programs.

DUAL ENROLLMENT

High school students are allowed to enroll at the beginning of each semester if eligible. High School credits awarded are based on the FLDOE Dual

Enrollment Equivalency List (https://www.fldoe.org/core/fileparse.php/5421/urlt/CareerTechList.pdf)

Continuation of enrollment relies on grades, attendance, performance, and a clean discipline issues at high school may result in enrollment continuation issues at FPTC. Summer attendance may be required for some programs. Not all programs are available to high school students. Please consult Student Services staff for current opportunities and application deadlines.

TRANSCRIPTS
At the completion of a program a complimentary certificate of completion along with a one open and one sealed transcript will be issued at program completion, if there are no outstanding fees. There is a charge for additional transcripts.

RESIDENCY
Fees are set by Florida, Differential, or non-Florida residents. A Florida Residency Classification form must be submitted with application before a student will be considered for "residential" enrollment. The student must provide documentation for "Florida Resident for Tuition Purposes" status.

FINANCIAL AID COUNSELING
Financial aid counseling is available for assistance. Prior to course start date and financial aid approval, all tuition and fees must be paid by the student or other determined source. No student shall enroll without payment determination.

Note: Financial Aid approval does not automatically result in admittance into Florida Panhandle Technical College. All enrollment requirements must be met.

PLACEMENT
Florida Panhandle Technical College and Career Source Chipola have resources to provide job placement assistance after completion. It is the expectancy that the instructors forge relationships with employers and agencies to place students in careers at graduation. However, students are encouraged to attend career fairs and school sponsored internships for employment opportunities.

CAREERSOURCE
The CareerSource link is www.careersourcechipola.com/ and provides placement opportunities under the "Job Seekers" tab. The career center hosts local job vacancies under "Hot Jobs" that is updated frequently. CareerSource also utilizes the "Employ Florida Marketplace" to assist students to secure employment in their field of training.

EMPLOY FLORIDA
The Employ Florida Marketplace is your one-stop on-line resource for job listings, education and training opportunities, career building assistance and much more. By registering with Employ Florida and posting your resume you will be able to access many features and services to help in career searches. Access the on-line workshop at https://www.careersourcechipola.com/users/login

Employ Florida provides services such as:

- Job Openings
- Resume' help
- Employer Information
- Virtual Recruiter
- Trends
- Cover letter help
- Job Postings

FPTC students should register with Employ Florida during the last few weeks of their program. This will give students an opportunity to look for a job while completing the program. The Employ Florida Link www.employflorida.com/.

TRANSPORTATION
Upon space availability, adult students may ride district school buses with written permission from FPTC Administration or WCSD. Adult Riders must have a WCSD/FPTC issued Bus Pass to board. Adult students may park on campus with to date parking decals. Dual enrollment students must have permission forms signed to drive to campus. However, driving on campus is a privilege and permission may be revoked when necessary.
Transportation permission forms must be on file prior to a student driving on campus. Special parking areas on campus are designated for student parking.

GENERAL BUS SCHEDULE			
CHIS TO FPTC	MORNING 7:40 AM	FPTC TO CHS	MORNING 11:05AM
VHS TO FPTC	MORNING 8:00 AM	FPTC TO VHS	MORNING 11:05 AM
FPTC Pick-up /Drop-off:		South End of Administration Building	

HOUSING
Florida Panhandle Technical College does not provide dormitory space or any type of housing facility.

TRANSFER POLICY
A new student may provide an official transcript or military records for a specific technical program prior credit evaluation at the time of application. Transfers are evaluated on an individual basis by the program instructor and Student Services. A student who desires to transfer within the technical college between programs should discuss the request with a Student Services staff member. Such transfers must be approved by the instructor to whom the student is transferring, a designated Student Services staff member and, if applicable, the agency funding the student's program costs. Eligible students are permitted one program transfer per semester for a total of two per calendar year. The established withdrawal and program processing fee(s) will be assessed for each program change. In all cases the FPTC will determine accepted transfer credit. Acceptance of hours completed at another institution will be in compliance with Florida Statute 1007.24(7). A Student must complete at least 50% of a program at FPTC unless the program guidelines require more than 50%.

TRANSFER OF PROGRAM
A student considering a transfer from a current program of study must contact Student Services for said change. Except in extreme cases, dual enrolled student transfers will only be permitted at the beginning of a semester period due to the possibility of a loss of credit required for graduation. A transfer during a course is discouraged and may result in additional fees. Transfers will only be approved upon program availability and in the best interest of all parties involved.

WITHDRAWAL PROCEDURES

WITHDRAWAL UNDER AGE 18
FPTC will work with the student's school counselor and parents (or guardians) regarding withdrawals. Proper documentation and signatures from the authorities will be required.

WITHDRAWING FROM A PROGRAM
Students who wish to withdraw from a program will complete a Withdrawal Form signed by their instructor, Student Services, and Financial Aid to ensure that they are aware of any outstanding fees, items, or other costs for which they are responsible. A Withdrawal Form will be required for all withdrawals to be completed and returned to the instructor for the final drop. Failure to satisfy outstanding tuition or fees will result in collection actions and a loss of services until the responsibilities are met. Withdrawal fees may apply.

ADMINISTRATIVE WITHDRAWAL
FPTC reserves the right to withdraw a student from any program if, in the judgment of school officials, such withdrawal is in the best interest and/or safety of the student or student body at large.

STUDENT INFORMATION DISCLOSURE POLICY
In accordance with federal and state laws, Washington District Schools and FPTC will obtain your written consent prior to the disclosure of personally identifiable information from a student's education records by application completion of FERPA authorization and Financial Aid authorization. However, Washington District Schools may disclose appropriately designated directory information to authorized school personnel without consent unless the same otherwise, in writing.

STUDENT RECORDS
All matters concerning student records are processed, developed, and maintained by the Student Services department. Certificates are processed and issued; transcripts are prepared and provided at the student's request within a reasonable period of time. Fees may be associated with transcripts and some services.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
(FERPA) The Federal Family Educational Rights and Privacy Act of 1974, known as "FERPA", governs access to student education records maintained by educational institutions, including those of Florida Panhandle Technical College. FERPA's purpose is to protect the privacy of students' education records and to ensure that students have access to their own records. Under FERPA, the presumption is that a student's records are private and not available to the public without the consent of the student. Employees must not provide the requested information unless the student consents to the release, or the information falls

within a specific FERPA provision permitting release without consent. The student shall provide information for those with access during the application process. Any changes may be made by the student in conjunction with Student Services staff.

FERPA applies to "eligible students." An eligible student is any individual who has been or is "in attendance" at an institution of post-secondary education at any time and about whom the institution maintains records. "In attendance" can include correspondence courses and on-line courses. The age of the student is irrelevant under FERPA.

Generally, there are four categories of individuals who can obtain access to education records in the manner defined under FERPA: Students, Parents of Students, School Officials, Others

ACCESS TO STUDENT RECORDS

Students. Students may have access to their own education records with few exceptions, including parental financial information, confidential letters of recommendation, and portions of their own education records containing information about other students.
Parents/Guardians. Parents generally have no automatic right of access to the education records of their children. However, access can be obtained in the following ways:

- With the consent of their child;
- If the child is identified as a dependent on the parents' tax return;
- If there is a health and safety emergency involving their child;
- Certain rights granted to minor students pursuant to applicable laws.

School Officials. School officials who have a legitimate educational need to access students' records may do so.

Others. Members of the public, employees of certain agencies, court officials and others may access education records when the following circumstances apply:

- The student has given consent;
- The information has been designated directory information;
- A health or safety emergency is involved;
- If the individual is a victim of certain types of violent offenses, they may obtain certain information;
- To comply with a subpoena or court order;
- For audit and evaluation by certain state and local officials.

PERMISSIBLE INFORMATION

"Directory information" is personally-identifiable student information which the U.S. Department of Education has concluded is permissible for institutions to release without a student's consent. Such information may include the student's following information; however, Directory Information may never include social security number:

Name
Address
Telephone number
Date and place of birth
Program of study
Dates of attendance
Grade Level
Enrollment status
Participation in campus activities
Degrees, certifications, honors, awards
Most recent education institution(s) attended
Photograph

The Washington County District Schools System has designated the following information as directory information: File: Directory Info Notice 2005.doc:

- A student's name, address, and telephone number (if there is a listed number)
- Image or likeness in photographs, videotape, film or other medium
- Date and place of birth
- Major field of study
- Current grade level
- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Dates of attendance
- Degrees and awards received
- Most recent, previous educational institution (agency, school, center, or technical college) the student attended.

Directory information is generally not considered harmful or an invasion of privacy if released. Directory information relating to students shall be released only to the following: In-school use of student directory information for official school business. Student directory information, without addresses or telephone numbers, for school annuals, school newspapers, honors lists, and printed materials or programs for extracurricular activities.

Student directory information of junior and senior students may be furnished, upon request, to Armed Forces Recruiting Officers, including the U.S. Coast Guard, for their use in providing for mail out information to student in regard to opportunities available to them in the United States Armed Services; provided, however, FPTC asks each student for their request that his/her name be, or not be given for this purpose during application. Florida public universities and colleges. US Congressman, Senators, Legislatures.

SOCIAL SECURITY NUMBER

In accordance with state Statue, social security numbers may be collected from students: to be used as student identification numbers as required by 1008.386, F.S., to facilitate the processing of student scholarship, college and technical college admission, and other applications; and Services. For other purposes when consent of the parent or adult student is granted.

ABILITY-TO-BENEFIT

Federal financial aid may be available to students over the age of 16 who do not possess a high school diploma or a GED, if they can demonstrate a reasonable chance of success in an eligible Title IV career pathway program by earning a cut score on an approved test which shows their "Ability-to-Benefit" (ATB) from the program. ATB implies that a student, through evaluations is able to satisfactorily complete the work required in a technical program. Students must reach the cut score on an approved test to determine ATB eligibility and concurrently enroll in adult basic education component to work toward a high school GED diploma. The ACCUPLACER test is offered at the technical college for a $25.00 fee. Appointment can be made at the office of Student Services. Test Information: ACCUPLACER (Reading Comprehension, Sentence Skills, and Arithmetic). Publisher: The College Board, 250 Vesey Street, New York, New York 10281. Passing Scores: Reading Comprehension (55) Sentence Skills (60) Arithmetic (34). These scores are subject to change as new information is published in Federal Title IV instructions.

FINANCIAL AID

The objective of the Florida Panhandle Technical College financial aid programs is to assist students who have financial need by providing a financial aid package which may be composed of grants, scholarships, and/or Federal or Florida Work Experience.

The primary responsibility for meeting educational costs is that of the student and the student's family. A financial need is established when it is determined that the resources of the student (expected family contribution) do not meet the cost of schooling. The total cost of attending school includes all fees, books and supplies, personal expenses and allowable travel expenses. A student's computed financial need is the total cost of attending a particular school minus the expected family contribution. Financial need is computed by a standard "need analysis" system using confidential data submitted by the student and the parent. Federal aid programs, state aid programs, and many institutional programs do not permit aid awards to exceed computed needs. This means that aid received from all sources must be made known to the Financial Aid office, who insures computed financial need is not exceeded. Any student enrolled at Florida Panhandle Technical College, or any prospective student, may apply for financial aid through www.studentaid.org.

STUDENTS & RESPONSIBILITIES FOR FINANCIAL AID

As a student consumer, you have the RIGHT to:

1. Be informed of the correct procedures for applying for aid, cost of attendance, types of aid available, how financial need is determined, criteria for awarding aid, how academic progress is determined and what you have to do to continue receiving aid.
2. Be informed of the type and amount of assistance you will receive, how much of your need has been met and how and when you will receive your benefits.
3. Appeal any decision of the Financial Aid office with regard to your application.
4. View the content in your financial aid file, in accordance with the Family Educational Rights and Privacy Act.
5. Know the job description and rate of pay for any student job you accept.
6. It is the student's responsibility to:
7. Complete all application materials correctly and submit them on time.
8. Read all materials sent to you from the Financial Aid office.
9. Know and comply with rules governing the aid you receive.
10. Provide additional documentation, verification, corrections, and/or new information requested by the Financial Aid office.
11. Use financial aid only for expenses related to attending post- secondary education.
12. Maintain satisfactory academic progress.
13. Notify the Financial Aid office of any resources not considered during your original need analysis and aid not listed on your award letter. Failure to notify us can jeopardize your future financial aid.
14. Keep your local and permanent addresses current at the Registrar's office.

FEDERAL TITLE IV GRANT PROGRAMS

The purpose of the Title IV Program is to provide a foundation for financial assistance to students in higher education. Other programs are secondary or supplementary to Pell Grant. The Title IV Program makes funds available to eligible students attending approved colleges, community/junior colleges, technical colleges, and other educational facilities through PELL or the Comprehensive Transition Postsecondary Program.

To apply for a Title IV funds, you must complete a Free Application for Federal Student Aid (FAFSA) at https://studentaid.gov in accordance with the instructions of the application and return that completed form to the Financial Aid office. Read instructions carefully; do not estimate. Take your financial information directly from your tax forms. The information will be transmitted electronically; the results will be returned to the school in an Institutional Student Information Record (ISIR) within 3 – 5 days.

Determination of the grant amount will be based on the student's Expected Family Contribution (EFC) contained in the Institutional Student Information Record, the cost of attendance at the eligible school of your choice, and the payment schedule issued to all eligible educational institutions by the US Department of Education.

To be eligible to receive the Pell Grant, the student must be enrolled in a program that:

Is at least 600 clock hours in length.
Is postsecondary in nature.

Additionally, the student must also meet one of the following requirements: a standard high school diploma or a high school equivalent through a GED certificate or pass qualifying assessments to meet "Ability-to-Benefit" requirements or meet requirements of the Comprehensive Transition Postsecondary (CTP) Program

One of the criteria for financial aid eligibility is meeting and maintaining the financial aid academic progress requirement at FPTC defined by the school policy. It is the student's responsibility to read and understand these requirements.

PELL GRANT PROCESS

After receiving the Institution Student Information Record (ISIR), the applicant must return to the Financial Aid office for a review of the ISIR and completion of the Financial Aid folder. The following information is required for each folder:

1. Application for Vendor Status / Pell Grant Stipend.
2 W-9.
3. Certification of Financial Aid Information.
4. Student Data Form.
5. Non-filer Statement, if applicable.
6. Standards of Satisfactory Academic Progress.
7. Verification Worksheet, if selected for verification.
8. Copy of Income Tax Return TRANSCRIPTS from IRS (Copies of 1040 not acceptable).
9. Verification of all untaxed income reported on the FAFSA.
10. Other documents as needed by Federal Financial Aid or the school for verification of information

VERIFICATION

Verification is a required federal process of checking the accuracy of information that applicants supply on their financial aid applications. Applicants who apply for financial aid should be aware that they may be selected for verification. Selection is based on Federal Department of Education guidelines. If the applicant is selected, he/she will be notified. Applicants selected for verification are not eligible to receive financial aid funds until they have submitted all required verification information.

Obtaining and providing information is the responsibility of the student. No federal funds can be disbursed until the student's financial aid folder is complete. If a student changes enrollment status or programs, the student must notify the Financial Aid Office to ensure Financial Aid benefits are calculated accurately. Benefits do not automatically roll from program to program. No funds will be disbursed if verification is incomplete.

STATE, FEDERAL, OR OTHER SCHOLARSHIPS, OR STUDENT LOAN PROGRAMS

As of July 2025, enhancements to 529 plans will recognize more diverse educational needs and career development pathways. 529 plan funds can be used tax-free for qualified higher education expenses and the enhancements expand this definition to include Post-secondary Credentialing Programs such as FPTC's Pell eligible programs. If you have a 529 plan to use, please consult your monetary advisor.

FLORIDA STUDENT ASSISTANT GRANT (FSAG)

This grant is available to Florida residents with financial need as determined by the completion of the FAFSA. Applicants must be enrolled in a post-secondary adult vocational program (PSAV) that is at least 450 clock hours. Applicants must not be in default on any state or federal student loan. Students who currently hold a Bachelor's degree are not eligible for FSAG-CE.

FLORIDA WORK EXPERIENCE PROGRAM WORKSTUDY (FWEP)

This program provides earnings to students through gainful employment at FPTC. This grant is available to Florida residents with financial need as determined by the completion of the FAFSA. Applicants must be enrolled in a vocational program that is at least 450 clock hours. Applicants must not be in default on any state or federal student loan. Students who currently hold a bachelor's degree are not eligible for FWEP.

FLORIDA BRIGHT FUTURES

Florida's Bright Futures Scholarships include the Florida Academic Scholars Award, Merit Scholars Award, and the Gold Seal Vocational Scholars Award. All three are based on student's high school academic achievement and awarded to high school seniors that are Florida residents. Bright Future Scholarships may be applied to any program at FPTC.

FLORIDA PREPAID COLLEGE FUND

Florida Prepaid College Fund is a program that provides an opportunity for the student's parents to pay in advance for the student's college education. Qualified students should present their current prepaid college fund card to the financial aid office.

FINANCIAL AID FEE

Financial Aid Fee funds are available for those who are not eligible for other sources of financial aid.

SOCIAL SECURITY

A full-time student enrolled in high school completion who is eligible for social security benefits may continue to receive payments until his/her eighteenth (18th) birthday. Application and certification forms may be obtained at the local

Social Security offices.

VETERANS' & DEPENDENTS' BENEFITS

Educational benefits are available to qualified veterans and children of deceased and disabled veterans. As a veteran or dependent, you may be entitled to certain benefits, and be eligible to participate in certain programs. For information, please contact the Financial Aid office.

VOCATIONAL REHABILITATION

This is a service to conserve the working usefulness of persons with impairment who have reasonable expectations of becoming employed. Students who may qualify for vocational rehabilitation aid to attend post- secondary education should contact the office of Vocational Rehabilitation.

FPTC DFA Scholarship

The Florida Panhandle Technical College Foundation makes available to adult and high school students who exhibit need and are demonstrating the attitude and ability to successfully complete their program of study. Applications are available at the FPTC Student Services office and the guidance office of local schools.

WORKFORCE INNOVATION & OPPORTUNITY ACT (WIOA)

Workforce Innovation & Opportunity Act (WIOA) funds are available for individuals who are financially and/or educationally disadvantaged. Applicants who do not possess a marketable skill will be trained in a program related to their interests and abilities. WIOA can assist eligible students with tuition, books and supplies. Workforce Innovation & Opportunity Act (WIOA) funds are dispersed through Career Source Chipola, which is an organization has a variety of programs to assist eligible individuals in furthering their education. Interested individuals should make an appointment with Career Source Chipola located on the FPTC campus.

STUDENT LOAN PROGRAMS

FPTC does not participate in Federal Loan Programs. However, private student loans are accepted as self-pay, and student loans are the responsibility of the student, separate from FPTC.

VETERANS AFFAIRS

As a veteran, you are entitled to certain benefits and are eligible to participate in certain programs. The following information should serve as a brief overview of these programs and your benefits. For additional information please contact the Financial Aid office. The office is open from 7:30 a.m. to 3:00 p.m., Monday – Friday during the school year. Summer hours vary.

In accordance with Title 38 US Code 3679 subsection (e), Florida Panhandle Technical College has adopted the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the Veteran Affairs, Florida Panhandle Technical College will not:

Prevent the student's enrollment; Assess a late penalty fee to the student; Require the student to secure alternative or additional funding; Deny the student access to any resources available to other students who have satisfied their tuition and fees to Florida Panhandle Technical College.

To qualify for these provisions, students are required to:

- Produce the VA Certificate of Eligibility prior to the first day of class.
- Complete a certification request by completing a VA Student Acknowledgment Form provided by FPTC.
- Provide additional information needed to properly certify the enrollment as described in other VA and FPTC policies
- Provide to the VA SCO, an understanding of, authorization. for, and compliance with VA and FPTC policies as they relate to the Veterans Health Care and Benefits improvement Act of 2020.

VA OUT OF STATE TUITION WAIVER PROGRAM

Exempts eligible students from being held to the 12-month residency rule for out-of-state students. In accordance with Florida Statute 1006.26(13) and (14), out of state fees shall be waived to students who are: Honorably discharged veterans of the United States Armed Forces, The United States Reserve Forces, the National Guard, or eligible veteran dependents using VA educational benefits who physically reside in the state of Florida while enrolled at FPTC, will submit the following documentation:

Copy of DD214 "Certificate of Release"

Proof of residing in Florida. This may include, but is not limited to, a signed lease, declaration of domicile, utility bill, driver's license, voter's registration card or vehicle registration. Additional documentation may be required.

Effective 7/1/2016 the waiver program included active duty members of the Armed Forces of the U.S. residing or stationed outside of Florida. As of August 1, 2021, the Federal Government removed the 3-year enrollment cut-off date.

APPROVED PROGRAMS

An excellent way for veterans to use their education benefits is pursuing an approved program of study at an institute of higher learning. All programs of study must be approved by the State Approving Agency in order to be certified by Department of Veteran Affairs for payment of benefits. All regular daytime programs at FPTC are currently approved by the State Approving Agency. If programs are approved for distance learning by C.O.E., then VA will also approve the same. Co-Operative student has been approved and may be an option for some students, in some programs.

Some students may qualify for the Veteran Readiness and Employment (VR&E) program. The program must be on the approved VA list for VR&E.

HOW TO APPLY

Students may contact the Financial Aid office for assistance in applying for veteran benefits. The chapter under which you are filing will determine the documentation required by the Department of Veteran Affairs to certify your benefits. The website www.benefits.va.gov/gibill has information to assist students.

ENROLLMENT CHANGES

If a veteran changes enrollment status or changes course or program, it is important to notify the Student Services and Financial Aid office for certification purpose. If a VA student fails to notify the financial aid officer of changes, recertification will be delayed. A Change of Program or Status form is required by the Department of Veteran Affairs and may be obtained at the Financial Aid office.

STUDENT'S RESPONSIBILITY

As a student receiving Veterans Educational Assistance, you are responsible for immediately notifying the Financial Aid office of any changes in your certificate program or reduction in your clock hours. FPTC requires that all tuition and any applicable fees be paid prior to the final program course start date. VA Students must verify their enrollment to receive their monthly housing allowance.

OTHER FINANCIAL AID

Receiving veteran's benefits does not necessarily prevent a student from receiving other forms of financial aid. Applications and assistance are available in the Financial Aid office. For more information about applying for educational benefits, contact FPTC at 850-638-1180 ext. 6319

VETERAN'S ATTENDANCE POLICY

VA Students MUST attend 85% of their scheduled hours. Students exceeding 15% total absent hours out of their total scheduled hours in a calendar month will be terminated from their VA benefits for unsatisfactory attendance. To show that the cause of unsatisfactory attendance has been removed, students must show good attendance (equal or greater than 85% attendance) for one calendar month after being terminated for unsatisfactory attendance. After such time, the student may be re-certified for VA education benefits.

Attendance for VA students is tabulated during the first week of each month, for the previous month's attendance. If a student has violated the attendance policy stated above, they will be notified immediately in writing. The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

POLICY Florida Panhandle Technical College (FPTC) complies with all applicable provisions of 38 U.S.C. 3679(c) and 3679(e), as amended by the Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020. FPTC ensures that all students receiving U.S. Department of Veterans Affairs (VA) educational benefits under Chapter 30, 31, 33, or 35 of Title 38, or Chapter 1606 of Title 10, are afforded all protections required under federal law.
The institution will:

Provide in-state tuition rates to all covered individuals who reside in Florida while enrolled.
Prohibit penalties due to delayed VA payments.
Ensure equal access to enrollment, courses, and institutional resources.
Maintain compliance as a condition of VA program approval.
For further details, contact FPTC VA SCO to review the VA Policy and Procedures Manual.

STANDARDS OF ACADEMIC PROGRESS FOR VA STUDENTS

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 2.0 for each course. A VA student whose cumulative GPA falls below 2.0 at the end of any course will be placed on academic probation for a maximum of two consecutive terms of enrollment (courses). If the VA student's CGPA is still below 2.0 at the end of the second consecutive course (term of probation), the student's VA benefits will be terminated. A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be re-certified after attaining a CGPT of 2.0 in a course.

VETERAN'S CREDIT FOR PREVIOUS EDUCATION OR TRAINING

Students must report all education and training. The school must evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified.

ATTENDANCE VIOLATION APPEALS

Students who feel that they have grounds for appeal to an action taken as a result of the requirement may appeal to the director. Upon written notification of violation, a student has five calendar days to fill out the VA Attendance Policy Appeal Form (found in the back of this handbook) and set up an appointment with FPTC Administration. An immediate date will be scheduled for the appeal. FPTC Financial Aid will be notified of the final appeal decision within 15 calendar days of the student's initial receipt of violation notification, and will communicate with VA accordingly.

VA ATTENDANCE APPEAL PROCESS

Attendance for VA students is tabulated during the first week of each month, for the previous month's attendance.

VA student attendance will be monitored on a monthly basis. Within five (5) calendar days of a detection of a less than 85% attendance percentage the VA student will be notified in writing of a termination of services.

- VA student has five (5) calendar days to appeal the termination through the attendance appeal process.
- The student will complete the VA Attendance Policy Appeal Form (found in the student handbook or from VA/FA officer)
- Attach documentation.
- Return to administration and schedule an immediate hearing date with Director.
- VA student will be notified in writing of the administrative appeal decision within 15 calendar days of initial notification.
- A copy of the decision will be sent to the FPTC Financial Aid Office. A VA Certifying Official will immediately notify VA Education of the decision.

VA students with specific GI Benefit award questions may direct inquiries to the Education Call Center at 1.888.442.4551 (M- F/7a-6p CST), or go to www.benefits.va.gov/gibill.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

Federal regulations require both Quantitative (time-related) and Qualitative (grade-based) as reasonable standards for measuring of a student's progress in their educational program. Both measures are cumulative. Florida Panhandle Technical College (FPTC) has established Standards of Academic Progress (SAP) applicable to all students. Students are considered to be making satisfactory academic progress if they successfully complete program hours and weeks, as well as maintain a specific cumulative grade point average (GPA). Each student's academic progress is checked at the end of each payment period. No SAP is required for the first Title IV payment period in a program. Credit hours from another institution accepted toward the student's FPTC educational program will count as both attempted and completed hours.

Student must maintain a "C" (70-79) or better grade (maintaining an overall GPA of 2.0 or higher)

Students are allowed up to 150% of the scheduled clock hours to complete their program, but may only be provided financial aid for 100% of program hours.

Students Pace of Completion must show a minimum attendance completion of two-thirds (66.67%) of the cumulative scheduled hours attempted in their program of study.

Satisfactory/Unsatisfactory Academic Progress

If a student meets the above guidelines, they are considered to be in compliance with Satisfactory Academic Progress policy. Not meeting these guidelines will place a student on Financial Aid Warning Status, or if a dual enrollment student, Enrollment Warning Status.
Review: The student's course progression, attendance, and pace will be measured at the end of each disbursement payment period. A Pace of Completion at a minimum of 66.67% is considered acceptable. If any of the required minimum standards are not met, the procedure will be as follows:

Financial Aid Warning Status:

A student will be placed on Financial Aid Warning Status for the payment period following their first failure to meet the minimum requirements. If the student is a Title IV recipient, they will continue to receive Title IV aid. A student will receive payment for the period immediately following the "Unsatisfactory" report, but they MUST meet the SAP requirements listed above by the end of the next (immediately following) payment period, in order to receive the subsequent payments:

Suspension of Financial Aid:

Failure to achieve satisfactory academic progress by the end of the warning payment period, or the beginning date of their second consecutive "Unsatisfactory: progress review, will result in termination of Title IV aid. At this point in time, the student will be classified as "self-pay" and no additional Title IV aid will be offered. A probation period is not allowed.

Reinstating Financial Aid:

A student may regain eligibility by successfully continuing their program as a self-pay student, and meeting the minimum grade, attendance, and pace of completion for the remainder of the course(s) for a full payment period following the suspension period during which the student failed to meet the standards. At such a time, the student may request their performance be re- evaluated and appeal the determination of termination through the Financial Aid office. A student may only appeal for extenuating circumstances, such as illness or family death. Student must provide documentation of the extenuating circumstances which caused the original determination and explain how this issue has been resolved for future educational success. The student is only eligible for the payment period during which the student regains eligibility, and thereafter as requirements remain met; eligibility is not retroactive to all earlier payment periods.

There is no provision in this SAP policy to allow for repeats, remedial, withdrawals, or incomplete coursework. If additional hours are required to complete the coursework, or if the student withdraws from the program early, or after losing Title IV eligibility, the required R2T4 calculation will be performed to determine if any monies are owed to the federal government. The student may still owe a balance to the school. If so, the student will be contacted and billed. This SAP is not limited to Title IV Financial Aid, and may work in conjunction with other financial aid provider's rules for academic.

Students in attendance at FPTC who are under 18 years of age will be subject to the attendance requirements related to their driver's license, academic, and attendance standing. The SAP shall be in effect for all students, including Dual Enrollment. If dually enrolled, contact will be made with the student's home high school if poor grades, behavior, and/or consecutive absences occur, and if necessary, a referral will be made to the student's home district office if any student under the age 18 has fifteen (15) absences within a 90-day period. In all other cases, FPTC shall follow the procedures for implementing the attendance requirements for high school students as shown in their district K-12 schools attendance policy. A dual enrollment student may receive an Enrollment Warning Status.

ATTENDANCE POLICY

ATTENDANCE EXPECTATIONS

While attendance policies may be more stringent in some career and technical programs, the following is a minimum for all programs. All students are expected to contact their program supervisor/instructor prior to an absence. Information is provided to the student in the program syllabus.

A student who is absent six (6) consecutive days will be withdrawn on the seventh day, except in extenuating circumstances. Dually enrolled students who have poor attendance are unlikely to be successful in a program and will not be recommended back at the end of the term. See the Dual Enrollment packet for details.Students withdrawn for poor attendance may re-register on a space available basis after approval from Student Services and, when necessary, administration and will be placed on a probationary status. Students with extenuating circumstances, i.e. hospital confinement, personal problems, extended illness, etc., may appeal to the director or assistant director for an exception. Except in the case of emergency, the student should obtain the exception ahead of time. Students in attendance at the FPTC who are under 18 years of age regardless of the program of attendance will be subject to the attendance requirements related to their driver's license. A referral will be made to the district office if a student has 15 unexcused absences within a 90-day period or if he/she withdraws. The technical college shall follow the procedures for implementing the attendance requirements for high school students as shown in the K-12 schools.

ABSENCES

FPTC does offer excused absences; however, such absences (except for legitimate emergency) must be approved by the instructor, may be no more than 90% of the program hours or no more than permissible by the program's licensing agency, and will not count toward attended hours, but will count toward scheduled hours. Excused absences may be:

- A death in the student's immediate family
- The student is confined to a hospital or to his home because of a physician's directions
- Has a subpoena to appear in court
- Has orders to participate in National Guard activities or is recalled to a (Temporary Active Duty) assignment/training
- The absence is due to a school holiday other than a national holiday

NOTE regarding absence: Although the absence is accepted, clock hour credit is not earned, and an absence is documented. EACH PROGRAM has its own policy for excused absences.

DUAL ENROLLED STUDENTS

Dual enrolled high school students are expected to attend FPTC based on the FPTC calendar, regardless of their home high school calendar. Any dually enrolled student with attendance and/or performance issues will not be recommended back into the program and will return to their home school campus the following term. FPTC Does not participate in (½) half- day/early release. Dual Enrollment students should read their application packet to understand their attendance and grade requirements. Senior students may not enroll if course ours cannot be completed by graduation F.S. 1007.271

GRADING POLICY

CERTIFICATE REQUIREMENTS

A student must complete a minimum of 80% of the competencies required in the program of study before a Certificate of Completion can be issued. A Program Certificate of Completion will be awarded to students that successfully complete the program and meet the state required academic levels.

Grades will be awarded at the completion of each course. High School students enrolled in longer courses will be graded at the end of each term. All students will be progress monitored throughout the program by instructors and financial aid staff members. Most financial assistance requires students to maintain a "C" or above average.

Grade Point Values: A = 4.0; B = 3.0; C = 2.0; D = 1.0; F and I= 0.

A = 90-100 (Outstanding Performance)
Student performance exceeds business or industry expectations for entry level employments. A certificate of completion will be awarded upon completion of the program.

B = 80-89 (Above Average Performance)
Student performance meets business or industry expectations for entry level employment. A certificate of completion will be awarded upon completion of the program.

C = 70-79 (Average Performance)
Student performance meets the minimal business or industry expectations for entry level employment. A certificate of completion will be awarded upon completion of the program.

D = 60-69 (Below Average Performance)
Student performance does not meet business and industry expectation for entry level employment. Although a "D" meets district high school requirements to earn credits toward the completion of high school, if the student completes the program with a "D" or "F" average (or an "I") no certificate of completion will be awarded.

F = Below 60 (Failing)
Indicates failure of performance. Student performance does not meet business and industry expectations and will not receive a certificate of completion. An "f" does not meet district requirements for high school students to earn credits toward the completion of high school.

I= Incomplete A grade will not be issued unless/until the student completes the work required by the instructor. An incomplete grade must be satisfied by the student making up the necessary work within five days or the incomplete reverts to a grade of "F."

High school students earn a weighted value (an additional 1 point) for all technical college passing grades at the completion of a course when calculating their overall high school GPA. High school students cannot earn credit for incomplete courses.

SATISFACTORY PROGRESS

An incomplete grade must be satisfied by the student making up the necessary work within S days or the incomplete reverts to a grade of "F". A student earning a grade of "F" (0-59) for a grading period will be put on probation for the next grading period. A grade of "F" for the period of probation will constitute dismissal from that program of study.

Research indicates that there is a high correlation between punctuality and attendance in school and punctuality and attendance on the job. Business and industry can function punctuality only when their employees are working on the job. The same is true in the training classroom.
Grades will be awarded only at the completion of each course. Dual enrolled students enrolled in longer course will be graded at the end of each term for progress only -- credit cannot be given until the course completes. All students will be progress monitored throughout the program by instructors and financial aid staff members. Mon financial assistance requires students to maintain a "C" or above average.

TUITION AND FEES

FEES

All students enrolled in CTE courses and/or hold a high school diploma or equivalent are required to pay a processing and parking fee per semester.

DUAL ENROLLMENT FEE EXEMPTION

In accordance with F.S. 1007.271(13), dual enrolled students are exempt from paying processing, tuition and lab fees for all programs.

PAYMENT ACCEPTANCE POLICY

Payments must be made for the exact amount due and made payable to Florida Panhandle Technical College (FPTC). No second party checks will accepted. A $36.00 fee will be charged for all returned checks. FPTC accepts credit cards with a 4.00% processing fee plus additional $0.20 per transaction using a debit cards with a minimum $ .50 processing fee.

CHECKS

FPTC does not accept checks for testing or transcripts fees. No personal checks will be accepted for tuition; however, cashier's check or money order will be accepted for tuition, but must be made payable to Florida Panhandle Technical College (FPTC).

REFUND POLICY

- All tuition and fees will be refunded for all programs and courses that are canceled by FPTC.
- A refund will be issued for tuition & associated course fees for the first course of a new CTE program, if the course is dropped within eight (8) school days after the enrollment date, with the exception of the Commercial Vehicle Driving (CVD), Phlebotomy, and Public Safety courses.
- Refunds are not available for subsequent courses in a program.
- Refunds will only be made for CVD if the course is dropped no less than two (2) weeks prior to the first day of class. Three-hundred dollars ($300.00) of the Commercial Vehicle Driving Program deposit is non-refundable.
- Public Safety must be dropped no less than 48 hours prior to the first day of class.
- A $100.00 of the Phlebotomy tuition will be non-refundable.
- Refunds will not be issued for Adult General Education courses.
- Refunds do not require student requests and will be issued as soon as possible, but within forty-five (45) days of the course start date or withdrawal date. In the event a refund recipient requests a stop payment, or re-issue due to USPS non-delivery, the refund recipient be responsible for stop payment fees associated with stop-payment, re-issue, and ,emailing, including any signature required or expedient fees of said refund.

ADDITIONAL STUDENT COST

*All fees are subject to change based on provider requirements.
**No processing fees will be assessed for Adult Education students.
All other fees may apply.

Processing Fee Per Term	$20.00
Withdrawal Fee (withdraw before graduation)	$16.00
Emergency Medical Liability Insurance / Health Program Liability Insurance	$31.00
District Background Check	75..00
Practical Nurse TEAS Test + Proctor fee	$100.00
CPR Certification	$40.00
CPR Documentation / First Aid Card	$12.00
OSHA Card	$10.00
Criminal Justice Ability Test (CJBAT)	$39.00
Accuplacer (Must be ordered)	$25.00
Parking Fee Per Term	$10.00
Graduation Diploma & Processing Fee	$16.00
Graduation Participation Fee (Varies)	$45.00-$50.00
Returned Check Fee	$36.00
Debit/Credit:Transactionplus $.20 per transaction fee (min charge of $0.50)	4.00%
Exam Review (Available for every program except CVD)	$70.00
Proctor fee per exam for any outside exam: TEAS	$20.00
Transcript Copy: (first copy complimentary)	$10.00
Student ID Badge: (first copy complimentary)	$5.00
Parking Violation fee: per incident	$5.00
PERT for Basic Skills attainment Full 3 section test	$20.00
TABE for Basic Skills attainment Full 3 section test	$15.00
CASAS for Basic Skills attainment Full 2 section test	$10.00
PERT, TABE, CASAS retake fee per section	$5.00
ONLINE program ACCESS FEE/ Per semester	$50.00

HOURLY RATE PER COURSE HOUR

Fee components are set forth by F.5.1009.23 and final category billing may round to the nearest whole number when calculating course hours, for accounting purposes. *DIFFERENTIAL fees apply to students with an out-of-state address that are within daily driving distance to FPTC. Fees are set based on FS 1009.22(3).

Statutory Category	Residential	Differential	Non-Resident
Base Tuition	2.44	2.54	9.32
Financial Aid	.24	.24	.93
Capital Improvement	.12	.13	.46
Technology Fee	.12	.13	.46
TOTAL clock hour fee	$2.92	$3.04	$11.17

Adult General Education: $31.50 PER SEMESTER.
Maximum of $94.50 per year. (fee set pursuant to s. 1009.22(3)(d), F.S)

Continuing Workforce Education Fees: Fees will vary based on board approved amounts, instructor salary, enrolled students on day one, other indirect or facility or lab cost, or board approved fees.

Articulation:
Some NCD completed programs or certifications earned may articulate to a minimum guarantee of credit with the Florida College System pursuant to Statewide Career Pathways (SCP). Current SCP listings may be found at. https://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements/

These articulations are based on the academic and performance rigor combined.

District Tuition*	2.92	FA / .24	2.68
Exam Review**	Flat Rate Fee	0.00	$70.00

EVENING / HOBBY PROGRAM OFFERINGS

Courses, Fees, Dates, and Hours vary by program Demand

GRADUATION FEES

All students will be assessed a graduation/diploma fee at the time they register for the final course in a program to cover the cost of their graduating processing. All students are encouraged to , and may, participate in a school-wide, year-end formal graduation in May each year. Should the student desire to participate in the FPTC formal graduation ceremony, they will apply and be required to pay an additional regalia fee. Some programs may have individual graduation ceremonies in line with their own completion dates for which a specialized additional fee for ceremonial memorabilia or activities may be required. Students who participate in a graduation ceremony and earn industry certification(s) throughout the school-year will be awarded industry certification recognition cords during their participation at the formal graduation. If a student earns a certification after their participation in the formal graduation, they may request industry certification recognition cords for that school-year. This request may be fulfilled depending on availability of stock.

LEARN MORE

For more information about CWE Cost, or evening courses, contact Student Services. Programs are offered on demand basis. Short courses or Hobby Courses may be developed and offered as needed for business and industry upon request.

JULY 2026 - JUNE 2027 FPTC CALENDAR

Adult Basic Education (ABE)

Adult General Education

PROGRAM DESCRIPTION:
This program is the first step on the path to a high school equivalent diploma. All students are required to take the "CASAS Goals" (CASAS) test as a pretest to the program. If a student scores below 9.0 grade level in Reading or Math, he/she is enrolled in Adult Basic Education. The content includes, but is not limited to, Reading, Language Arts, and Mathematics.

PROGRAM STRUCTURE:
Adult Basic Education (ABE) is a non-credit course designed to remediate and develop basic skills in Reading, Language Arts, and Mathematics. ABE prepares students to enroll in the GED ® preparation courses, improve employability skills, and improve knowledge base for Career Technical Education (CTE) options. The FPTC program is an "open-enrollment/open-exit" program that allows a rolling enrollment throughout the school year, allowing the student to work within their own schedule, and at their own pace, under the direction and assistance of a certified instructor. The instructor will create an individualized pacing plan for each student, based on his or her specific skills and needs. Progress through levels must be measured by approved validation methods in accordance with Rule 6A-6.014, Florida Administrative Code (F.A.C.); therefore, the student will test throughout their program enrollment to measure gains in the three subject areas until they meet the level 9.0 or above.

COURSE #	CASAS GRADE LEVELS	CASA SCALE SCORE	COURSE DESCRIPTION	HOURS	TUITION
9900001	0.0-8.9	<238	ABE Mathematics	Based on Need	$31.50
9900023	0.0-8.9	<225	ABE Reasoning Through Language Arts		
Parking per term					$10.00
Total					$41.50

Adult Basic Education (ABE) is available to individuals who:

- Age 16+ or older and have legally left the secondary school system.
- Do not have a high school diploma or its equivalent.
- Have earned a high school diploma, or its equivalent, but require remediation to obtain employment or pursue postsecondary education

ELIGIBLE FOR	
PELL	NO
CAREER SOURCE	NO
TRI-COUNTY	NO*

**Career Source or Tri-County May be Available: Student must apply and qualify*

CITIZENSHIP: Any student enrolling in the FPTC ABE, & GED program must be a U.S. Citizen. Rule 6A-6.014, F.A.C. dictates that "…school districts, community-based organizations and Florida College System institutions to verify students are a United States citizen or lawfully present in the United States." Therefore, FTPC may ask for any of the following to confirm United States citizenship or lawful presence, but not be limited to, for all adult education enrollees, which will be applied consistently to all students and in a nondiscriminatory manner:

US Birth certificate,
Consular Report of Birth Abroad (Form FS-240, FS-545, or DS-1350)
U.S. passport or passport card (valid or expired)
Permanent resident documentation or a valid visa,
Certificate of Naturalization (Form N-550 or N-570)
Certificate of Citizenship (Form N-560 or N-561)

OR

Permanent Resident Card or Alien Registration Receipt Card (Form I-551)
Arrival/Departure Record (Form I-94 or I-94A) with valid endorsement
Foreign passport stamped with a temporary I-551 printout or "Processed for I-551"
Employment Authorization Document (Form I-766) for specific qualified categories
Form I-20 or DS-2019 for students on valid nonimmigrant student visas (F-1, J-1)

Academic Skills Building (ASB)

Adult General Education

PROGRAM DESCRIPTION:

The AGE Program has multiple purposes. Primarily, it provides instruction in reading and language and Math to students seeking to obtain a high school diploma or its recognized equivalent. The ASB Program is a non-credit program designed to develop the literacy and mathematics skills necessary for students to be successful workers, citizens, and family members. The Academic Skills Building (ASB) Program comprises two courses, ASB Reasoning through Language Arts (RLA) and ASB Mathematics. Students in the ASB program may enroll in either course or both courses. The student may or may not have already earned a high school diploma or equivalent G.E.D.

ASSESSMENT

• TABE or CASAS shall be used to establish the student's placement in this program.

OCCUPATION STRUCTURE:

Adult Basic Education (ABE) is a non-credit course designed to remediate and develop basic skills in Reading, Language Arts, and Mathematics. ABE prepares students to enroll in the GED ® preparation courses, improve employability skills, and improve knowledge base for Career Technical Education (CTE) options. The FPTC program is an "open-enrollment/open-exit" program that allows a rolling enrollment throughout the school year, allowing the student to work within their own schedule, and at their own pace, under the direction and assistance of a certified instructor. The instructor will create an individualized pacing plan for each student, based on his or her specific skills and needs. Progress through levels must be measured by approved validation methods in accordance with Rule 6A-6.014, Florida Administrative Code (F.A.C.); therefore, the student will test throughout their program enrollment to measure gains in the three subject areas until they meet the level 9.0 or above.

COURSE #	NRS LEVELS	GRADE LEVELS	COURSE DESCRIPTION	HOURS	TUITION
ASB Reasoning through Language Arts	RLA 5	9-10.9	Level 5 / Level 6 ASB RLA	Based on Need	$31.50
ASB Math (See ABE)	RLA 6	11-12.9	Level 5 / Level 6 ASB Math		
Parking per term					$10.00
Total					$41.50

Students eligible to enroll in the ASB are those who:

- Age 16+
- Pre-Test score within the Educational Functioning Levels (EFL) 5 and 6.
- Are not enrolled in the K12 system.
- May have a high school diploma or G.E.D., and have a goal of preparing for postsecondary education and employment.
- Post-Test
- Have earned a high school diploma, or its equivalent, but require remediation to obtain employment or pursue postsecondary education.

ELIGIBLE FOR

English

Adult English For Speakers of Other Languages (ESOL)

Deutsch

العربية

Adult General Education

Français

中文

PROGRAM DESCRIPTION:
This program is designed to provide English language instruction to adult learners who are able to read and write in at least one language other than English. The program will prepare adult learners to use English for entering career and technical (CTE) or another postsecondary education, employment, and participation in the civic life in the United States

OCCUPATION STRUCTURE:
Adult ESOL is a non-credit course with six levels. The courses are non-graded and characterized by open- entry, open exit; self-paced instructional modules; differentiated instruction; flexible schedules; and performance-based evaluation. Students will pre-test over CASA and re-test every 70-100 hours of instruction to progress through the six (6) levels of ESOL.

GED

Adult General Education

PROGRAM DESCRIPTION:
This program will prepare students to obtain the knowledge and skills necessary to pass the Official GED® Tests and be awarded a State of Florida High School Diploma. An additional performance level will certify that the adult student is career and college ready. This program strives to motivate students not only to obtain a GED® diploma, but to continue their education to earn a post-secondary degree, certificate, or industry certification.

PROGRAM STRUCTURE:
The GED® Preparation Program consists of four courses: Reasoning through Language Arts, Mathematical Reasoning, Social Studies, and Science. The courses are non-graded and characterized by open-entry, open-exit; self-paced instructional modules; differentiated instruction; flexible schedules; and performance-based evaluation. Some GED participants may be eligible for an optional IET program (IET subject options may vary per year).

Upon student progression and mastery of skills in the program, a variety of GED® practice tests will be provided, including the official practice test, GED® Ready, to assess if the student is ready for the official high school equivalency exam through Pearson Vue. A testing discount voucher is provided to students enrolled in the program, when the student has mastered the official practice test. The student is then responsible for registering for the official exam through Pearson Vue. The mastery score of 145 is required in all subject areas to earn a high school equivalent.

Integrated Education and Training may be included in GED® preparation to offer the opportunity for industry training in conjunction with the seeking of a GED high school diploma.

General Educational Development (GED®) Preparation is available to individuals who:

- Are 16 years or older and have legally left the secondary school system.
- Do not have a high school diploma or its equivalent.

Cabinetmaking 1

Architecture & Construction

PROGRAM DESCRIPTION:
The cabinetmaking program is designed for aspiring professional furniture makers and dedicated amateurs who seek in-depth training at the highest standard of excellence. The hands-on, project-oriented format includes the full range of furniture making skills. Sequential projects take students from the fundamentals through the fine points of design and craftsmanship. Cabinetmakers re specific types of woodworkers who create and install cabinets in bathrooms, kitchens, other areas of homes and businesses. Typical duties of cabinet makers include designing custom cabinets, making cabinets, installing cabinetry, consulting with clients and other duties as needed. Cabinet makers are responsible for cutting and shaping wood, preparing surfaces and forming a completed product.

OCCUPATION DESCRIPTION:
Cut, shape, and assemble wooden articles or set up and operate a variety of woodworking machines, such as power saws, jointers, and mortises to surface, cut, or shape lumber or to fabricate parts for wood products. Excludes: "Woodworking, Machine Setters, Operators, and Tenders".

Carpentry

Architecture & Construction

PROGRAM DESCRIPTION:
Carpenters are responsible at least in part, for creating just about every building in your community. Homes, schools, court houses and office buildings are built from scratch through the skills and experience of professional carpenters. To be a carpenter is to be a member of one of the oldest and most respected trades in the world. If you enjoy working with tools, like to see your work produce immediately results and if you have a good work ethic, you can build a lifetime career in carpentry. The carpentry program builds lab activities into the program and provides instruction in: use of hand and power tools, selection and use of materials, estimating, blueprint reading, and interpretation of building codes.

OCCUPATION DESCRIPTION:
Construct, erect, install, or repair structures and fixtures made of wood, such as concrete forms; building frameworks, including partitions, joists, studding, and rafters; and wood stairways, window and door frames, and hardwood floors. May also install cabinets, siding, drywall and batt or roll insulation. Includes brattice builders who build doors or brattices (ventilation walls or partitions) in underground passageways.

Drafting

Architecture & Construction

PROGRAM DESCRIPTION:
AutoCAD drafters are employed by manufacturing companies, engineering firms, and architectural firms. Drafters build on the ability to visualize concepts and designs and bring their ideas to life using Computer Aided Drafting (CAD) methods. Drafters use computer software to turn the concepts and specifications of architects, engineers and other manufacturing designers into blueprints and drawings. The yearlong program covers focused instruction in the use of CAD programs including Solid Works and Autodesk. Several students completing this program have continued to pursue a degree in engineering.

OCCUPATION DESCRIPTION:
AutoCAD Drafter: Know engineering and manufacturing terminology, read blueprints, add 3D life to 2D drawings, annotate technical drawings with dimensions styles, text, and multileaders block text, transition AutoCAD designs from concepts to workable construction documents, explore techniques for creating and designing three-dimensional, prepare structural and assembly drawings of machinery, prepare sketches and drawings that include pneumatic hydraulic drawings, prepare drawings to be printed or shared with others and print 3D images of drawings.

Electricity

Architecture & Construction

PROGRAM DESCRIPTION:
This training program will prepare students for employment as skilled Electricians and *Electrician Helpers. It will provide instruction in the basics of electrical wiring with equal emphasis on theory and hands-on experience. It includes learning to read and understand the NFPA 70. Along with the hands-on training, you will learn blueprint reading and applied math.

OCCUPATION DESCRIPTION:
Install, maintain, and repair electrical wiring, equipment, and fixtures. Ensure that work is in accordance with relevant codes. May install or service street lights, intercom systems, or electrical control systems. Excludes: "Security and Fire Alarm Systems Installers".

Digital Media/Multimedia Design

Arts, A/V Technology & Communication

PROGRAM DESCRIPTION:
The growth of the media production and entertainment industry in Florida has increased the demand for experienced multi-media production professionals in private industry, public service and education. A multimedia designer is a highly capable designer that turns any idea into a professional design by incorporating images, graphics, text, animations, video and audio. All Digital Media/Multimedia Design Technology students acquire knowledge and skill through the use of self-paced interactive software and hands-on exercises that are accompanied by teacher-led lectures and demonstrations. Through the application of a variety of computer software programs, students learn to create an assortment of Multimedia Design projects that are refined over time for their final professional portfolio.

OCCUPATION DESCRIPTION:
Graphic Designer: Design or create graphics to meet specific commercial or promotional needs, such as packaging, displays, or logos. May use a variety of mediums to achieve artistic or decorative effects. Multimedia Artist & Animator: Create special effects, animation, or other visual images using film, video, computers, or other electronic tools and media for use in products or creations, such as computer games, movies, music videos, and commercials.

Digital Video Technology

Arts, A/V Technology & Communication

PROGRAM DESCRIPTION:
This program is designed to prepare students for employment as still and video camera operators, streaming video technicians, film production assistants, audio/video equipment technicians, still image and video editors, drone imaging technicians and broadcast technicians. Students get total-immersion, hands-on training in the latest techniques for digital photography and videography, photo and video camera operation, drone operation and regulations, production scripting, lighting, studio production, photo and video editing using Adobe Photoshop, Adobe Lightroom and Adobe Premiere Pro, along with the basics of business and marketing. Graduates are prepared for initial self employment and certifications available include FAA Part 107 Drone Pilot Certification, Adobe Photoshop Professional Certification, and Adobe Premiere Pro Professional Certification.

OCCUPATION DESCRIPTION:
Audio and Video Equipment: Set up and operate photo, video and audio equipment, including recording and streaming equipment. Camera Operators, TV, Video and Film Production: Operate TV, video and film/cinematography equipment for broadcast, streaming, advertising and motion pictures. Photo, Video, and Audio Production: Create, produce and edit photo, video and audio content using industry-standard editing software Adobe Photoshop, Adobe Audition, Adobe Premiere Pro and Adobe Lightroom.

Television Production Technology

Arts, A/V Technology & Communication

PROGRAM DESCRIPTION:
The purpose of this program is to prepare students for employment as photographers, television, audio/video and photography camera operators, production assistants, audio/video broadcast and studio technicians and recording engineers, live streaming and podcast creation, basic website creation, basic marketing and responsible social media. This program emulates a real-world employment environment, requiring punctuality and attendance, and offering a sequence of coherent, rigorous and challenging academic standards and relevant technical knowledge, with skills needed to prepare for further education and careers in the Arts, A/V Technology and Communication career cluster; provides technical skill proficiency and includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes and general employability skills, technical skills and occupation-specific skills, and knowledge of all aspects of the Arts, Photography, A/V Technology and Communication career cluster. The content stresses, but is not limited to, communication and leadership skills, human relations and employability skills, safe and efficient work practices, interview skills, responsibility for overall production of television, photographic, video and audio studio activities, including pre-production, script and copy writing, lighting, shooting and directing documentaries, commercial advertising, cinematography, live streaming and podcasts, electronic news gathering (ENG) and field production. This program also offers the option to acquire the FAA Part 107 UAS Drone Operator Certification.

OCCUPATION DESCRIPTION:
Camera Technology, Photography and Audio/Video Production: Proficient use of digital cameras (still and video), studio technology and safety, commercial and industrial photo and video applications with emphasis on planning and problem solving, composition, lighting and basics of audio technology. Photo, Video, and Audio Production: Plan, record/create, produce, edit and export photo, video and audio content using industry-standard editing software Adobe Photoshop, Adobe Audition, Adobe Premiere Pro, Adobe After Effects and Adobe Lightroom.

Patient Care Technician

Health Science

PROGRAM DESCRIPTION:
The Patient Care Technician (PCT) program requires about six months of training. Nursing assistants commonly work in nursing care facilities and hospitals, but some are employed by doctors' offices, community care facilities and home health care services. The program includes classroom lectures, hands-on training using medical equipment, practical exercises in labs, and real-world experience in a variety of medical facilities and provides more than a CNA certification.

OCCUPATION DESCRIPTION:
Home Health Aide: Provide routine individualized healthcare such as changing bandages and dressing wounds, and applying topical medications to the elderly, convalescents, or persons with disabilities at the patient's home or in a care facility. Monitor or report changes in health status. May also provide personal care such as bathing, dressing, and grooming of patient.

Nursing Assistant: Provide basic patient care under direction of nursing staff. Perform duties such as feed, bathe, dress, groom, or move patients, or change linens. May transfer or transport patients. Includes nursing care attendants, nursing aides, and nursing attendants.

Pharmacy Technician

Health Science

PROGRAM DESCRIPTION:
Pharmacy Technicians usually work beside pharmacists – counting tablets, packaging medicine and processing insurance claims. Pharmacy technicians ensure medications are filled correctly in a specified window of time and require immense precision and detail. The Pharmacy Technician program prepares students for employment in only two semesters as Pharmacy Technicians in hospitals, clinics or retail pharmacies.

OCCUPATION DESCRIPTION:
Prepare medications according to prescription orders.

Phlebotomy

Health Science

PROGRAM DESCRIPTION:
Phlebotomists work in blood banks, hospitals, clinics and other medical facilities drawing blood from patients in preparation for medical testing. As a phlebotomist, you must be able to work directly with patients and have the ability to calm them. Safety is key in phlebotomy and all safety precautions must be taken to prevent the transmission of infectious diseases.

OCCUPATION DESCRIPTION:
Draw blood for tests, transfusions, donations, or research. May explain the procedure to patients and assist in the recovery of patients with adverse reactions.

Practical Nursing

Health Science

PROGRAM DESCRIPTION:
Becoming a Licensed Practical Nurse is the quickest way to enter a nursing career - it only requires one year of training. Practical nurses must be very compassionate and patient, and be excellent caregivers. LPNs perform a variety of tasks including monitoring patients and medical equipment, gathering information from patients and recording it, administering medications and patient care.

OCCUPATION DESCRIPTION:
Provide basic nursing care under direction of registered nurses, physicians and/or supervisors. Licensing required.

20.	Eyebrow Tint	$ 3.00
21.	Keratin Smoothing Treatment	$45.00
22.	Cornrow Hair Braiding (includes shampoo & blow dry)	$15.00
23.	Two Strand Twist or Re-twist (includes shampoo & blow dry)	$15.00
24.	FPTC Cosmetology Student Chemical Fee	$10.00
25.	Hair Treatment with Shampoo & Style (includes special conditioners, hair masks, clarifying treatments, & protein Treatments)	$10.00
26.	Special Occasion Hairstyle without Shampoo and Blow Dry (includes updos & half up hairstyles)	$10.00

Additional charges will be added for extra applications.

NOTE: Salon services may only be rendered to patrons using FPTC Cosmetology salon products with the exception of artificial hair additions which must be provided by the patron.

Applied Cybersecurity

Information Technology

PROGRAM DESCRIPTION:
Cybersecurity is one of the most rapidly increasing areas in the IT industry. Candidates are in large demand in all facets of government, education, and business. Cybersecurity is the branch of computer science that studies cyber threats in order to develop tools and strategies that help provide for a stable, safe and resilient cyberspace. This 25-week hands-on program will give students real world security scenarios. Students learn to protect computers from hackers, secure wireless networks, protect computers from malware and identify security threats.

OCCUPATION DESCRIPTION:
Information Security Analysts: Plan, implement, upgrade, or monitor security measures for the protection of computer networks and information. May ensure appropriate security controls are in place that will safeguard digital files and vital electronic infrastructure. May respond to computer security breaches and viruses. Excludes "Computer Network Architects".

Cloud Computing & Virtualization

Information Technology

PROGRAM DESCRIPTION:
This program offers a sequence of courses that provides coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills to meet the growth of industry. With most IT departments having infrastructure both on site and in the cloud, it is important they have employees that understand and know how to work with this technology. The purpose of the Cloud Computing & Virtualization program is to prepare students in the IT field as a Cloud Technician, Network Support Technician or a Cloud Support Specialist. This program teaches students to maintain, operate, configure, and troubleshoot virtual computer networks.

OCCUPATION DESCRIPTION:
To design and implement enterprise software systems that rely on distributed computing and service-oriented architecture, including databases, web services, cloud computing, and mobile apps. Includes instruction in data management, distributed and cloud computing, enterprise software architecture, enterprise and cloud security, mobile systems and applications, server administration, and web development.

Network Support Services

Information Technology

PROGRAM DESCRIPTION:
Computer Networking is the connecting of computers and computer equipment, to other computers and computer equipment by means of cables or airwaves, routers, and access points for the purpose of sharing data and resources. Students in this program receive hands-on training, with an emphasis on lab classes focusing on computers, servers, routers and other networking devices used to set up cabled and wireless systems. Graduates of this program become employed as IT Assistants, Computer/ Network Support Assistant, Wireless Network Administrator or Data Communication Analyst.

OCCUPATION DESCRIPTION:
Analyze, test, troubleshoot, and evaluate existing network systems, such as local area network (LAN), wide area network (WAN), and Internet systems or a segment of a network system. Perform network maintenance to ensure networks operate correctly with minimal interruption

Basic Recruit Training Program For Florida Correctional Officers

Law, Public Safety & Security

PROGRAM DESCRIPTION:
This training program will prepare students for employment as Correctional Officers and Jailers. The content includes, but is not limited to, knowledge of codes of ethics; history and evolution of laws; introduction to the criminal justice system; statutory authority of the FDLE Criminal Justice Standards and Training Commission (CJSTC); corrections rules, rights, and responsibilities; basic law and legal procedures; correctional operations; investigation knowledge and skills; use of force; defensive tactics; physical fitness; chemical agents, weapons, and firearms skills; controlling, restraining, and arrest techniques; medical first responder techniques; sexually transmitted diseases; emergency preparedness techniques; communications skills; and interpersonal skills.

OCCUPATION DESCRIPTION:
Guard inmates in penal or rehabilitative institutions in accordance with established regulations and procedures. May guard prisoners in transit between jail, courtroom, prison, or other point. Includes deputy sheriffs and police who spend the majority of their time guarding prisoners in correctional institutions.

Crossover from Correctional Officer to Law Enforcement Officer

Law, Public Safety & Secutity

PROGRAM DESCRIPTION:
This training program will prepare students who are currently Correctional Officers to become Law Enforcement Officers. The Criminal Justice Standards and Training Commission have established basic recruit cross-over training programs to provide lateral movement of Florida officers between criminal justice disciplines. Within this program, selected sections of the Florida CMS Law Enforcement Basic Recruit Training Program have been modified to fit the needs of Correctional officers wanting to become certified Florida Law Enforcement Officers. The content includes, but is not limited to, knowledge of codes of ethics; laws, rules, and regulations of arrest; search and seizure; patrol procedures; traffic control and direction; law enforcement vehicle operations; investigation of traffic crashes; DUI enforcement techniques; crime scene investigation techniques; trial procedures and testimony; communications..

OCCUPATION DESCRIPTION:
Maintain order and protect life and property by enforcing local, tribal, state, or federal laws and ordinances. Perform a combination of the following duties: patrol a specific area; direct traffic; issue traffic summonses; investigate accidents; apprehend and arrest suspects, or serve legal processes of courts.prisoners in transit between jail, courtroom, prison, or other point. Includes deputy sheriffs and police who spend the majority of their time guarding prisoners in correctional institutions.

- Pre-registration is required. Fees are due at time of registration.
- NO WEAPONS are allowed during testing.

Fees updated July 14, 2025

CDL Testing Process and Policies

1. Fill out and return the attached application in person, by email, fax or USPS.

2. With the completed application, provide a copy of your CDL permit and a copy of your valid driver's license.

3. Make payment using cash, money order, cashier's check, debit or credit card. (An option for payment is to do this by way of phone using a credit card. Visa, MasterCard, and Discover cards accepted. There is a 4.00% of the transaction amount convenience fee for credit card usage

4.The tester will contact you to confirm the test schedule. Tests are scheduled on a first come, first served basis.

If you have any further questions, call Student Services at 850-638-1180 ext. 6317. We look forward to providing this service for you.

Scheduling Tests

- Initial permits require a 14-day waiting period before driving test.
- All skills test must be scheduled at least 3 full business days in advance. A business day is defined as Monday thru Friday. The day the test is scheduled does not count as the first day. For example –
  Applicant contacts organization on Monday. The first day the applicant is eligible to test is Friday.
  This allows 3 full business days (Tuesday, Wednesday & Thursday).
- Changing a scheduled test due to applicant: If an applicant seeks to change the original test time, the test must be cancelled and rescheduled at least 3 business days in advance.
- Changing a scheduled test due to weather: If inclement weather occurs and a test needs to be postponed to a later time, the test will be rescheduled at least 2 business days in advance.

CDL Testing

- Make sure you understand the scheduled test date and time. Missing an appointment by one hour forces a cancellation of that test and is not refundable. If a test needs to be rescheduled, contact your examiner as soon as possible and prior to your scheduled test day. Ask the examiner if your test can be rescheduled. This will require a minimum wait time of three business days before you can be retested.
- Make sure you have all your paperwork with you when you arrive for your test: driver's license, a valid temporary permit and the receipt showing your test has been paid for, unless you paid for your test over the phone.
- Show up prepared to test. There is no practice prior to testing. Make sure you have studied the most recent Florida CDL Handbook (available online at http://www.flhsmv.gov). Pay close attention to sections 11, 12 &13 in the CDL Handbook. These sections cover all three portions of the CDL Skills Test in which you are about to take. It is highly recommended that you find a comparable vehicle to practice with prior to testing. It is very difficult to learn the driving skills needed by only reading the CDL Handbook.
- If you will be testing using your vehicle, you must also provide a copy of the current vehicle registration and proof of insurance for that vehicle. Additionally, your vehicle must be completely unloaded. If truck is loaded when you arrive for the test, you will not be tested.
- Class A Vehicle requirements are any combination of vehicles with a combined GVWR of both vehicles that is greater than 26,001lbs and 10,000lbs of that must belong to the towed unit (trailer, etc.) This is the weight rating for the vehicles, not how much they weigh.
- Class B Vehicle requirements are any single vehicle with GVWR of 26,001lbs or more. This is the weight rating for the vehicle, not how much it weighs.
- Class C Vehicle requirements are any single with a GVWR (weight rating, not the vehicles weight) less than 26,001lbs and designed to carry 16 or more passengers or used to transport Hazardous Materials in quantities that require placarding, or is carrying any amount of certain HazMat listed in 42CFR part 73.
- The three parts of the skills test (vehicle inspection, backing, road test) normally takes 2.5-3 hours to complete. Each test begins with the vehicle inspection, then moves to the backing, and ends with the road test. Each section must be passed before you move to the next section. You can only test once per day.
- For more information, please call (850) 638-1180 ext. 6356. If no answer, leave your name and contact number and an examiner will call you back as soon as possible.

Diesel Systems Technician 1

Transportation, Distribution, & Logistics

PROGRAM DESCRIPTION:
This training program will prepare students for employment as Diesel Engine Mechanics. The content includes, but is not limited to, maintaining and repairing diesel engines and electrical systems; overhauling diesel engines; and performing diesel engine preventive maintenance. The program also includes training in communication, leadership and employability skills; human relations; and safe efficient work practices.

OCCUPATION DESCRIPTION:
Diagnose, adjust, repair, maintain or overhaul buses and trucks.

COURSE #	OCP	COURSE NAME	HOURS
DIM0101	A	Diesel Engine Mechanic/Technician Helper	150
DIM0102	B	Diesel Electrical and Electronics Technician	300
DIM0104	C	Diesel Engine Technician	300
DIM0105	D	Diesel Brakes Technician	300

ELIGIBLE FOR	
PELL	YES
CAREER SOURCE	YES
TRI-COUNTY	NO
ONLINE	NO

TOTAL HOURS	1050

Requirements:
Age 16+

•Physical Requirements:
Lift 30lbs, crouch, climb ladder

•Academic skill level required to complete program:
Language Grade 9, Math Grade 9, Reading Grade 9

•Articulation Agreement: Some certifications articulate to a minimum guarantee of credit pursuant to Statewide Career Pathways.

•Certification(s):
ASE T Series Medium/Heavy Truck Service
T1 - Gasoline Engines
T2 - Diesel Engines
T3 - Drivetrain
T4 - Brakes
T5 - Suspension & Steering
T6 - Electrical/Electronic Systems
T7 - Heating, Ventilation & A/C
T8 - Preventative Maintenance Inspection
ASE Entry Level
Brakes, Diesel Engines, Electrical/Electronic Systems, Suspension & Steering, Inspection Maintenance & Minor Repair

PUBLIC SAFETY: EQUIVALENCY OF TRAINING (EOT)

Description: The Equivalency of Training (EOT) process is for out-of-state officers, federal officers and previously certified Florida officers with a four year or more break-in-service pursuant to section 943.131(2a), Florida Statutes and Rule 11B-35.009(3) or (4), Florida Administrative Code or for persons who served as a member of the special operations forces pursuant to section 943.131(2)(b), F.S. and Rule 11B-35.009(5), F.A.C.

ITEM	FEE
Eligibility Review – Prior to Enrollment	$150.00 (non-refundable)
EOT One-Week Inclusive Course:	$500.00 (pre-paid no less than 2 weeks prior to start date*).
State Exam Review (in-person instructor led review):	$70.00
FDLE State Exam (paid directly to Pearson Vue):	$100.00

Public Safety 40-hour Refresher

Description: rovides opportunity for previously certified FL Officers to retrain for the Florida State Officer Certification Exam (SOCE) if break of non-certification service is less than four (4) years. If break is more than four (4) year, the student must participate in the EOT.

ITEM	FEE
Re-Training: 40 hours	$160.00

Cosmetology Refresher

Description: Provides opportunity for a student who has completed their required program, to qualify for the Cosmetology Certification Exam.

ITEM	FEE
Refresher Course: 40 hours	$160.00
Refresher Course: 80 hours	$320.00

Unmanned Vehicle: Drone

Prepares the student for the commercial or general operation of an unmanned vehicle, for (but not limited to) agriculture, real-estate, law enforcement, and surveying industries. This information is also be embedded within the Digital Video Technology program page.

ITEM	FEE
Drone & Federal Aviation Administration R (FAA) instruction:16 days	$150.00
FAA Part 107 Certification Exam Review	$70.00
FAA Part 107 Certification (Scheduled through PSI/Tru-Talent/PAN – SITE # ABS42405)	$150.00

Hobby Class-Interior Design/Drapery/Crafts

Please see the Business Office for enrollemnt. Prepares the student for the interior design/crafting industry. Program is taught by a skilled industry professional.

Monday 8:00 am - 2:00 pm (6 hours)
Tuesday 3:00 pm - 9:00 pm (6 hours)
Thursday 5:00 pm - 9:00 pm (4 hours)

ITEM	FEE
Full-Time – Six (6) Hours per week schedule	$325.00
Part-Time – Four (4) Hours per week schedule	$200.00
Summer Full-Time – Six (6) Hours per week schedule	$160.00
Summer Full-Time – Six (6) Hours per week schedule	$100.00
Personal Materials	Cost(s) Vary per need or project

STUDENT RIGHTS AND RESPONSIBILITIES

Students have rights and responsibilities relative to the knowledge and observation of school rules. They also have definite rights and responsibilities in the areas of attendance, right to learn, participation in school programs and activities, respect for persons and property, privacy, assembly, and free speech and student publications. Following is a listing of the specific responsibilities relative to the many aspects of their educational experiences.

RIGHTS

- Students have a right to expect clear and understandable policies, procedure, rules and regulations to be furnished by FPTC. They may expect these policies, procedure, rules, regulations, and laws to be enforced fairly with the right of due process afforded.
- Students have the right to clearly defined information on School Board Rules and individual FPTC program policies dealing with attendance.
- Students have a right to participation in the appropriate FPTC programs at all levels of instruction and in an atmosphere conducive to the teaching-learning process.
- Students have the right, under the direction of a faculty advisor, to form and operate within the appropriate FPTC student organizations.
- Students have the right under the direction of a faculty advisor to seek office and participate in activities and organizations regardless of race, sex, color, creed, or political beliefs.
- Each student has the right to expect that his or her person and property will be respected by other students and the FPTC staff.
- Each student has the right to expect FPTC property to be safe, clean, attractive, and well maintained.
- Students have the right to be protected by legal provisions which prohibit the release of personally identifiable information to other than legally authorized persons and to inspect, review, and challenge such information as provided by law.
- Students have the right to privacy in their personal possessions unless administration has a reasonable cause to believe that the student is concealing material, which possession of, is prohibited by law.
- Students have the right to assemble peacefully on FPTC grounds or in FPTC buildings. Exercise of this right shall be denied when it substantially and directly endangers physical health or safety, damages property, or disrupts FPTC programs. See Title IX guidelines.
- Students have the right to express themselves and to petition and survey student opinion in accordance with the established procedures.

RESPONSIBILITIES

- Students are responsible for knowing and observing FPTC policy, procedures and rules.
- Students have the responsibility to take advantage of their educational opportunity by attending all classes daily and on time.
- High school students must follow FPTC calendar, policies and procedures as well as home school policies and procedures.
- Students have a responsibility to take advantage of the appropriate FPTC programs and not in-fringe on the rights of others to learn.
- Students have a responsibility to involve themselves in the courses in which they are enrolled through participation as directed by the teacher.
- Students have a responsibility to involve parents and school personnel in making certain program & curriculum choices.
- Student organization officers and representatives have the responsibility to be alert to the needs of FPTC, the concerns of the student body, and to work toward the satisfaction of these needs and concerns to the best of their ability.
- Students have the responsibility to:
- Respect the persons and property of other students and the FPTC staff.
- Take care of the property of the Washington County school system.
- Agencies who are working actively and constructively for the benefit of the student, of anything that may be useful in making appropriate educational decisions.
- Students have the responsibility not to carry or conceal any such material that is prohibited by law or would detract from the educational process.
- Students have the responsibility to plan, seek approval, and conduct those activities which are consistent with the educational objectives and responsibilities of the school. Students have the responsibility to accept the rights of other individuals, to have differing viewpoints, and to express themselves on those issues in which they disagree in a manner which does not infringe upon the rights of others or interfere with the orderly educational process of the school and is not obscene or libelous or in violation of the school rules.

STUDENT OPPORTUNITIES FOR SERVICE

SKILLSUSA

Skills USA is dedicated to developing a well-rounded education by enhancing leadership citizenship, safety and skill training. Members compete on regional, state, and national levels in their skill areas. The instructors at the FPTC support and encourage participation in this student organization. Since 2012, the technical college has had seven students qualify to compete at the national level at the annual Skills USA annual competition in Kansas City, Missouri.

Student Government Association

The purpose of the FPTC Skills USA Student Leadership is to promote and develop attitudes of good citizenship, to promote harmonious student faculty relations, to provide a forum for student expression, and to preserve and further the existing high standards of the school in every way. Student leaders are elected by their peers, but must be in good academic and attendance standings to run for office.

STUDENT: ACCEPTABLE USE AGREEMENT

FPTC's telecommunications network provides expanded learning opportunities for students and staff. The goal of this network is to support and enhance learning and teaching that prepares students for success in a global society. By providing this network to our students and staff, FPTC is able to promote educational excellence in our schools by facilitating resource sharing innovation, and communication.

FPTC provides internet filters and takes every reasonable precaution to ensure that internet use is safe. However, students attempting to bypass the school filters or use their home computer may expose themselves to the following risks:

- Sharing offensive websites with other students
- Sending and receiving inappropriate e-mail, blogs and other prohibited messages
- Sharing offensive material created at home
- Sending or receiving libelous electronic messages
- Engaging in the violation of criminal and civil laws
- Illegally uploading or downloading copyrighted material
- Using your child's picture in a false light
- Violating your child's privacy regarding health and other personal issues

The use of the Internet is necessary for training and communication at FPTC. Misuse of the Internet violates school board policy and subjects a student to corrective action. Additionally, there are civil and criminal penalties under Florida and Federal law for misuse of the Internet. Some of the misuses are as follows:

1. Using proxy sites to avoid the district filter
2. Sending and distributing offensive material on district computers or school grounds
3. Sending cyber-threats of death, bodily harm, damage to property to students or staff (i.e., cyberbullying)
4. Creating offensive materials on home computers and distributing them on school grounds
5. Using their own portable devices to distribute offensive material on school grounds
6. Attempting to gain access to or using program administrative passwords or district staff passwords

General guidelines include but are not limited to the following:

1. The student should have no expectation of privacy at any time while using district or FPTC resources, nor at home when it pertains to school business (such as when writing about other students or district employees).
2. The district is authorized to monitor e-mail logs and Internet histories of

students and does so.
3. Students should use the Internet/network for appropriate educational training purposes and research.
4. Students should use the Internet/network only with the permission of designated school staff.
5. Students should be considerate of other users on the network.
6. Cyber bullying is unlawful behavior.
7. Students must use appropriate language for school situations and must not use vulgar or profane language or images, including those with implied vulgarity and/or profanity.
8. Students should immediately report any security problems or breaches of these responsibilities to the supervising instructor or administration.
9. Students must adhere to copyright laws and plagiarism rules when using the Internet.
10. Students must not share user IDs and passwords required to access e-mail and other programs.
11. Students must not give out personal information about themselves or where they live.
12. Students must not fill out forms on the Internet without parent/teacher permission.
13. Students must not send pictures of themselves through e- mail.
14. Students may not have access to e-commerce or publicly provided Internet Service Providers or e-mail services. Students will receive district-approved e-mail accounts upon teacher request and parent permission if the accounts are needed for educational projects.
15. Students must not use proxy avoidance sites (sites that allow the user to bypass the district Internet filter). Use of these sites violates this contract and could result in loss of Internet access and/or other disciplinary actions.
16. Students are required to access the Internet only through district-provided, filtered equipment. Under no circumstances are students to use any personal device (e.g., air card, smart phone, Palm, or other Internet data device) that bypasses this requirement unless prior approval has been given by the school administration and approved by the District Technology Department.
17. Students must not intentionally degrade or disrupt Internet network services or equipment. This includes but is not limited to tampering with computer hardware or software, vandalizing data, invoking computer viruses, attempting to gain access to restricted or unauthorized network services, unauthorized redirection of school web pages, or violating copyright laws.
18. Students must not attach or transfer media from a personal storage device to district hardware without permission from an appropriate staff member (i.e., teachers must ensure that a virus scan is performed).
19. Students must not work directly on teacher, school, or district department websites without express, written permission from the district Web Administrator and Coordinator of Technical Services.
20. Students must not create or work directly on "live" school club/organization websites (e.g., robotics team websites) or any website that represents the district. Students should work on local copies of these websites, which can then be published on a district-approved Web server by an appropriate staff member.
21. Students must not construct websites using content or links that violate state or federal laws.
22. Students must not use the network in a fashion inconsistent with directions from teachers and other staff.
FPTC Students must use these telecommunication resources in a responsible, efficient, ethical, and legal manner in accordance with district policy. The use of these resources is a privilege that can be revoked at any time for inappropriate use. Other legal or corrective action as appropriate to the violation may also be taken.

The users of the Washington County District School Board telecommunications network must recognize that they are bound by state public record laws. Documents that are created to formalize knowledge or transact business of the Washington County District School Board are considered public record, open to the review and copying of the general public. This includes all work records on every computer system, data transmitted over the server's form on site or off-site location, and portable media such as disks, CD's, and any other transportable media. All records must be retained according to Florida Public records statute.

NETWORK/EMAIL ETIQUETTE

All users must understand and practice proper ethical use of the Washington County District School Board's telecommunications network. All users are expected to abide by this Acceptable Use Policy as well as the generally accepted rules of network etiquette.

The rules of network etiquette include, but are not limited to:

- All messages to others will be courteous and non-abusive.
- No swear words, vulgarities, or any other inappropriate language is to be used.
- Messages should be well written. Words are to be chosen carefully to avoid misunderstanding. Users should always proofread and edit messages prior to sending them.
- Descriptive subject heading, salutations, and sender's name should be included in all email messages.
- Avoid using all capital letters (SHOUTING) and any other agitating messages.
- Inappropriate use of the network services, such as online game playing or opening/downloading streaming audio or video, which interrupts the use of the network
by others, is forbidden.
- Students are to be under the direct supervision of their responsible instructor during their use of the network.

GRADUATION

One of the most exciting and rewarding events at FPTC is graduation, which is scheduled at the end of each year. The commencement exercise includes adult high school diplomas, high school equivalency diplomas, and technical program completers. Upon completion of a program, please contact your instructor and Student Affairs for appropriate information and paperwork regarding graduation. Some programs hold their own graduation ceremonies throughout the year, but everyone is strongly encouraged to participate in this significant annual whole-school event.

Typical Daily Schedule

Regular School Year: Monday – Thursday (7.5 hours)

7:30	Begin classes – Students are expected to arrive promptly.
9:15	Morning Break Instructor's Discretion
11:00	Dismiss for lunch
11:30	Continue classes
3:30	Dismiss classes

Summer: Begin 7:00 am. End 3:30 pm., Monday –Thursday (8 hours) 30 min lunch

COURTYARD CAFÉ

All students have access to the Courtyard Café. This is a micro market offering hot and cold foods, snacks, and drinks. There is to be no food or drink in any classroom or shop area without permission of the instructor or director. The general campus appearance and school image is a reflection of students and staff. Pride and self-discipline will help make the school a bright focal point for all persons involved with FPTC. Please make use of disposal containers.

DRESS CODE

Since the primary purpose of the technical college is to prepare students for employment, students are required to dress neatly, to be clean and well groomed, and to wear clothing that is appropriate for the occupation for which they are training. Program instructors will provide specific guidance to all students enrolled. For certain programs, students are required to wear uniforms and/or safety apparel that may be purchased in the bookstore or from designated vendors. Uniforms must be worn properly and kept in good condition. Caps or hats that are part of the school uniform may be worn in lab areas. Other head coverings are not permitted inside buildings. Medical or religious reasons for wearing head coverings must be documented in writing and will be placed in the student's file.

Appropriate attire for the workplace is an essential part of career and technical education and a part of the program frameworks. The word "appropriate" shall be defined to include cleanliness, safety, modesty, in good taste, and/or uniform (if required for program). All instructors shall clarify program dress code in the program syllabus for guidance on these matters. Student will be asked to change apparel if inappropriate. FPTC will comply with Washington County School Board Policy when concerning Dress Code unless required more specific or stringent by the program. A copy of the WCSD policy is available https://www.wcsdschools.com/.

TOBACCO

In accordance with Washington County School Board Policy, FPTC is a tobacco and smoke free campus. Tobacco products or Smoking is not permitted on the campus. This policy is to prevent the use of tobacco on School Board property in compliance with Florida Statute and to provide a healthy learning environment free from exposure to carcinogens. For the purpose of this policy, tobacco is defined as any lighted or unlighted cigarette, cigar, pipe, chewing tobacco, tobacco pods, etc., and any other smoking product, smokeless product or spit less tobacco and/or electronic cigarettes. Individuals may not smoke, chew, dip, or use any type of

tobacco or smoking product on campus or encroaching boundaries.

Individuals may not stand or hang out along the streets or property around the exterior of the campus. Violation of the policy may result in dismissal. Resources are available to assist you with compliance.

DRUG FREE CAMPUS

No person shall be in possession of or be under the influence of an intoxicating beverage or an illegal mood or behavior modifying or controlled substance or use or be in possession of tobacco or tobacco products, as defined by Florida Statutes, while on FPTC campus, at FPTC-sponsored activities, or while on FPTC-sponsored trips involving students. Students not in compliance with FPTC campus policy will be immediately dismissed. When administrative officials have reasonable suspicion that any student at the Florida Panhandle Technical College is under the influence of intoxicating beverages or controlled substances the student will be asked to immediately submit to a urinalysis at their own expense prior to returning to campus. In the event that a student refuses to be tested, the student will be dismissed from the instructional program and forfeit all paid fees.

The student may return to campus with a negative test result. Any student dismissed for drug related issues, may be required to complete a substance abuse program prior to re-entry. In all cases, the student will be tested prior to return to class and will be responsible for the expense of the return to class testing as well as for follow-up testing that may be required by the administration. The referral or dismissal of any student for positive drug testing results will be handled in a confidential manner to avoid any potential embarrassment to the student.

All administrators are hereby directed to advise an individual who has an alcoholic beverage in his/her possession to leave the campus immediately.

Any person who has been given notice by an administrator and either fails to leave the premises or leaves, but returns to the premises in possession of an alcoholic beverage shall be deemed a trespasser. The police or other proper law enforcement agency may be notified to arrest the trespasser.
While on FPTC-sponsored trips, the following action may become necessary:

- Alcoholic beverages in possession of minors will be seized.
- Students and/or adults in possession of alcoholic beverages may be sent back at their own expense and/or other appropriate actions taken.

STATUTORY AUTHORITY: 1001.41; 1001.42, F.S.
LAWS IMPLEMENTED: 1001.43; 1012.22; 1012.27, F.S.
HISTORY: ADOPTED: REVISION DATE(S): 11/11/02;

FORMERLY: 2.116, 3.107, 3.108, 3.160, 6.170, And 8.212

CAMPUS LEAVE POLICY

STUDENT LEAVE PROCEDURES

For safety reasons, any student wishing to leave class during school hours must sign out with their instructional supervisor before leaving campus. Students under 18 years of age or dually enrolled are not allowed to leave campus without parental permission and must sign out at the Business Office in the administration building. Before a minor is authorized to leave campus, prior to the end of scheduled classes, the student must sign required forms in the Dual Enrollment packet to:

•Have proof of parent or guardian approval, or verification from the home school principal, or teacher requesting leave.
•Secure permission from his/her instructor by obtaining the instructor's signature and reason for leaving on an instructor's permission slip.
•Secure permission from the administration to leave campus. Forms are located in the Dual Enrollment Application Packet.

TRESPASSING / LOITERING

Trespassing is determined when any person is on campus who:
•Does not have legitimate business on the campus or any other authorization, license, or invitation to enter or remain upon school property is guilty of a misdemeanor of the second degree, punishable as provided in Florida Statute 775.082 or s. 775.083.

•Is a student who has been dismissed; and who enters or remains upon the campus or any other facility owned by any such school commits a trespass upon the grounds of a school facility and is guilty of a misdemeanor of the second degree, punishable as provided in Florida Statute 775.082 or s. 775.083.

•Enters or remains upon the campus or other facility of a school after the administrator of such school, or his or her designee, has directed such person to leave such campus or facility or not to enter upon the campus or facility, commits a trespass upon the grounds of a school facility and is guilty of a misdemeanor of the first degree, punishable as provided in Florida Statute 775.082 or s. 775.083.

Any administrator of a school, or designee, who has probable cause to believe that a person is trespassing upon school grounds in violation of this section may take such person into custody and detain him or her in a reasonable manner for a reasonable length of time pending arrival of a law enforcement officer.

Such taking into custody and detention by an authorized person does not render that person criminally or civilly liable for false arrest, false imprisonment, or unlawful detention. If a trespasser is taken into custody, a law enforcement officer shall be called to the scene immediately after the person is taken into custody.

Any law enforcement officer may arrest either on or off the premises and without warrant any person the officer has probable cause for believing has committed the offense of trespass upon the grounds of a school facility. Such arrest shall not render the law enforcement officer criminally or civilly liable for false arrest, false imprisonment, or unlawful detention.
Loitering shall not occur: Doors and passageways should NOT be blocked or hindered, allowing free traffic flow at all times. This is especially true for the Courtyard Cafe doors and the back doors to the front office. Students will NOT be permitted to loiter in the school parking lots to include lunch and breaks.

BUS PRIVILEGES

Students have an opportunity to take advantage of using privileges when available. However, inappropriate student behavior on the provided transportation will not be tolerated from any student attending FPTC. Students will lose their bus privileges upon receipt of one (1) misconduct report from the driver.

DRIVING PRIVILEGES

All students are required to obtain a parking permit upon acceptance into a FPTC program. All high school students will be expected to ride the bus unless they have permission from their high school, parents, and instructor to walk or drive. Permission forms for dual enrollment students are within the dual enrollment application and must be completed each year. Students should remember that being allowed to walk or drive to and from the Technical College is a privilege, not a right. In the case of careless or Reckless driving, excessive tardiness or lack of attendance, driving privileges may be suspended or revoked.

Student Parking Areas

All student vehicles must be registered in order to utilize parking areas. Information and forms will be providedby the instructors. Students are permitted to park in regular spaces nearest their program unless otherwise designated The front parking lot of the Administration Building in for visitors and staff only.

Handicapped parking spaces are designated. Once a student arrives on campus they are not allowed to sit in their vehicles or return to their vehicle unless they are leaving campus. **Vehicles are to be parked in "marked" parking spaces ONLY.**

Student Parking

1. Students who provide their own transportation may park only in the regular student parking areas unless they have been given a special permit by the Administration. Please park in as neat and orderly fashion as possible. HIGH SCHOOL STUDENTS DRIVING THEIR OWN CARS MUST HAVE A PERMISSION FORM. Forms are available in the Dual Enrollment packet for this purpose.
2. Students are NOT to go to the parking area for any reason during school hours without the permission of instructor; nor are they allowed to loiter there after arriving at the Technical College, or during lunch and breaks.
3. Students should remember that being allowed to drive to and from the technical college is a PRIVILEGE, not a RIGHT. Any student who cannot comply with these reasonable regulations will have this privilege taken from him/her.Loitering shall not occur: Doors and passageways should NOT be blocked or hindered, allowing free traffic flow at all times. This is especially true for the Courtyard Cafe doors and the back doors to the front office. Students will NOT be permitted to loiter in the school parking lots to include lunch and breaks.

VISITOR PARKING AREAS

1. Parking in front of the Administration building is for visitors, testers, and staff.
2.Area between Automotive Collision, Automotive Services Technology, and Welding to the north and Student Center to the south.
3.Area immediately in front of Heavy Equipment Mechanics building.
4.All areas designated Faculty, Visitors, and Handicapped.
5.All loading zones.

Student cars scheduled to be worked on will remain in regular parking area until working space is available. All work in Automotive Services Technology will be done in the shop or on the north side inside the fenced area. Entrance to and exit from east parking lot will be on West Boulevard, south parking lot from South Boulevard, and west parking lot from Hoyt Street.

Parking between the Welding and Automotive Repair buildings and the curb north of the Student Center (Food Services building); Bldg. 2 & Bldg. 3 is reserved for school owned vehicles, vehicles waiting to be repaired, and service vehicles.

Handicapped Parking
Handicapped parking spaces are provided near the entrance of each building. These spaces are clearly marked and are for handicapped only. Vehicles that violate parking policies will be towed at the owner's expense.

MONEY BACK GUARANTEE

Pursuant to Florida Legislative HB 1507 (2021), FPTC offers a Money-Back Guarantee Program (MBGP) for six Programs/Program #: Correctional Officer (L100200), Law Enforcement Officer (P430105), License Practical Nurse (H170607), Pharmacy Technician (H170500), Crossover to LEO from CO (L100300), and Crossover from CO to LEO (P430125). Stipulations apply for the refund of out-of-pocket expenses. Details may be found in the MBGP Policy located in the Administrative and Student Affairs Offices of FPTC, or on the FPTC website (fptc.edu).

TITLE IX

Policies against discrimination and sexual harassment are posted for review on the FPTC.edu website under TITLE IX.

The School Board and FPTC desire to maintain an academic environment in which all students are treated with respect and dignity. A vital element of this atmosphere is the Board's commitment to equal opportunities and the eradication of discriminatory practices including sexual harassment. Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the School Board. Sexual harassment's destructive impact wastes human potential, demoralizes students, and perpetuates the tendency to further unacceptable behavior. For these reasons, the School Board forbids harassment against any student on the basis of sex. The Board will not tolerate sexual harassment activity by any of its students.

Policy Against Discrimination

The Florida Panhandle Technical College is committed to a policy of nondiscrimination in employment and education opportunity:

No person shall, on the basis of race, color, sex, gender, age, ethnic or national origin, genetic information, marital status, sexual orientation, disability, political or religious beliefs be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity, or in any employment conditions or practices conducted by this School District, except as provided by law.

• The School Board shall comply with all state and federal laws, which prohibit discrimination and are designed to protect the civil rights of applicants, employees, and/or students, or other persons protected by applicable law.
• The School Board shall admit students to District Schools, programs, and classes without regard to race, color, religion, gender, age, ethnic or national origin, marital status, disability or handicap.

Sexual Harassment: Definition

Sexual harassment consists of any unwelcome verbal and/or physical gestures which may be interpreted as sexual in nature. It includes sexual advances and/or requests for sexual favors to an unwilling person whether or not physical contact occurs. Because these actions create an intimidating, offensive or hostile learning environment they will not be tolerated by the administration of this Technical College and may result in immediate disciplinary actions. Behaviors that may result in administrative actions include any such actions that occur on campus, at off-campus school sites, or at any and all district or school-sponsored events.

Examples of sexual harassment:

Sexual harassment may include, but are not limited to, the following:
•Verbal harassment or abuse of a sexual nature;
•Subtle pressure for sexual activity;
•Repeated remarks to a person with sexual or demeaning implications (e.g., a person's body, clothes or sexual activity);
•Unwelcome or inappropriate physical contact such as patting, pinching, or unnecessary touching;
•Suggesting or demanding sexual involvement accompanied by implied or explicit threats;
•Display of sexually suggestive objects, pictures, or written materials.
•Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.

Specific Prohibition
It is sexual harassment for a student to subject another student or a school employee to any unwelcome conduct of a sexual nature on school property or at a school-sponsored event. Students who engage in such conduct shall be subject to penalties as described herein.

Procedures
Any student who alleges sexual harassment by another student should file a complaint. The complaint orm may be found at fptc.edu/Title_IX. Filing of a complaint or otherwise reporting sexual harassment will not affect the student's status, extracurricular activities, grade, or any other assignments. The complaint should: be in writing, state the act or acts, state the date(s), state the names of witnesses, and be signed by the complainant.

The formal procedure shall commence after the filing of a complaint. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board's legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment. A substantiated charge against a student shall subject that student to corrective action.

The formal process shall include:
1. Complaint (Registrar)
2. Investigation (Asst Director)
3. Hearing (FPTC Director or Designee)
4. Determination (FPTC Director or Designee)
5. Appeal (WCSD HR Director)

TITLE IX PERSONNEL

The following personnel are responsible to ensure TITLE IX compliance is met.

- **Coordination**: FPTC DIRECTOR
- **Investigation**: FPTC Human Resource Admin
- **Hearings/Decisions**: WCSD Superintendent
- **Appeals: WCSD** HR Administration Designee

Sexual Assault: Please see the Campus Code of Conduct for guidelines covering other Possible Criminal Offenses.

Compliance with Title IX, Section 504, ADA and the Florida Educational Equity Act:

No person shall, on the basis of race, color, gender, age, ethnic or national origin, marital status, disability, political or religious beliefs be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity, or in any employment conditions or practices conducted by this School District, except as provided by law. The School Board Policy and the Procedures, related to: the prohibition of discrimination and the grievance procedures for resolution of a complaint, are available upon request in the Florida Panhandle Technical College Director's Office, the PAEC Office and in the Superintendent's Office.

STUDENT CODE OF CAMPUS CONDUCT AND DISCIPLINE

The Florida Panhandle Technical College assumes that students eligible to enter the postsecondary facility are familiar with the ordinary rules governing proper conduct and behavior. Section 1006.07 (1) (b), Florida Statutes (District school board duties relating to student discipline and school safety), requires each district school board to adopt rules that require each student at initial registration for school enrollment in the district to report any previous school expulsions, arrests resulting in a charge, and juvenile justice actions the student has had. This section also provides authority for the receiving school board to waive or honor the final order of expulsion or dismissal of a student by any in- state or out-of-state public district school board or private school for an act that would have been grounds for expulsion according to the receiving district school board's code of student conduct.

FPTC regulations forbid public displays of affection, gambling, profanity, the use of tobacco products or smoking, the use of alcoholic beverages and narcotics, and the presence of a student on campus under the influence of either. Students are encouraged to promote the Technical College and to recommend the various programs to friends. However, students and visitors may not loiter on campus or in the parking lots. This is disruptive to other students and classes.

Unless approved by program instructor, electronic devices are prohibited and will be removed from the individual's possession. Cell phones are to be used at the discretion of the instructor. Failure to comply may result in confiscation of phone and its return at the discretion of the Director. Students are expected to be in class working. Persuant to F.S. 1004.097 adn WCSB policies, students in public higher education may record class lectures only for specific approved (with permission of teacher/instructor/professor) purposes, and they cannot publish the recordings without consent. Reasons to record may be Personal Use/Review, Connection with a complaint to the institution, Evidence in a civil or criminal legal proceeding. FPTC adheres to these rules and expects students to comply with these rules and be aware that no student may film in classrooms without permission of the instructor, and any filming on the FPTC campus student activities not related to education must have consent of all involved before filming or publication.

FLORIDA PANHANDLE CAMPUS CODE OF CONDUCT

1. No person on the FPTC campus shall intentionally obstruct and/ or forcibly prevent others from the exercise of their rights. Nor shall any person interfere with the institutions educational processes or facilities, or the rights of those who wish to avail themselves of any of the institutions instructional, personal, administrative, recreational, and community services.
2. Individuals are liable for failure to comply with lawful directions issued by representatives of FPTC when they are acting in their official capacities. Any person on campus are required to show identification when requested to do so by an official of FPTC.
3. Unauthorized occupancy of technical college facilities or blocking access to or from such areas is prohibited. Permission from appropriate technical college authorities must be obtained for removal, relocation, and use of FPTC equipment and/or supplies.
4. Theft from, or damage to FPTC premises of property, or theft of or damage to property of any person on the technical college premises is prohibited.
5. Action may be taken against any and all persons who have no legitimate reason for their presence on any campus within the technical college or whose presence on any such campus obstructs and/or forcibly prevents others from the exercise of their rights or interferes with the institution's educational processes or facilities, or the rights of those who wish to avail themselves of any of the institutions instructional, personal, administrative, recreational, and community services.
6. Disorderly or indecent conduct on the Technical College campus or Washington County School Board owned or controlled property is prohibited.
7. No individual shall have in their possession a rifle, shotgun, or firearm or knowingly have in their possession any other dangerous instruments or material that can be used to inflict bodily harm on an individual or damage upon a building or the grounds of the University/College without the written authorization of such educational institution. Nor shall any individual have in their possession any other instrument or material which can be used and is intended to inflict bodily harm on any individual or damage upon a building or the grounds of FPTC.
8. Any action or situation which recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor or drugs for the purpose of initiation into or affiliation with any organization is prohibited.
9. The unlawful possession, use, or distribution of alcohol by students or employees on the technical college premises is prohibited.

CORRECTIVE ACTION

SPECIFIC GROUNDS FOR CORRECTIVE ACTION

Since inappropriate workplace behavior of any degree of frequency is undesirable and not conducive to a positive learning or workplace environment for all, students shall understand that certain actions are applicable to correct their behaviors. Because some behaviors are more inappropriate than others, the frequency, nature, and degree of the misconduct will determine the specific corrective action which will be taken.

Following is a non-exhaustive list of inappropriate behaviors for which corrective action will be taken:

- Assault and battery Abusive or obscene language
- Bullying, Threats, and Intimidations Careless or reckless driving and/or abuse of driving privilege
- Cheating
- Damage to personal property of students and staff members
- Damage to school property
- Defiance
- Disrespect for any school personnel
- Distribution of unauthorized materials/substances/material items
- Disturbance of class or school activities
- Excessive absences or tardiness
- Failure to follow instructions
- Inappropriate workplace attire
- Inappropriate display of affection
- Libelous statements
- Loss or damage of materials belonging to the school/others
- Physical or verbal abuse of students or staff members
- Physical Violence
- Possession/use of unauthorized substances/material items
- Possession and/or use of weapons
- Theft
- Threats of physical violence
- Unauthorized assembly
- Unauthorized campus leave
- Vandalism or property damage of any kind
- Violation of bus rules
- Violations of Procedures or Policies
- Violation of Tobacco/Smoke Free Campus

CORRECTIVE ACTIONS FOR INAPPROPRIATE BEHAVIOR

Depending on the seriousness and frequency of the misconduct certain disciplinary procedures will be followed. For those behaviors which are less serious, any of the following actions may be taken:

- Campus Leave
- Conference with student
- Dismissal
- Loss of privileges

•Probationary status
•Restitution for property damaged/stolen
•Warning/reprimand
•FPTC service assignment

Specific corrective actions are in place and are a part of the student handbook. The handbook is approved by the Washington County School Board and all persons involved will be aware of their responsibilities and rights, but also of the actions that will be taken for inappropriate behavior in the workplace.
Some of the violations of campus policies are also violations of the laws in the Criminal Code of the State of Florida. If student violate these laws, not only will they be subject to dismissal from campus, but the local law enforcement officials will be contacted and the student's actions will also be handled by these authorities.

Students who demonstrate by their actions they are unwilling to comply with district or FPTC policies will be withdrawn for a minimum of one academic year.

CORRECTIVE ACTION BOARD:

Program Corrective Action Conference:
The Corrective Action Board conference shall be conducted by the program instructor/supervisor. The following procedures shall be in effect at this conference:

1. The effort will be made to resolve the matter between the program instructor/ supervisor and the student.
2 If a resolution to correct the student's actions is reached, the program instructor/supervisor conducting the conference shall document the plan and any consequences for non- compliance, on the Corrective Action Plan Form. After signing the form, the student will be given a copy of the corrective action plan.
3. If no resolution of corrective behavior is reached, the program instructor/ supervisor conducting the conference shall refer the matter to the assistant director as a disciplinary complaint against the student and the complaint procedure will begin.

Complaint Procedures

1. Any charge, accusation, or allegation which is to be presented against a student, and, which if proved, may subject a student to corrective action or a disciplinary hearing, must be submitted in writing in complete detail to the office of the assistant director promptly by the individual, organization or department making the charge.
2. The assistant director or designee will conduct a preliminary investigation in order to determine whether disciplinary charges should be preferred. The assistant director or designee will advise the student of the allegation against him or her, consult with other parties who may be involved or who have information regarding the incident, and review other relevant evidence. Following this preliminary investigation, which shall be concluded within ten (10) calendar days of the filing of the complaint, the assistant director or designee shall take one of the following actions:
3. Dismiss the matter if there is no basis for the allegation(s) or the allegation(s) does not warrant disciplinary actions. The individuals involved shall be notified that the complaint has been dismissed;
4. Conduct corrective action conference with the individual involved and implement a corrective action plan; or
5. Prefer formal disciplinary charges and set a hearing date before the Corrective Action Board (CAB). The student will be provided a Notice of Hearing and will not return to campus until the student hearing has been conducted and a decision from the board has been rendered.
6. In the event that a student withdraws from the technical college after a charge, accusation or allegation against the student has been made, and the technical college prefers formal disciplinary charges, the withdrawn student is required to participate in the disciplinary hearing or otherwise to resolve the pending charges and will be barred from attending the technical college until a decision on the charges is made or the charges are otherwise resolved. If the withdrawn student fails to so participate in the disciplinary process without good cause, the technical college may proceed with the disciplinary hearing in the student's absence and any decision and sanction will be binding. The Corrective Action Board has the final decision in all disciplinary matters.

NOTICE OF HEARING AND CHANGES

Notice of the charge(s) and of the time and place of the hearing shall be personally delivered or sent by the assistant director to the student at the address appearing on the records of the technical college, by certified or overnight mail and by regular mail and e-mail to students who have a technical college e-mail address. The assistant director is also encouraged to send the notice of charges to any other e-mail address that is on record for the student. The hearing shall be scheduled within a reasonable time following the filing of the charges. Notice of at least five business days shall be given to the student in advance of the hearing unless the student consents to an earlier hearing. For educational purposes, it is to the benefit of the students to get a resolution quickly.

The notice shall contain the following:

1. A complete and itemized statement of the charge(s) being brought against the student including the rule, bylaw or regulation he/she is charged with violating, and the possible penalties for such violation.
2. A statement that the student has the following rights:
   •to present his/her side of the story;
   •to present witnesses and evidence on his/her behalf;
   •to cross-examine witnesses presenting evidence against the student; and
   •to remain silent without assumption of guilt.
3. A warning that anything the student says may be used against him/her at a non-technical college hearing.
4. Students subjected to the CAB procedure will be required to sign a FERPA Release Form giving permission for board members to have access to student information. Refusal to sign release form will result in dismissal.

COMMITTEE STRUCTURE

a. Each Corrective Action Board (CAB) shall consist of two faculty members and three student members and a chairperson, who shall be an administrative member. A quorum shall consist of the chair and any three members, one of whom must be a student. Hearings shall be scheduled promptly at a convenient time and efforts shall be made to insure full student and faculty representation.
b. The president shall select in consultation with the head of the appropriate campus governance body or The chairperson shall preside at all hearings of the Corrective Action Board and decide and make all rulings for the committee. He/she shall not be a voting member of the committee but shall vote in the event of a tie.
c. All members shall be selected from a list of volunteers.
d. Persons who are to be participants in the hearings as witnesses or have been involved in preferring the charges or who may participate in the appeals procedures or any other person having a direct interest in the outcome of the hearing shall be disqualified from serving on the committee.
e. Parliamentarian procedures will be followed and meeting minutes will be taken. During each hearing, all Federal Education Rights and Privacy Act (FERPA) and HIPPA laws will be observed.

CORRECTIVE ACTION BOARD (CAB) HEARING MEMBERS:

Corrective Action Board (CAB) Hearing Members:
Volunteer faculty, staff and students of FPTC will serve as members of the CAB. A new volunteer list will be composed in August of each year. However, volunteers

may be added to the list at any time throughout the school year. The Office of the Director will be responsible for managing the list. Each hearing board will consist of the following six (6) members:

1. Non-Voting Member – Chairperson – FPTC Assistant Director or Designee
2. Voting Member – One (1) Elected Student Representative
3. Voting Member – One (1) Faculty or Staff Volunteer from the Program Cluster
4. Voting Member – One (1) Faculty or Staff Volunteer from an alternate Program Cluster.
5. Voting Member – One (1) Student Volunteer from the same Program Cluster
6. Voting Member – One (1) Student Volunteer from an alternate Program Cluster

STUDENT DISCIPLINARY PROCEDURES

The following procedures shall apply at the hearing before the faculty-student disciplinary committee:

1. The chairperson shall preside at the hearing. The chairperson shall inform the student of the charges, the hearing procedures and his or her rights.
2. After informing the student of the charges, the hearing procedures, and his or her rights, the chairperson shall ask the student charged to respond. If the student admits the conduct charged, the student shall be given an opportunity to explain his/her actions before the committee and the technical college shall be given an opportunity to respond. If the student denies the conduct charged, the technical college shall present its case. At the conclusion of the technical college's case, the student may move to dismiss the charges. If the motion is denied by the committee the student shall be given an opportunity to present, his or her defense.
3. Prior to accepting testimony at the hearing, the chairperson shall rule on any motions questioning the impartiality of any committee member or the adequacy of the notice of the charge(s). Subsequent thereto, the chairperson may only rule on the sufficiency of the evidence and may exclude irrelevant, immaterial or unduly repetitive evidence. However, if either party wishes to question the impartiality of a committee member on the basis of evidence which was not previously available at the inception of the hearing, the chairperson may rule on such a motion. The chairperson shall exclude all persons who are to appear as witnesses, except the accused student.
4. The technical college shall make a record of each fact-finding hearing by some means such minutes, a tape recording or the equivalent. A student who has been disciplined is entitled upon request to a copy of such a record without cost.
5. The technical college bears the burden of proving the charge(s) by a preponderance of the evidence.
6. The role of the Corrective Action Board is to listen to the testimony, ask questions of the witnesses, review the testimony and evidence presented at the hearing and the papers filed by the parties and render a determination as to guilt or innocence. In the event the student is found to have committed the conduct charged, the committee shall then determine the penalty to be imposed.
7. At the end of the presentations by both sides, the student may introduce additional records, such as character references. The technical college may introduce a copy of the student's previous disciplinary record, where applicable, provided the student was shown a copy of the record prior to the commencement of the hearing. The disciplinary record shall be submitted to the committee in a sealed envelope and shall not be opened until after the committee has made its findings of fact. In the event the student has been determined to have committed the conduct alleged in the charge or charges the records and documents introduced by the student and the college shall be opened and used by the committee for dispositional purposes, i.e., to determine an appropriate penalty if the charges are sustained.
8. The committee shall deliberate in closed session. The committee shall issue a written decision, which shall be based solely on the testimony and evidence presented at the hearing and the papers filed by the parties.
9. The student shall be sent a copy of the Corrective Action Board (CAB) committee's decision within five days of the conclusion of the hearing, by regular mail. The decision shall be final subject to the student's right of appeal.
10. When a disciplinary hearing results in a penalty of dismissal or suspension for one term or more, the decision is a college-wide penalty, and the student will be barred from admission to any other program of the college while the penalty is being served.
11. Disciplinary penalties shall be placed in the student's file. The penalties will be placed on a student's transcript and shall remain there unless the committee's decides otherwise.

APPEALS

An appeal of the decision of the Corrective Action Board (CAB) may be made to the Washington County Superintendent who may confirm or decrease the penalty but not increase it. The Superintendent's decision shall be final except in the case of dismissals or suspension for one term or more. An appeal from a decision of dismissal or suspension for one term or more may be made to the board committee on student affairs and special programs. Any appeal under this section shall be made in writing within fifteen days after the delivery of the decision appealed from. This requirement may be waived in a particular case for good cause by the president or board committees as the case may be. If the president is a party to the dispute, his/her functions with respect to an appeal shall be discharged by an official of the university to be appointed by the chancellor or his or her designee.

SUSPENSION OR DISMISSAL

The CAB reserves full power to dismiss or suspend a student, or suspend a student organization for conduct which impedes, obstructs, or interferes with the orderly and continuous administration and operation of FPTC in the achievement of its purposes as an educational training institution. The Administration of the Technical College may in emergency or extraordinary circumstances, temporarily suspend a student, or temporarily suspend the privileges of a student organization or group for cause, pending an early hearing to take place within not more than ten (10) business days. Prior to the commencement of a temporary suspension of a student, the technical college shall give such student oral or written notice of the charges against him/her and, if he/she denies them, the college shall forthwith give such student an informal oral explanation of the evidence supporting the charges and the student may present informally his/her explanation or theory of the matter. When a student's presence poses a continuing danger to person or property or an ongoing threat of disrupting the academic process, notice and opportunity for denial and explanation may follow suspension, but shall be given as soon as feasible thereafter.

GRIEVANCE OR COMPLAINT NOT UNDER TITLE IX

When a student feels that he/she has a complaint, every effort is to be made to arrive at a satisfactory resolution of the problem on an informal basis. When a resolution cannot be reached, students can resort to the more formal procedures as provided herein.

Definitions

- "Complaint" shall mean any dispute or disagreement involving the interpretation or application of an existing board rule or practice.
- "Complainant" shall mean any student, or group of students, directly affected by the alleged misinterpretation or violation, filing a complaint.

Time Limits

The number of days indicated at each level is to be considered the maximum. Time

limits may be extended by mutual agreement between parties.

Steps

Informal discussion - a student believes there is a basis for complaint, he or she shall discuss the complaint with his or her instructor, support service staff, assistant director or director (except in the case of discrimination or harassment allegations involving the supervisor, in which case they shall report to the Equity Coordinator) within five (5) days of the occurrence of the alleged violation except in cases involving harassment or discrimination in which sixty (60) days will be allowed. Should a grievant wish to process a grievance beyond the informal state, he/she may do so by contacting:

- Level one - if the student is not satisfied with the informal resolution he or she may, within ten (10) days, file a formal complaint on the proper form and deliver it to his or her instructor, assistant director or director. This individual shall communicate his or her answer in writing to the student within ten (10) days after receipt of the complaint.
- Level two - if the student is not satisfied with the resolution at level one he or she may, within ten (10) days, file a formal complaint on the proper form and deliver it to the director. The individual shall communicate his or her answer in writing to the student within ten (10) days after receipt of complaint.
- Level three - if the student is not satisfied with the resolution at level two he or she may, within ten (10) days, file a formal complaint on the proper form and deliver it to the superintendent. The individual shall communicate his or her answer in writing to the student within ten (10) days after receipt of complaint.

Board Appeal

If the student is not satisfied with the resolution by the superintendent, he or she shall have the right to appeal the superintendent's decision to the School Board; provided request for placement on the board's agenda is filed within ten (10) days. Confidentiality and protection from retaliation will be provided to the extent possible to any student, who alleges discrimination or harassment.

Additional Processing

If the grievant is not satisfied with the results of the formal procedure, he/she may utilize other means for resolution as provided by the law and may contact: STUDENT COMPLAINT FORM: TWO PAGES - PAGES 101-102 (This is NOT used for TITLE IX Harassment or Discrimination)

GRIEVANCES (NOT TITLE IX)

Grievance Procedure for Students Board Policy 5.81*

Legal Proceeding

In the event of litigation, all Washington County District School Board staff and students are under federal and state civil rules of procedure that require disclosure and allow search of all computer hardware and software. This includes, but is not limited to, school or district computers, laptops, printers, cell phone, and other electronic equipment. Any attempt to damage or destroy evidence embedded in any of these will cause severe civil and criminal penalties (legally know as spoliation claims).

Amendments

This policy may be amended or revised as the need arises based on Washington County District School Board policies and procedures. Users will be provided with copies of all amendments and revisions. This policy will also be posted and maintained on the district's web site, located at http://www.FPTC.us.

Disclaimer

District School Board makes no guarantees about the quality of the telecommunication network/internet services provided and is not responsible for any claims, losses, damages, costs, or other obligations arising from the unauthorized use of the services. Individual users are responsible for any losses sustained by the district or its affiliates resulting from the user's intentional misuse of these services. The district assumes no responsibility for the accuracy or quality of information obtained through these services.

Admittance of Prior Online Abuse

By signing the appropriate Acceptable Use Agreement form, all employees and student users validate that they have no present or past disciplinary record for telecommunications network/internet abuse. Further, all users acknowledge that they have not been found guilty in a United States civil or criminal court for violating any state or federal computer laws.

Grievance Form for Students – One Page –PAGE 103

Student: Provide to Original to the Assistant to the Director. You will be provided a copy.

CAMPUS SAFETY

Emphasis is placed on good work habits and the avoidance of hazards in all industrial situations. Use of essential protective devices, such as safety glasses, for students participating in certain laboratory and shop activities is required. Extreme styles in clothing and hair may be contributing factors in causing accidents in some shop areas. In all cases, each shop's rules will be followed. Bulky sleeves, ties, necklaces, etc. (inappropriate shop wear) should be avoided in lab situations where equipment is in use. Strict precaution should be taken with flammable liquids. Remember safety is for your protection. No student will be allowed to operate equipment unless authorized by the instructor. All students are expected to return tools, equipment, etc. in good condition or pay for any damage or loss. Students must wear their ID badges at all times while on campus.

Student Right-to-Know & Campus Security Act of 1990:

The Student Right-to-Know and Campus Security Act of 1990 require all postsecondary institutions participating in Federal Student Aid programs to disclose campus security policies and certain crime statistics. Florida Panhandle Technical College publishes an annual disclosure report to faculty, staff, and students to comply with the provisions to the law.

Weapons Prohibited

Any student who has or carries any gun, pistol, sword, knife, razor, or any other item intended as a weapon, on the FPTC campus, into any building, or on a school bus or at any FPTC sponsored activity or who has such items on his/her person or in an automobile or other vehicle parked on the campus or adjacent thereto, shall be

immediately dismissed.

Bullying, Threats & Intimidations Prohibited

Violation of the district school board's policy bullying, threats and intimidation by a student is grounds for dismissal or imposition of other corrective action as deemed appropriate by the director or designee.

Campus Safety Disclosure

According to the Student-Right-to-Know and Campus Security Act each institution is required to publish its crime statistics. Our statistics indicate very little crime at our Center; however, we encourage you to take every precaution to protect yourself against crime to ensure your own safety. Please notify a member of Administration if you feel that your safety is in possible jeopardy or in the event that you want to report a crime, accident or emergency.

Notice is hereby given that all Student Right-to-Know information and Campus Security Information (Public Law 101-542) are available to current or prospective students from administration and will be provided upon request. You may contact us at (850)638-1180 Ext. 6301 or visit us at 757 Hoyt Street, Chipley, Florida.

Campus Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act and the Florida Violent Crime Control and Law Enforcement Act of 1994 mandate that higher education institutions inform their campus communities where information is available concerning registered sexual offenders.

The Florida Department of Law Enforcement Web site may be used to access all registered sexual offenders in the state of Florida. To report information anonymously, call the Florida Department of Law Enforcement's toll-free line at 1-888-357- 7332.

Anyone requiring additional information may contact Bryan Lee, FPTC Director, at (850) 638-1180 ext. 6301.

Website: http://offender.fdle.state.fl.us/offender/

The following information may also coincide with the TITLE IX Rules and Regulations

Abuse Hot Line Phone: (800) 962-2873 (Call 24-hours a day)

The Florida Abuse Hotline accepts reports 24 hours a day and 7 days a week of known or suspected child abuse, neglect, or abandonment and reports of known or suspected abuse, neglect, or exploitation of a vulnerable adult. To make a report you can

- report online at https://reportabuse.dcf.state.fl.us/ »
- call 1-800-962-2873
- Florida Relay 711 or TTY 800-453-5145
- fax your report to 800-914-0004
- If you suspect or know of a child or vulnerable adult in immediate danger, call 911

Reporting Prohibited Conduct

When Florida Panhandle Technical College receives knowledge alleging Prohibited Conduct, the Technical College will fully investigate each allegation. Victims are not required to participate in an investigation, but the Technical College will still fulfill its obligation to investigate to the full extent possible.

Florida Panhandle College actively encourages individuals to report violations of this policy. Individuals are not required to report the incident to the local police to receive support services.

Reporting options include:

Formal remedies for violations by a student will be handled through the Title IX Coordinator/Dean of Enrollment. If the conduct process finds a violation, it can impose punishment up to and including expulsion.

Informal remedies do not replace formal corrective action and can be taken before or during an investigation. Examples include: issuing a no-contact order, asking an administrative authority to speak to the individual to express concerns about a behavior, or a change in schedule. These remedies are available through FPTC Administration or the Abuse Hotline.

- To file a complaint for a violation of this policy, contact FPTC Administration.
- To file a criminal report, contact the Chipley Police Department.

A police investigation is separate from an investigation that the Title IX coordinator or deputy performs. A police investigation may result in prosecution and criminal penalties through the court system.

Definitions

Prohibited conduct refers to student sexual assault and sexual misconduct, sexual harassment, stalking, intimate partner, and dating violence.

Consent is defined as valid sexual permission that is:

1. Freely and actively given
2. In mutually understandable words or actions
3. Consent to one form of sexual activity can never imply consent to other forms of sexual activity

4. Consent is not the lack of resistance; there is no duty to fight off a sexual aggressor
5. Consent can be withdrawn at any time, as long as the withdrawal is clearly communicated by the person withdrawing consent through words or actions
6. A person shall not knowingly take advantage of another person who is under 18 years of age, mentally defective, under the influence of prescribed medication, alcohol or other chemical drugs, or who is not conscious or awake, and thus is not able to give consent as defined above. Further, a person shall not physically or verbally coerce another person to engage in any form of sexual conduct, to the end that consent as defined above is not given.
7. Any attempted acts of sexual misconduct are also violations of this policy.

Intimate Partner Violence encompasses domestic and dating violence, and specifically violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Domestic Violence (Florida Statutes 741.28(1)) defines domestic violence as "any assault, aggravated assault, battery, aggravated battery, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, or any criminal offense resulting in physical injury or death of one family or household member by another who is or was residing in the same single dwelling unit."

Family or household member means spouses, former spouses, persons related by blood or marriage, persons who are presently residing together as if a family or who have resided together in the past as if a family, and persons who are parents of a child in common regardless of whether they have been married. With the exception of persons who have a child in common, the family or household members must be currently residing or have in the past resided together in the same single dwelling unit.

Dating Violence (Florida State Statute 784.046(1)(d)) – means violence between individuals who have or have had a continuing and significant relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on the consideration of the following factors:

1. A dating relationship must have existed within the past 6 months;
2. The nature of the relationship must have been characterized by the expecation of affection or sexual involvement between the parties; and
3. The frequency and type of interaction between the persons involved in the relationship must have included that persons have been involved over time and on a continuous basis during the course of the relationship.

The information below will help you to determine a healthy dating relationship:

Recognizing Abusive Behavior

1. Frequent yelling directed at a partner
2. Blaming partner for own faults
3. Name calling
4. Consistently accusing partner of infidelity
5. Kicking, holding, slapping, or scratching
6. Use of verbal/abusive comments
7. Forcible sex

Stalking (Florida Statutes 784.048(2)) defines stalking as "any person, who willfully, maliciously, and repeatedly follows, harasses, or cyber stalks another person.

The Department of Education defines "stalking" as:

• Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or
• suffer substantial emotional distress Florida Statute 784.048 defines these terms:

(a) "**Harass**" means to engage in a course of conduct directed at a specific person which causes substantial emotional distress to that person and serves no legitimate purpose.

(b)"**Course of conduct**" means a pattern of conduct composed of a series of acts over a period of time, however short, which evidences a continuity of purpose. The term does not include constitutionally protected activity such as picketing or other organized protests.

(c) "**Credible threat**" means a verbal or nonverbal threat, or a combination of the two, including threats delivered by electronic communication or implied by a pattern of conduct, which places the person who is the target of the threat in reasonable fear for his or her safety or the safety of his or her family members or individuals closely associated with the person, and which is made with the apparent ability to carry out the threat to cause such harm. It is not necessary to prove that the person making the threat had the intent to actually carry out the threat. The present incarceration of the person making the threat is not a bar to prosecution under this section.

(d)"**Cyberstalk**" means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Aggravated Stalking (Florida Statutes 784.048(3)) "aggravated Stalking" is defined as "any person who willfully, maliciously, and repeatedly follows, harasses, or cyber stalks another person, and makes a credible threat with the intent to place that person in reasonable fear of death or bodily injury of the person, or the person's child, sibling, spouse, parent, or dependent, commits the offense of aggravated stalking."

Sexual Assault

Rape and sexual assault are called "**Sexual Battery**" under Florida criminal law; the terms are synonymous and occur when someone compels a victim to engage in sexual intercourse against the victim's will. It is a violation of state law, and is defined as: "oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration by another with any other object." The crime also includes circumstances when the victim is mentally incapable of giving consent such as being in a coma or passed out from drug or alcohol use." (see Fl. Stat. Ann. § 794.011)

Sexual assault is any form of sexual activity where consent is not willingly given. It includes anything from touching to penetration. Males and females can be both victims and perpetrators of sexual assault.

As defined by the Department of Education, sexual assault is an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting system. A sex offense is any act directed against another person, without the consent of the victim,

"**Rape**" is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

"**Fondling**" is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

"**Incest**" is defined as non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

"**Statutory Rape**" is defined a non-forcible sexual intercourse with a person who is under the statutory age of consent.

Bystander Intervention

We can all help to maintain a community free of harassment, discrimination, and intimidation. The worst thing we can do is remain silent about sexual misconduct. If you've witnessed an incident, you're a bystander. Bystanders can be active in a number of different ways. Whether it's interrupting a potentially risky situation, speaking out against something that doesn't appear right, or providing support to a victim after an incident, we all have a responsibility to each other. Below are a few things that, dependent upon the situation, we can do to help:

- Calling the Chipley Police Department immediately when you believe you are witnessing sexual misconduct (850) 638-6130.
- From a position of safety, call out to the harasser to stop.
- Casually introduce yourself to the harasser and allow the victim time to escape, if you can do so safely. If possible, ask others to approach the scene with you so that you outnumber the harasser.
- Note the exact location and appearance of the harasser.
- Take photos if you can.
- Be aware.
- Make detailed notes as soon as you can of what you saw and provide them to the police or the Florida Panhandle Technical College Director.
- TAKE ACTION. DO NOT STAND BY AND DO NOTHING – DO SOMETHING!

Other resources:

- National Sexual Violence Resource Center:
http://www.nsvrc.org/
- Men Can Stop Rape
http://www.mencanstoprape.org/
- Step Up! A Bystander Intervention Program
http://stepupprogram.org/
- Risk Prevention Techniques from RAINN
https://rainn.org/

With no intent to victim blame and recognizing that only rapists are responsible for rape, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network).

- Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
- Try to avoid isolated areas. It is more difficult to get help if no one is around.
- Walk with purpose. Even if you don't know where you are going, act like you do.
- Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
- Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
- Make sure your cell phone is with you and charged and that you have cab money.
- Don't allow yourself to be isolated with someone you don't trust or someone you don't know.
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
- When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
- Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
- Don't leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
- Don't accept drinks from people you don't know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
- Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
- If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

Tips for escaping a potentially dangerous situation

1. Remember that being in this situation is not your fault. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
2. Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
3. Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
4. Lie. If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
5. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
6. If you or the other person has been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

What should victims do first?

Anyone can be raped, regardless of gender identity, sexual orientation, race, age, etc. Rape is a traumatic event, and the survivor may experience a wide array of emotions, including fear, shock, confusion, disbelief, embarrassment, shame, guilt, and a tremendous sense of loss. These are all common reactions to what has happened.

Getting Help

The single most important step a victim of sexual assault may take is to tell someone and get help, which could include talking with a family member, friend, partner, advocate, counselor, healthcare provider, or law enforcement officer. If you have been subjected to sexual violence, domestic violence, sexual assault, and/or stalking:

1. Get to a safe place

2. Report the situation to someone in a position of authority or the police department immediately
3. Preserve all evidence of the offense
4. Request assistance for personal safety
5. Obtain order of protection or a no contact order
6. Take advantage of the services available from Florida Panhandle Technical College through administration.
7. Request to speak anonymously with the Student Affairs Counselor.

An advocate may be contacted immediately after an assault, with or without reporting to the police.

An advocate can provide:

- All the options available to meet the needs of each unique individual, to include reporting or not reporting to the police, participating in a reporting or non-reporting forensic exam, reporting to student conduct, and other resources and services.
- Crisis intervention, to include safety planning and emotional support.
- Education about the traumatic experience and common reactions to victimization.

The victim should also try to preserve evidence of the assault especially during the first 96 hours after the assault for possible investigation.

Confidentiality

All complaints of sexual harassment, whether filed informally or formally, shall be processed in a manner to protect the confidentiality of all parties in accordance with the College's policy.

FERPA Protected

This term means that information protected by the Family Educational Rights and Privacy Act (FERPA) will not be released without the student's permission. The outcome of any institutional disciplinary hearing, as a result of an allegation of a sexual offense, must be provided to both the accuser and the accused. Release of this information does not violate FERPA and is required by the Clergy Act.

How do I recognize warning signs of abuse?

One of these behaviors alone may or may not indicate a problem, but several or repeated could be cause for real concern.

A person might be experiencing relationship violence if they:

- Talk often about their partner's jealousy or possessiveness
- Express an extreme fear of displeasing their partner
- Endure humiliating language or are made to feel bad about themselves
- Spend less time with friends than usual
- Receive excessive phone calls, texts, emails from their partner
- Examples of relationship violence: (none are acceptable in a healthy relationship) Verbal-insults, name calling, humiliation, threats
- Electronic: Pattern of unwanted texting, phone calls, emails, messaging; monitoring social network sites, stealing passwords
- Physical: Slapping, shoving, hitting, kicking, biting, strangling
- Sexual: Unwanted touch, nonconsensual sex, controlling sexual situations or access to contraception
- Financial: Interfering with income or ability to work, controlling finances
- Emotional: Intimidation, isolation, threats (including threats of suicide), withholding affection, destroying property, control what you do and who you see in a way that interferes with your work, education, or other activities?
- Stalking is also a type of harassment. It can occur inside or outside of a relationship.

What to do if someone is stalking you?

- Don't answer the phone or door if you don't know who it is.
- End all communication with the person who is stalking you. Don't get into arguments or pay attention to them – that's what they want!
- Let family, friends, and your employer know you are being stalked. Show them a picture of the person.
- Talk to an instructor, friend, administrator or counselor who can help you decide how to deal with the situation.
- Write down the times, places, and detailed summaries of each incident. Keep all emails or texts.
- Consider contacting police if stalking persists despite your efforts to end it.
- Consider obtaining a restraining order, but evaluate the pros and cons of doing so. Sometimes it can escalate the violence.
- Change your routine so the stalker is less able to predict your whereabouts.

What if someone is cyber stalking me?

- Do not meet anyone you've met on the internet in person.
- Don't share personal information (name, phone numbers, addresses, etc.) in online public places.
- Consider creating separate email accounts for social networking sites or other sites that require personal logins. (Good way to reduce your spam too!)
- Use filters and blockers to block unwanted emails.
- Send a clear message to a cyber-stalker that you do not want further communication and will contact authorities if messaging continues.
- Save all communications from a cyber-stalker.

Hot Line: Gulf Coast Sexual Assault Program
(http://www.gulfcoastcac.org/)

TWO PAGE STUDENT SAFETY INCIDENT REROR FORM. PAGES 105-106

EMERGENCY EVACUATION AND LOCK DOWN

Fire Drill

In compliance with the State Uniform Building Code, Chapter 6A-2, the following procedures will be adhered to during a fire evacuation drill: Instructors and students will be ALERTED BY THE FIRE ALARM SYSTEM TO LEAVE their buildings and shops in an orderly manner.

No reentry to buildings shall be permitted until the ALL CLEAR message is notified through the fire alarm system.

Instructors will EVALUATE the building and surroundings before EVACUATING: then move students and staff out to designated emergency evacuation position according to school fire evacuation plan.

Upon exiting close all doors and turn off lights. You will have 180 seconds to assess the situation and make the best choice for evacuating the building once the fire

alarm is activated. Follow accuntability steps for evacuation by using Raptor Alert App.

During an evacuation drill, each class or group shall proceed to a predetermined point outside the building and remain there while a check is made to account for all persons. Please follow Campus Layout Map and DO NOT get on the adjoining highways.

In the event it becomes necessary to secure the premises of Florida Panhandle Technical College due to a safety issue that would endanger the health or life of the students and personnel at this Technical College, the following instructions will be carried out:

• The director, or designee at the time of the accident, will inform all personnel to secure the premises immediately and give the course of evacuation based on information provided at the time.

• All students are to return to the program area and follow instructional directives.

• Turn off all cell phones or electronic devices.

• All students will remain on campus until an "all clear" is signaled.

Tornado Drills and/or Emergency

Instructors and students will be ALERTED over the paging system. Alerted by announcing SHELTER FOR TORNADO! DROP, COVER, AND HOLD. Once the warning has been announced, the student body and staff will take the following actions:

- Begin verification of students and staff.
- Precede to the interior hallway or closet, or up against an interior wall as instructed by your instructor.
- Students/Staff must be 25+ feet away from locked and closed exterior door when in the drop, cover, hold position.
- Stay in these locations and positions until the instructor has given you the ALL CLEAR. If in a drill, this will be announced over the paging system.

Railroad or Highway Accident

In the event it becomes necessary to evacuate the premises of Florida Panhandle Technical College due to a railroad or highway accident involving caustic, inflammable, or noxious material that would endanger the health or life of the students and personnel at this Technical College, the following instructions will be carried out:

- The director, or designee at the time of the accident, will inform announce by paging system, EVACUATE TO YOUR DESIGNATED LOCATION.
- All personnel to evacuate the premises immediately according to school fire evacuation plan.
- Close all doors and turn off all lights upon exiting. Take classroom/school STOP-the-Bleed kit
- Go to designated emergency evacuation site.
- Students may be advised to leave stuff behind, but to bring cell phones.
- Students will follow directions of their instructor.
- Instructors will begin verification of students and staff to account for all.

If a drill wait for the announcement over the paging system ALL CLEAR.

LOCK DOWN

The purpose of a lockdown is to minimize accessibility to rooms/buildings on campus to reduce the risk of injury or danger to faculty, staff, students or visitors. As with all emergency communications, compliance with directives is mandatory for all persons on campus. Announcement will be made over paging system: LOCKDOWN! LOCKS, LIGHTS, OUT OF SIGHT.

UPON LOCKDOWN ANNOUNCEMENT:

- Immediately cease all activity (I.e., teaching, group work, meetings, etc.)
- Classroom doors should already be locked and secured.
- Turn oou the lights.
- Doors and windows should be covered. Blinds closed.
- Move away from sight to safest areas or Hard corners.
- Maintain Silence.
- Silence and turn down the lights on your cell phones.
- Take roll. Remain silent or whisper.
- Wait for emergency responder or an Administrator to open the door.

** In an actual LOCKDOWN situation, the rooms wil be cleared individually by either law enforcement or District Administrator/Designee.**

See Washington County School District EMERGENCY RESPONSE GUIDE for more info on procedures.
