

# DEARY HIGH SCHOOL FOUR YEAR LEARNING PLAN

Name \_\_\_\_\_ Date \_\_\_\_\_

Circle the **ELECTIVE** classes you intend to take during your high school career. Consider college & career plans. Consult with parents, teachers, counselor, etc. **RETURN a signed copy to the school.** This plan can be changed at any time—you are not committing to anything. You are NOT registering for classes. You are just looking ahead. You may also write in different required classes if you are ahead or behind in a subject. Print your own copies to keep at home & in your school portfolio. You can enter a semester grade in the spaces after each class to track your progress.

Next, answer the questions on the other side of this form.

Please consider the following questions and review them periodically throughout your high school career.

1. What activities (both in and out of school) do you participate in?
2. What service have you given in school, community, etc?
3. What things are you interested in?
4. What would you like to do for a career? It is OK to have more than one.
5. What does it take to get that career?
6. After high School, will you attend college, trade school, join the military, enter the work force or something else?
7. What classes can you take in high school to best prepare you for your future?
8. How will you pay for college or training?
9. Who can help get real answers for the above questions?
