

Questions:

13. Is this submission only accepted via shipping, or is there a way to submit electronically? If so, could you please provide the appropriate point of contact for electronic submission?

14. Does the RFP require original manual signatures, or will electronic signatures be accepted?

Answers:

You can submit electronically to Kimberly Mott at kmott@rgsd.k12.mo.us

However, three hard copies must also be delivered to the district central office on September 30 by 1pm.

Electronic signatures are fine.
