BE THE NEXT CODER AND INNOVATIVE CREATOR!

Will you be the next app creator or game designer? Register for Maryville University's Coding Camp to learn how to code like the pros! This is a one week program designed for middle and high school students to expand their knowledge of coding and its real world applications.

- Coding topics will include: music creation, game design, robotics, and escape rooms
- Tour our cybersecurity headquarters and other university hotspots
- Breakfast and lunch served daily
- **NO COST** to students in our partner districts of Ferguson-Florissant, Hazelwood, Jennings, Normandy, Ritenour and Riverview Gardens
