Click on the blue underlined links.

Thank you for your patience this week while we waited for buses to work through their schedules ensuring student safety. There is no school tomorrow so I am sending the weekly message out on Thursday.

Picture Day: Wednesday is Picture Day. Forms went home with students on the first day of school. All forms should be brought to school with your child on Wednesday. Every student will have a picture taken, regardless of whether you make a photo purchase.

PTO: The PTO is a central part of our school community. Please [click here](#) for their Welcome Back letter to learn about all they do and how you can join.

Forms to Sign and Send with your Child to School: The following forms were sent home with every child this week. Please return the following forms to school with your child if you have not already done so: [Acceptable Use Policy](#), [School Handbook](#), [Current Health Care Plan](#), [Opt-Out of Photos](#)

Open House: Reserve September 16th from 6-7 PM for Open House at NCES. We are working on a plan to keep people safe and moving outside if you have more than one child. Details will follow next week.

[AHA September Newsletter and Calendar:](#) AHA is open after school. Click the link to read more.

[Color Your Lunch Tray:](#) Click the link to read more about the School Lunch Program. Remember that lunch is free for everyone this school year. Students do not need to take everything offered on the menu, just a minimum of three food groups. One of these has to be a fruit or vegetable as the link shows.

[Cub Scout Pack 22:](#) Please click on the link to read the Cub Scout information.

Enjoy the long weekend for Labor Day! We will look forward to seeing students back on Tuesday.

Stay well,

Dr. Roy
