

Google Classroom

GETTING THERE

Using your internet browser on your home computer or chromebook go to classroom.google.com

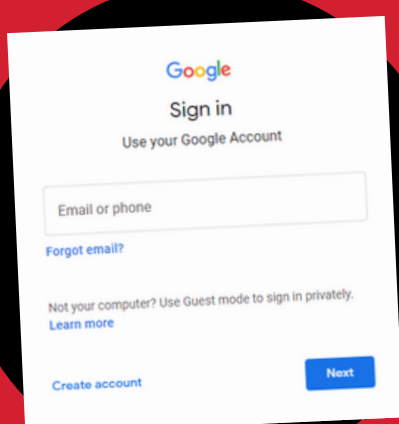

SIGNING IN

Locate and click the "Sign in to Classroom" button

A login page should load

*Note: If you are already signed into a personal Google account, you will need to log out first

WHAT'S MY STUDENT'S LOGIN?

To log into Google Classroom, students should use their school assigned email address which is the word "student" + their lunch number followed by @carrollcountyschools.com

Ex: student12345@carrollcountyschools.com

WHAT'S MY STUDENT'S PASSWORD?

Passwords may vary, however it will be the same password students use to log into their Chromebooks at school. Every student uses chromebooks daily in multiple classes while at school.

I'M IN! NOW WHAT?

Once in Google Classroom, you will see all of your student's classes. Clicking on a class will open it. At the top of the page you will see "Stream" and "Classwork" tabs. In most cases announcements will be found on the "Stream" tab and assignments will be on the "Classwork" tab
