6TH GRADE PHYSICAL & IMMUNIZATION REMINDER

5th grade students can get their school physical now for their required 6th grade entry physical. It is better to get them done now before school starts back since doctor's offices may have limited availability closer to the beginning of next school year. If you would like the DS school nurse to complete your student's physical, please contact the nurse's office. We have done several and would be glad to help. We can schedule a time to do the physical or needed immunizations.

Also, once 5th or 6th graders turn 11 years old, they will have more required shots that need to be completed. If your student has Medicaid or no insurance, the school nurse can provide the needed immunizations. If you need us to get your child updated, please contact us. If your child has private insurance, you will need to get the shots completed with your child's medical service provider. 11-year-old students will require Tdap and Meningococcal vaccines. The HPV vaccine is also highly recommended.

If you have any questions regarding vaccines or physicals or would like to schedule an appointment, call the DS School Nurse at 270-797-3811. Even if you plan to complete your child's vaccines or physical with your own medical provider, I will be glad to answer any questions that you may have.
