

Call Out for May 13, 2022

This is Richard Dennis, Superintendent of Elmore County Public Schools.

We are down to the last week of school and will conclude final exams this next week on Friday. Please, make sure you aware of the necessary schedules that you student's school will follow over the last few days as exams are given. Any make-up assignments and/or make-up exams should be schedule with each school's administration for May 23.

We will also conduct the remaining Elmore County graduation exercises next week with SEHS on Monday night; WHS on Tuesday night; ECHS on Thursday night and HHS on Friday night. Each of these ceremonies will be held at each school's current football stadium on the perspective day at 7:00PM. We wish the Class of 2022 the very best as they move to the next phases of their lives.

We would like to congratulate the Elmore County High School softball team for reaching the State Softball Tournament and the Holtville High School baseball team for making it to the final round. We wish them the best as each competes for a 5-A State Championship!

If you would prefer to get my weekly call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

We appreciate your support and have a great weekend!
