

Greenville Technical Center Newsletter

Home of the Diamond Mine

Greetings Parents and Community Members:

The GTC Diamond Family is working diligently on a daily basis to properly educate all career technical students. We offer a variety of hands-on courses to prepare students for real world opportunities, which include Agriculture Environmental Science Technology, Work base Learning, Culinary Arts, Collision Repair Technician, Law and Public Safety, Early Childhood Education, Health Science, and Teacher Academy. We are off to a great start and striving to improve on a daily basis.

Educationally Yours,

Dr. Kandice K. Jernigan

GTC Diamond Students

Employee of the Month for

August

NuQuenyen Phillips

Congratulations!!!!

GTC Diamond Staff
