# Bucket Filler Assembly

## January 5, 2023

The Spencer-Westlawn students gathered together to hear a presentation about being a "bucket filler". As a school we learned how to be a bucket filler and not a "bucket dipper". Also, we learned how to put on our lids to protect our feelings. A school-wide incentive was sparked after hearing the presentation. Spencer-Westlawn's teachers, staff, and students were encouraged to fill each others bucket through acts of kindness.

# Honor's Day

## January 19, 2023

A red carpet leads from the bottom center towards a stage in the distance. The stage is illuminated by several bright spotlights. On either side of the carpet, there are silver stanchions connected by red ropes, creating a path. The background is dark with a purple and blue glow from the lights.

Congrats!
