

NAUTILUS WAVES

Dear Nautilus Families,

In April, students in grades 3 through 6 will undertake Arizona's Statewide Achievement Assessment encompassing English Language Arts, Writing, and Math. Our school achieved an 'A' rating last year, a testament to the remarkable progress our students made. We take immense pride in their dedication and hard work this academic year, and we are confident they will excel once again.

During this testing period, ensuring that students get a good night's sleep and consume a nutritious breakfast is paramount. Missing these assessments poses significant challenges, so we urge you to support your child in attending school punctually on each testing day. Our goal is to maximize our students' success, and your cooperation is instrumental in achieving this.

Warm regards, Mrs. Williams

Testing Schedule:

April 2	Writing	Gr. 3&5	April 12	ELA-Day 2	Gr. 3&5
