Hello Parents,

We are writing with information about the online registration process for Beecher School District 200U. We are continuing as a district to team up with PowerSchool and bring you PowerSchool Registration!

With PSR, you will be receiving a “Snap Code” via email to register each of your students July 17. Use that information to register your returning student. The parent section of our website has the most up to date information and guides available having to do with registration. Registration links and more info here:

Important dates and times:

June 9 – Parent portals close to access PowerSchool after the current school year ends.

July 17 - July 20 – Online and in-person registration opens for next school year. Look for an email with a “Snap Code” if your student is returning, and use that code during the online registration process. School fees will also be added to eFunds on July 17 and are due when you register.

July 24 - August 11 – Online registrations for the 2023/2024 school year will be reviewed and approved. Online registration will continue to be open.
