Request for Qualifications
For Architectural and Engineering Services
For Franklin County School District

August 20, 2021

The FRANKLIN COUNTY SCHOOL DISTRICT is seeking Requests for Qualifications (RFQ) for architectural and engineering design services related to the following project(s):

Potential ARP and ESSER funded projects and other projects as authorized by the district.

Responses shall be (emailed) to: ckent@fcsd.k12.ms.us by September 9, 2021, noon.

Note: the federally funded projects must be completed on or before September 30, 2023.

In your submittal, please include the following:

1. Firm background and history.
2. Qualifications, including resumes, of team members and any sub-consultants in the area of the projects described above.
3. Examples of experience with relevant and federally funded projects.
4. Certification that your firm or members of your firm have not been disbarred, suspended, or otherwise excluded from or ineligible for participation in federal assistant programs or activities.

If selected, the firm will be required to provide proof of insurance, Form W-9 IRS Form, and certify other federal and state requirements upon execution of a contractual agreement.

Following evaluation of the proposals, the district may conduct additional interviews and may request additional information from one or more architect.

Franklin County School District reserves the right to reject any and all proposals, and to evaluate the qualifications in the proposal that is most beneficial to the district.
