A Note To You

I am sending home new reading logs today for November. Sorry I didn't get these to you last week!

On another note, please make sure you are sending your child to school dressed for the weather! As the temperature drops, students will not be able to go outside if they do not have warm enough clothes.

Have a great week!

Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly!
- ❖ Read 20 minutes each night and document it on your November reading log. These will be due right after Thanksgiving break.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

This week's Agenda

Spelling: CVCC patterns - olt, ost, old, ind, ild

These patterns are special because they all have a long vowel sound, but there is not any other vowel helping them make their long sound.

Examples include 'mild', 'hold', 'kind', 'host', and 'bolt'.

Reading: We will continue to read about fossils, this week focusing more on the job of a paleontologist, and the tools they use to do their job.

Math: We will continue to practice adding with different strategies.
