Deidre Jefferson, Principal

Kaylen Cruse, School Counselor

Dear Parent,

CollegeCounts 529 Fund provided our first grade students with folders for this school year! These folders were given to help start saving for your child's college education as early as TODAY! This is a great opportunity to help your child have financial success for higher learning.

You have opportunities to register for a monthly chance to win a \$100 contribution to your first grader's CollegeCounts 529 Fund and to learn more about the plan!

If you are interested and want to learn more, please go to the following website:

<https://www.collegecounts529.com/529-overview/starting-early/>

Instructions to start a fund are also located on the pockets inside of the folder.

Sincerely,

Kaylen Cruse
