

WILDCAT CAFE 2023/2024

The Wildcat Cafe sure did experience lots of changes last school year! We are so proud of our students for making the change to Mosaic, a pin number charging system, a success! This system works in tandem with My School Bucks, and has made our ordering process, inventory and daily student lunch counts much more efficient and accurate. The transition to a cashless payment system through My School Bucks, has gone over extremely well. Make sure to visit www.myschoolbucks.com, to sign up for a new student meal account, set up automatic payments, retrieve balance information and more.

We are working on being able to offer a snack table to the Wildcat Cafe, but we can't do it without the help of our parents, grandparents and volunteers! We also need help preparing tables in between each lunch shift. You can sign up online for specific days and hours through signup genius. The students truly enjoy seeing a familiar face during lunchtime, and families earn credits for the hours they spend volunteering. That's a win win! Students will enter their assigned pin numbers, just as they do for lunch time, and will be charged via their respective My School Bucks accounts. No cash will be accepted.

As always, you can refer to the school's website: www.sjracs.org, for our monthly lunch menus.

Remember, we are a nut free school. This means students may not bring in any nut butter products, including peanut butter and Nutella. Also, there is absolutely NO sharing of food between students due to allergy concerns as well as for sanitary reasons. Thank you for your ongoing efforts to help keep our children safe.

Enjoy the rest of your summer, and we look forward to seeing you in August!

Best,

Denise Murphy
Cafeteria Manager
