

# How do I Apply for a Waiver?

I have a diagnosed developmental disability that onset before age 22.

Apply for the Developmental Disabilities Waiver through your county's Community Services Board  
**Northwestern CSB:**  
**540-667-8888 ext 1227**

You will be assessed using the VIDES survey to test functional eligibility and asked questions to assess your urgency of need

If you qualify, you will be put on a Waiting List. The more urgent your situation, the sooner you will receive a Waiver. You will be given one of the three Developmental Disability Waivers based upon the type of services you need.

I have a disability and a medical nursing need.

Apply for the CCC Plus Waiver through your regional health department:  
**540-771-3717**

You will be assessed using the Uniform Assessment Instrument (UAI)

If you qualify, you will begin the process of intake. Services will start in a few months. You may also apply for the Developmental Disability Waivers if you're eligible to be put on the waiting list.
