KINGSTREE HIGH SCHOOL STUDENTS RECOGNIZED FOR PARTICIPATION IN MUSC CADES CANDY STRIPER PROGRAM 2025

Kingstree High School is proud to recognize students who successfully participated in the 2025 Candy Striper Program through MUSC Cades in Cades, South Carolina.

Coordinated by Ms. Kelli Cox, Volunteer Services Manager for the MUSC Health Pee Dee Division, the program offers high school students valuable opportunities to serve in a healthcare setting while learning about medical careers and the importance of community service. Participants gained hands-on experience assisting staff, supporting patients, and learning the vital role of compassion in healthcare.

Kingstree High School extends heartfelt congratulations to the 2025 Candy Striper participants for their dedication and commitment to serving others. Building upon the experience they gained, their involvement reflects both academic excellence and a strong commitment to leadership and community engagement. College and Career Readiness Coach G. A. Keels helped connect students with this opportunity, and teacher Sarah Wilson shared her own excitement as a former Candy Striper. Students were honored with a special luncheon.

Participants:
