Things to Consider When Selecting Courses for Your Student

- It is possible to earn 28 Carnegie Units during four years in the high school program, grades 9-12.
- Units required for promotion:
 - 9th Grade: 5 Carnegie Units required for promotion to 10th grade
 - 10th Grade: 11 Carnegie Units required for promotion to 11th grade
 - 11th Grade: 17 Carnegie Units required for promotion to 12th grade
- All students will register for seven classes, four core content classes (English, Math, Science & Social Studies,) and three elective/CTAE classes. Each class is .5 Carnegie Unit.
- Students should develop and complete an individual graduation program or Career Pathway. The Career Pathways include Academic, Fine Arts, World Language, and CTAE.
- The University System of Georgia strongly recommends those students who are planning to attend a post-secondary college should take a 4th year of math above Advanced Algebra and 2 years of the same Foreign Language, no matter your graduation year.

Graduation Requirements

- 4 units of English (must include 9th Literature and American Literature)
- 4 units of Mathematics
- *4 units of Science (must include Biology, Physical Science or Physics, Chemistry or Environmental Science)
- 3 units of Social Studies (must include American Government, World History, US History and Economics)
- At least 3 units of Career, Technical, Agricultural, Foreign Language and/or Fine Arts courses (any combination)
- 1 unit of Health/Physical Education OR 3 years of ROTC (requires signed letter)
- At least 5 elective units

** The 4th science unit may be selected from academic science courses or from approved CTAE courses. This course will earn one Carnegie unit of science credit; however, this same 4th science course could also be used to meet a requirement of a career pathway course.*

= 24 Units Required for Graduation

2024-2025 Veterans High School

Elective Course Offerings

ENGLISH

23.0320010 Journalism 1*

DUAL ENROLLMENT COURSES

*Dual enrollment courses allow students to receive high school credit and credit through Central GA Technical College. All DE courses must have a 2.0+ GPA which is also preferred for the high school credit only courses.

*INFORMATION SUPPORT & SERVICES PATHWAY

11.5A07401 Operation Sys. & Computing
11.4140401 Hardware Installation & Main.

*PERSONAL CARE SERVICES- COSMETOLOGY

12.5A19401 Intro to Cosm. Theory
12.5100401 Hair Care & Treatment

*GOVERNMENT/PUBLIC SAFETY

43.5A03401 Intro to Criminal Justice
43.4570401 Corrections
43.4550401 Criminal Law for Crim. Just.
43.4530401 Methods of Criminal
Investigations

NURSE AIDE ESSENTIALS *JUNIORS & SENIORS ONLY*

25.5910401 Medical Terminology/Allied
Sciences
25.4360401 Nurse Aide Fundamentals

*WELDING

48.5510401 Intro. to Welding Technology
48.5810401 Oxy Fuel & Plasma Cutting
48.5A92401 Gas Metal Arc Welding
48.5A95401 Gas Tungsten Arc Welding

*AUTOMOTIVE TECHNOLOGIES

47.5311401 Automotive Technology Intro.
47.5321401 Automotive Electrical Sys. I
47.4340401 Automotive Brake Systems
47.5B50401 Auto Suspension & Steering

*THERAPEUTIC SERVICES-EMERGENCY MEDICINE RESPONDER

25.5500401 Emergency Med. Responder
25.5910401 Med. Term/Allied Health Sci.

*AIRCRAFT STRUCTURAL PATHWAY (Taught at CGTC Aviation Training Center, Macon)

JUNIORS & SENIORS ONLY

47.5D69401 Basic Blueprint Reading
47.5600401 Structural Fundamentals

*INDUSTRIAL MAINTENANCE PATHWAY

21.5B59401 Industrial Mechanics
21.4630401 Fluid Power & Piping Sys.
46.5450401 Industrial Safety Procedures
21.4620401 Industrial Motor Controls I

*PERSONAL CARE SERVICES- BARBERING PATHWAY

12.5440401 Intro. to Personal Care Ser.
12.5A02401 Sterilization, Sanitation &
Bacteriology

DE CULINARY ARTS PATHWAY

20.5A02401 Culinary Safety & Sanitation
20.5A04401 Principles of Cooking

HVAC PATHWAY

47.4140401 Refrigeration Fundamentals
47.4150401 Refrigeration Principals &
Practice
47.4160401 HVAC Electrical Fundamentals
47.5A42401 HVAC Electrical Motors

ENGINEERING AND TECHNOLOGY

21.4250401 Intro. to Engineering &
Technology
21.5A60401 Circuit Analysis I

COMPUTER SCIENCE PRINCIPLES

(Middle GA State- 3.0 GPA)

JUNIORS & SENIORS ONLY

(Taught at Synergy Complex)

11.4710400 DE Computer Science I
11.0830400 Principals of Programming
Language
11.0C30400 DE Computer Science II
11.0D36400 Intro. to Data Sys. & Alg.

EDUCATIONAL INFORMATION

FINANCIAL AID AND SCHOLARSHIPS:

Financial Aid information (grants, scholarships & loans) can be located in the counseling office, VHS Website and at www.gafutures.org. Students and parents are responsible for contacting the counseling department and viewing the websites to obtain information.

HONOR GRADUATES, VALEDICTORIAN, AND SALUTATORIAN:

The cumulative GPA is used to determine honor graduates, salutatorian, and valedictorian. To be an honor graduate, a student must have a cumulative GPA of at least 90, which is not rounded up. Determination of honor graduates, salutatorian, and valedictorian is made at the end of the first semester of the senior year.

PLAYING SPORTS IN COLLEGE:

In order to be eligible to play college sports as a freshman, students must meet certain course requirements and meet certain standards in GPA and SAT or ACT scores. The student and parents are responsible for being certain students take the proper courses to meet NCAA standards. The standards are located in the counseling office. Students must complete the NCAA eligibility form online at the end of their junior year. It is the students' responsibility to be certain this form is completed online and transcript is mailed. Registration form and more information can be found at www.ncaa.org

INFINITE CAMPUS:

Infinite Campus allows parents to access the grades and attendance of their children on a daily basis through the internet. You can access this center by going to the county's main web page, www.hcbe.net, and then "Parents". You can also contact Mrs. Ginger Towe, the VHS ATS Clerk, at 218-7537 ext. 64012 or ginger.towe@hcbe.net for additional assistance.

HOPE SCHOLARSHIP AND HOPE GRANT:

The **HOPE Scholarship** program was established in Georgia to help students in Georgia with their college tuition costs. To qualify as a HOPE Scholar, students must graduate with at least a 3.0 GPA in core classes (English, Math, Science, Social Studies, and World Language classes). As of the fall of 2013, the amount of the HOPE benefit will be determined based upon available revenues and approved annually by the General Assembly. The Hope Scholarship does not provide an allowance for books or other fees. The HOPE scholarship will pay for 127 semester or 190 quarter hours, as long as the student maintains a cumulative GPA of 3.0.

In 2011, the **Zell Miller Scholarship** program was created for students who graduate from high school with a GPA of 3.7 or higher and have received a score of at least 1200 on combined Critical Reading Score and Math Score on the SAT or have received a score of at least 26 on the ACT. Zell Miller Scholars will receive full tuition at any of Georgia's public institutions and the full private HOPE award for private institutions.

The HOPE Grant program provides grant assistance to residents of Georgia pursuing Certificates of Diploma or Diplomas at Georgia's postsecondary institutions. Unlike the HOPE Scholarship Program, students are not required to graduate from high school with a specific grade point average.

However, students are required to have a minimum postsecondary cumulative grade point average of 2.00 at certain checkpoints. The purpose of the HOPE Grant Program is to encourage Georgians to obtain technical training in order to increase the knowledge and skills of Georgia's workforce. The only classes that will be "weighted" are Advanced Placement (AP) and Dual Enrollment. The GSFC will weight those classes to ensure uniform weighting across the state. Numeric grades will be converted to the 4.0 scale and .5 will be added to each, up to a total of 4.0. Local weights for honors classes will be removed for purposes of the HOPE calculation.

VHS Courses Meeting HOPE Rigor Requirements Updated January 2024

Subject Area	Course Title
English	Advanced Placement Language
	Advanced Placement Literature
Mathematics	Advanced Placement Calculus AB
	Advanced Placement Statistics
	Algebra 2 or Algebra II Honors
	Pre-Calculus
	Advanced Placement Pre-Calculus
	College Readiness Math
Science	Advanced Placement Biology
	Human Anatomy/Physiology
	Chemistry or Chemistry (Honors)
	Advanced Placement Chemistry
	Physics
	Advanced Placement Physics
	Advanced Placement Environmental Science
Forensic Science	
Social Studies	Advanced Placement Psychology
	Advanced Placement US Government
	Advanced Placement World History
	Advanced Placement US History
	Advanced Placement Economics
Foreign Language	French II
	Spanish II
	Spanish III
	Latin II

Dual Enrollment courses in English, Math, Science, Foreign Language or Social Studies courses count toward rigor requirement. HOPE Scholarship requires that all students complete four rigor courses to be eligible.

****Please note: 2.0 + high school GPA is required for all CGTC Dual Enrollment programs.**

Are you interested in earning college credit while still in high school? ****In the following DUAL ENROLLMENT programs, you can earn college credit at Central Georgia Technical College or Middle Georgia State University while still in high school. Most classes are taught at the Houston County Career Academy & transportation is provided. Please select your program of interest from the choices below:**

****AIRCRAFT STRUCTURAL TECHNOLOGY (11th and 12th only)**

- Provides technical training to students interested in obtaining aircraft structural assembly skills, including blueprint reading & structural fundamentals.
- Classes taught at **CGTC Aviation Training Center**. Parents must provide transportation.

****AUTOMOTIVE**

- Students learn basic maintenance & repair operations in 8 ASE areas of vehicles & light trucks
- Career opportunities: Auto dealerships, Auto Care facilities, Lube shops, or Self-Employed

****BARBERING**

- Introduces students to barbering, styling implements, science, sanitation, haircutting & shampooing

****COMPUTER Software Engineering (11th and 12th only – Must meet MGA requirements)**

- The course is designed to strategize, design, and develop mobile and desktop applications that can be produced in the real world.
- Pathway completers have an opportunity to pursue RFB software engineering internship.
- Classes taught at **R. Wayne Lowe Synergy Innovation Center**- Transportation provided.

****COSMETOLOGY**

- Skills training in cosmetology theory, safety, sanitation & decontamination, hair care & treatments, sales & management, haircutting, chemical texture services & styling, manicuring, and pedicuring
- Curriculum meets state licensing requirements for State Board of Cosmetology

****CRIMINAL JUSTICE**

- Students interested in public safety & criminal justice; Examine components of criminal justice system and roles & responsibilities of police, courts & corrections
- Introduces students to variety of agencies & professions in law enforcement, private security, corrections, emergency services

****CYBERSECURITY**

- Students interested in cybersecurity will learn to assess the security needs of computer and network systems, recommend safeguard solutions, and manage the implementation and maintenance of security devices, systems, and procedures.

****EMERGENCY MEDICAL RESPONDER**

- Prepares students to initiate immediate lifesaving care to critical patients, Anatomy & Physiology, Medical Terminology and Emergency response

****ENGINEERING**

- Students learn about innovation in the engineering and technology field
- Provides training in core engineering techniques, including drafting and design, complex mathematical calculations, and force evaluation. Topics also include engineering project write-ups, presentation, evaluation, and safety.

****HVAC**

- Students learn the basic concepts, theories, safety regulations and procedures of refrigeration. Topics include an introduction to OSHA, safety, first aid, laws of thermodynamics, pressure and temperature relationships, heat transfer, the refrigerant cycle, refrigerant identification, and types of AC systems.
- *Advanced students can be dually enrolled at CGTC and earn college credit in three HVAC classes.

****INDUSTRIAL SYSTEMS**

- Prepares students to become multi-skilled employee in manufacturing setting; Students learn mechanical maintenance, ability to operate hydraulic pneumatic pumps & piping systems & electrical systems motor controls
- Completers qualify for an interview with Frito Lay.

****Information Technology (A+ Certification)**

- Students can earn Advanced Comp TIA A+ Certified Tech certificate (TCC) from CGTC
- Students learn the fundamentals of installing & maintaining microcomputers, function components, safety, printers, T-switches, troubleshooting, resolving minor system problems, preventative maintenance

****NURSE AIDE ESSENTIALS**

- Prepares students with classroom training & practice as well as the clinical experiences necessary to care for patients in various settings including general medical & surgical hospitals, nursing care facilities, community care facilities for the elderly, & home health care services. Students who successfully complete this program may be eligible to sit for the state Certified Nurse Aide (CNA) exam. There are additional program requirements for this program required for clinical sites & some costs are not covered by dual enrollment.

****WELDING**

- Graduates prepared for qualification tests & advanced welding training
- Technical certificates (TCC's) available: Basic Shielded Metal Arc Welder, Gas MIG & TIG

****Please note- above classes are covered by DUAL ENROLLMENT & Admission to Central Georgia Technical College or Middle Georgia State University. Students are required to submit a completed dual enrollment application and must have a 2.0+ high school GPA to enroll in CGTC/MGA Dual Enrollment programs. Students earn both college & high school credit. Students must complete a dual enrollment funding application on gafutures.org each academic year.**

CAREER TECHNICAL COURSES/CAREER PATHWAYS 2024-25

Please note- 2.0 + high school GPA preferred for all HCCA programs.

****The Culinary program can be dual credit with CGTC, but students can enroll even if they are not admitted to the college & receive high school credit only. All other programs listed below are not Dual Enrollment programs but high school credit only.**

AUDIO VIDEO TECHNOLOGY & FILM

- Prepares students for employment or entry into a postsecondary education program in the audio and video technology career field.
- Topics covered may include basic equipment, script writing, production teams, production and programming, lighting, recording, and editing, studio production, and professional ethics.

CULINARY ARTS

- Students learn "art" of cooking, growing program across state of Georgia
- Opportunity to earn ServSafe Certification
- Gain knowledge in diet, nutrition, food preparation, cost & budgets, and the science of food
- Career opportunities: Souse chef, Pastry chef, Kitchen Manager, Garde Manager, Banquet chef or Restaurant entrepreneur
- Students can be dual enrolled at CGTC and earn Prep Cook Certificate of Completion

FINE FURNITURE/CABINETMAKING

- Students will learn woodworking skills including safety, applied math, hand tools and machine operations. Advanced students will further their understanding of the design process by assembling and finishing wood projects.

TEACHING AS A PROFESSION

- Students interested in pursuing a career in Education field
- Diverse opportunities in Education: school administrator, school counselor, elementary school teacher, special needs teacher, secondary teacher, post-secondary teacher, preschool teacher, and paraprofessional
- Education is major focus in Georgia
- Courses include Examining the teaching profession, Contemporary issues in education and Teaching internship
- Opportunity to earn college credit

HEALTHCARE SCIENCE TECHNOLOGY

- Students interested in pursuing a career in the Healthcare Industry
- The concepts of health, wellness, and preventative care are evaluated; ethical and legal responsibilities of today's healthcare provider are also examined
- Courses include Introduction to Healthcare Science, Essentials of Healthcare, Allied Health, and Medicine, & Sports Medicine

Dual Enrollment Information

The purpose of the Dual Enrollment program is to promote and increase access to postsecondary educational opportunities for Georgia high school students while increasing high school graduation rates, preparing a skilled workforce, and decreasing time and cost to postsecondary credential completion. Georgia's Dual Enrollment Program provides funding for students who are dually enrolled in a participating public high school and postsecondary institution in Georgia. Students take postsecondary coursework for credit towards both high school graduation requirements and postsecondary certificates, diploma or associate degree requirements. Georgia has created a singular program known as Dual Enrollment for eligible students in grades 10-12. Students may enroll on a part-time or full-time basis as a Dual Enrollment student and take college courses at their high school or a postsecondary campus. Students will receive high school and college credit simultaneously when attending and passing eligible dual enrollment college classes.

Next Steps:

- 1) Attend a dual enrollment information meeting at your high school or local college
- 2) Explore the Dual Enrollment college website and apply to the college as a dual enrollment student
- 3) Complete the Dual Enrollment Funding application in GAFutures
- 4) Meet with your high school dual enrollment advisor to discuss plans for coursework and graduation
- 5) Meet with your college dual enrollment advisor to discuss plans for coursework, class registration and any financial implications

Notes

Veterans High School
340 Piney Grove Rd.
Kathleen, GA 31047

Excellence is the standard, not the goal.
