Please clarify the first item on your paper bid. It says “apron-bid-new” but just under it is “aprons:bib”, plastic – so I’m not sure what you are looking for on the first line.

These aprons are washable white polyester blend.

Please clarify “Container: Clear Lids” – any specific size? Is this just a lid, or a clear container with a hinged lid?

This is an 8 ounce clear, deli container with lid (not attached). Heavy duty plastic.

Please clarify “Container: White Bottom” – What size? 1 comp?

Will this be awarded by line items or as a whole?

We reserve the right to award either by individual line items to multiple vendors or as a whole to a single vendor, depending on what best meets the needs and interests of our organization.

Based on previous ordering history and purchase orders, about how often are the gloves ordered (Monthly, quarterly or other) and what is an approximate case order? If it is as needed and quantities vary can you please provide the quantity of the last order placed?

We typically order gloves every month and keep a good stock on hand. 1-3 cases each of medium, large, extra large and the occasional size small.

Can you please provide the previous award tabulation with winning vendors and individual item prices?

This is our first time issuing a formal Invitation for Bid (IFB) for this category, and these types of supplies were previously purchased on an as-needed basis from various vendors.
